Gertrude Leimbach

Ladies' Apparel Shop

230 N. HOWARD STREET,
BALTIMORE,
Third Floor, Eisenbrandt Building,
(Take Elevator.)

AUTOMATIC CLEARANCE OF SUMMER GOODS

The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore, is unique in many ways—unique because it is devoted exclusively to ladies' wearing apparel; because it does not have the heavy rents and enormous operating expenses of the large department stores; because its merchandise is of highest standard and distinctive style.

One of its ironclad policies is not to carry over merchandise from one season to another, hence this UNIQUE and SINCERE automatic clearance of all summer goods:

Beginning Monday, August 26th.
Automatic Reduction of 30% on all Summer Goods
Beginning Monday, September 2d.
Automatic Reduction of 35% on What's Left.

HOW IT WORKS

The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore, has on hand about 200 summer dresses—one sweeter than the other! Not having the heavy rents and enormous operating expenses of the large department stores, the *initial prices* of these dresses are 20% to 50% lower than other stores are positively compelled to charge. Now, today, any dress sold by The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore, at the low initial price of $3.25 for instance, can be purchased at a reduction of 30%, or

$2.28

On September 2nd, any dress sold by The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore, at the low initial price of $3.25 can be purchased at a reduction of 35 per cent., or

$2.12

This is the meaning of the Automatic Reduction of all Summer Goods! It is honest! It is sincere! It is another proof of the up-to-date methods which prevail at The Ladies' Apparel Shop of Gertrude Leimbach, Baltimore.

THIS PLAN IS NOT ORIGINAL

While it is the first sale of its kind ever held in Baltimore, it has been in vogue for many years at the great Filene store, in Boston, and at the great Wanamaker stores in New York and Philadelphia. John Wanamaker says: "It means a great loss to a merchant, but as there are always a number of people who wait until the end of the season to do their shopping, it wins new customers and enables a fresh start for the next season."

This AUTOMATIC CLEARANCE of Tailored Suits, One-Piece Dresses, Linen Suits, Pongee Coats, Wash Dresses, Wash Skirts, Shirt Waists, Neckwear, Jewelry and Laces makes it possible to secure values so extraordinary as to justify laying in a supply for next season.

Quantities, of course, limited. Early choosing, of course, profitable.

Want to Defer Opening Schools.—Nearly all of the physicians of the county have signed a petition to the School Board asking that the time for opening the schools of the county be deferred to September 16th. Those physicians who failed to sign the petition could not be reached by phone or by the petition. The physicians argue that it is detrimental to the health of the children to confine them to their mental tasks during the hot weather of early September. This is an excellent idea, and we are in hearty accord with the opinion of the physicians.

We carry SHEARS for Vulcan, Oliver, Syracuse, Imperial and South Bend Plows. We grind shears for any make of plow, and we grind all sizes for only 10c. They do as good work after they are ground as they do when new. We have a good outfit now and can grind them very promptly.

We have on hand all the leading sizes of American Fence, and all this Fence has been stored since its arrival last spring in our large warehouses at the depot.
