BALTIMORE,
Third Floor, Eisenbrandt Building,
(Take Elevator.)

WHERE ARE THE "DOG DAYS" OF AUGUST?

"Gone to Europe," evidently, as Mme. Charlotte de Szabo, widow of the Chief Justice of the Hungarian Court and mother of the Nandor de Szabor, Hungarian representative of the Philadelphia Congress of Engineers, who stopped off at Baltimore recently to replenish her wardrobe at The Ladies' Apparel Shop of Gertrude Leimbach, said this was the hottest summer Europe had experienced for some time.

Mme. de Szabo, by the way, says the gowns of American women are perfect!

The SEMI-ANNUAL Clearance now in full sway at The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore will enable you to purchase a tailored suit or one-piece dress at a saving of at least 20%, and when it is remembered that The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore, does not have the heavy rents and enormous operating expenses of the large department stores, and INITIAL PRICES are considerably less than elsewhere, the saving is really doubled!

59c Tailored Shirt Waists of fine madras, with fancy figures of self color. Just right for the cool days we are now having. Regular price, 85c.

$3.00 Extra size Skirts of pure natural linen, in stylish four and six gore models. Lines that make a large woman feel comfortable and look well. Regular price, $4.50.

$4.98 Dressy Skirts in the popular two toned combinations of black and white, and gray and white. The season's most acceptable models. Regular price, $7.00.

$5.50 Misses' Norfolk, Linen and Pique Suits in out of the ordinary color combinations. Just a few of these left. Sizes 14, 16 and 18. Regular price, $6.75.

ALL MAIL ORDERS GIVEN PERSONAL ATTENTION.

NUPTIAL EVENTS.

NEWNAM—DEVOR.

Mr. Henry Newnam, son of W. Harrison Newnam, of near Rolph's Wharf, Queen Annes county, and Miss Ethel Devor, daughter of Mr. and Mrs. Benjamin Devor, of South Haven, Michigan, were married at the Episcopal Church, of South Haven recently. The young couple are now in Queen Annes county and Mr. Newnam will farm on a place near his old home. The South Haven Gazette in speaking of the wedding said: "Mr. Newnam has been coming here for two seasons and Dan Cupid did the rest after he met the pretty daughter of Mr. and Mrs. Devor, who is a great favorite in her set and who has many friends here." "The newly-weds left on the 12.30 train for the east and after visiting at Niagara Falls, Buffalo and other points of interest will go to Queen Annes county."

Crimson Clover Seed

We are offering Fine New Crop DELAWARE BRAND Seed right from the heart of the Crimson Clover country. We do think prettier seed could not be had and lower in price than last year. The demand has been quite heavy, but our stock is quite large yet. If not ready for the seed now, let us book your order for future delivery.

Winner Plow Truck

This is a new one here having only been sold here for the past two seasons, but is has met with favor. It makes a riding plow of any walking plow that you have, and works fine. We can refer you to people who are using them. The whole attachment complete is only $10.00.

Plow Shears

We carry SHEARS for Vulcan, Oliver, Syracuse, Imperial and South Bend Plows. We grind shears for any make of plow, and we grind all sizes for only 10c. They do as good work after they are ground as they do when new. We have a good cut fit now and can grind them very promptly.

American Fence

We have on hand all the leading sizes of American Fence, and all this Fence has been stored since its arrival last spring in our large warehouses at the depot. The prices are lower now than they are likely to be in the spring as we have already had two notices of an advance in the prices since we bought, but we are giving our customers the benefit of our early purchases.

No Guess Work

in our methods of testing the eyes and fitting glasses. We use the latest and approved instruments and *do not use drugs or drops* to paralyze the muscles of the eyes as more satisfactory results can be obtained by the more modern methods without the dangerous after-effects of drops. Only those who have made a study of Optics and Anatomy of the eye can fit glasses correctly.

If you break your glasses bring the pieces and we will duplicate them.
