Automobile Mishaps.

While driving his Ford car along the State road between Kennedyville and Locust Grove Sunday about noon, Dr. James W. Urie, well-known physician, of Kennedyville, met with a serious accident. The doctor had drawn to one side of the road to allow another car that was approaching from behind, to pass, and in making a rather short turn to get back into the middle of the road, the steering gear did not respond properly and the car skidded and "turned turtle". In the car besides Dr. Urie were several small children. All were beneath the over turned car but were some what protected by the top. One little boy, Joe Cosden, was painfully injured, having his face cut in several places and one leg crushed. Dr. Urie also, was considerably bruised, but not incapacitated from attending to his regular practice. The others escaped unhurt.

Capt. Curtis E. Crane had an accident to his Reo car on the avenue on Tuesday morning by the breaking of a hind axle. The car was taken to the garage and repaired.

Mr. Philip G. Wilmer took Messrs. James G. Beck, Frank Simpers and A. W. Carmine to Cambridge on Sunday in his car. They had several blow-outs on the route but reached their destination in safety.

Mr. Philip G. Wilmer will be in charge of the automobile division of the P. O. S. of A. parade next Wednesday evening.

Dr. Edward J. Clarke, Messrs. James Beck, Frank V. Simpers and Philip G. Wilmer attended the Pocomoke City fair and races on Wednesday and Thursday in the latter's car.

BETTERTON.

With the coming of August the influx of summer guests has caused an overflow at the hotels and cottages, and accommodations have been at a premium.

Fishing is great now off the upper bay resort, and fishing parties are daily bringing in good catches of perch and rock fish. Capt. Clarence Crew was out Thursday with Messrs. Rosenfeld, of Baltimore, and caught at least 20 dozen perch and 30 rock. Other smaller catches were made, and the longshoremen here who can put you where the fish bite say the water was never in better shape to hook up the finny members of the deep.

Straw rides in the adjoining country and watermelon parties have had their sway during the week.

Camping parties are getting plentiful along the banks of the beautiful Sassafras river. Among the camps is Camp Susquehanna, of Port Deposit. This camp is composed of 20 young men, and they are having a jolly good time. They have an auto along and are enjoying motoring in Kent.

A party of 90 Pittsburgers pitched camp at Stoneton camp ground on Monday.

Having sold his yacht, the Julia S., a familiar figure in Chester river, around Rolph's wharf, to Baltimore parties, nearly three weeks ago, and not having heard from the purchaser or anything about the boat since it left Wilmington. Mr. Charles T. Story, the owner, believes that the occupants met ill fate in the storm some Sunday nights ago. Mr. Story and his family had been spending the summer at his cottage at Rolph's wharf, but having decided to spend this summer at Harmoney, near Wilmington, he had sold the yacht for $275, including all the equipment.
