DEMOCRATIC TICKET.

FOR PRESIDENT:
WOODROW WILSON,
of New Jersey.

FOR VICE-PRESIDENT:
THOMAS R. MARSALL,
of Indiana.

FOR REPRESENTATIVE IN THE SIXTY-FIRST CONGRESS FROM THE FIRST CONGRESSIONAL DISTRICT:
JAMES HARRY COVINGTON,
of Talbot County.

FOR CHIEF JUDGE OF THE SECOND JUDICIAL CIRCUIT:
ALBERT CONSTABLE,
of Cecil County.

WILL YOU CONTRIBUTE?

If any one in Chestertown desires to contribute one dollar to the campaign fund for Governor Woodrow Wilson, we shall take pleasure in receiving such subscriptions giving due credit therefore and forwarding the same to the treasurer of the National Committee. It would be a splendid idea to inaugurate such a campaign in Kent county, and the TRANSCRIPT takes the lead in this matter and will be glad to receive the subscriptions and forward them. Are there 100 men in Kent county who will give $1 apiece?

THE big business interests of the country are voluntarily endorsing Gov. Wilson for President.

THE State of Virginia is purging itself of some of its corruption in politics. Get every one of the vote sellers and vote buyers, and convict every one of them if you have the evidence.

THE Rev. William Booth, general and commander-in-chief of the Salvation Army, died at 10.30 o'clock on Tuesday night in London. He was born in Kensington, England, 83 years ago.

HON. JOSEPH A. WICKES, one of our most learned and cultured citizens, said that Gov. Wilson's speech of acceptance was a most masterly effort. And said the judge, "I do hope he will be elected."

GOV. WILSON in an address at a German picnic in Hoboken, N. J., this week let it be known in ringing terms that "Nobody Bosses Me." That's the kind of talk that makes votes every day.

IT made little difference whether the speaker's stand fell or not, Gov. Marshall knows now that he has got to help Gov. Wilson pull the Democratic party to the White House. He is a fine running mate and will drive right up to the bit.

POOR old Marse Henry Watterson has finally come to his senses, and has gotten aboard the Wilson band wagon. Just listen to what he says:

"Now Woodrow Wilson could not escape election if he tried. We engage to bet The Sun, State by State, a dinner on each State, that he carries every State in the Union."

COL. WILLIAM JENNINGS BRYAN, who was in Wheeling, W. Va., recently to deliver a Chautauqua lecture, said that Gov. Wilson will carry the United States by a popular majority of over 2,000,000 votes and would have considerable of a majority in the Electoral College.

SAY, Mr. Editor, what did you have to pay for what you eat during Cleveland's administration? One-half, and, in many instances one-third of what you pay now. How much money does a man on a $1000 salary save to-day, after he pays his house rent, his taxes and for what he has to eat and wear and burn?

SENATOR CARVILLE D. BENSON, of Baltimore county, in an interview in the Baltimore Evening Sun of Friday says:

"The surest way for any Democrat in Maryland to commit political suicide will be for him to refuse to support Governor Wilson. If ever the Democrats of this country have demonstrated that they wanted any man elected to office, they have demonstrated it in the case of the Governor."

QUITE a number of Republicans of Kent have told us recently that they will not vote for Taft because of the manner in which he was nominated. One of the most prominent Republicans in the county told us the other day that if the Democrats play true to Wilson, his majority in Kent should be 1,000. Hundreds of Republicans will not vote for Taft in this county.

WATTERSON'S FORECAST.

"Marse" Henry Watterson, the veteran editor who bitterly opposed Gov. Wilson's nomination, because he was "doped", has become one of the New Jersey Governor's most ardent supporters, and editorally says:

"Taft will get nothing but the thick-and-thin-dyed-in-the-wool organization vote. Taft may get 50 electoral votes. Roosevelt may get 50 electoral votes. Wilson cannot by any chance get fewer 300, and he may get 400.

MONEY COMING IN.

Every district and precinct in the county will be represented in the fund now being raised by the TRANSCRIPT for Governor Woodrow Wilson's campaign. We have asked the people of Kent for $1 a piece, and we have thus far in two weeks received $50—just one-half of the amount we asked for. Just as soon as we get the other $50 we shall send it to Governor Wilson with the name of every contributor. If any one wants to give $1 let him give it to one of the editors of the paper or to some one in his district, and we shall be glad to credit it. We don't care if we get twice $100, we shall send every dollar of it to Governor Wilson to show him that his friends in Kent are willing to contribute to the necessary and legitimate expenses of his campaign. We have not yet received a dollar from any member of the Woodrow Wilson Club of Chestertown or Rock Hall. Come on, gentlemen, raise your money and send it to the TRANSCRIPT to be forwarded to Gov. Wilson.

COL. ROOSEVELT, the Bull Moose candidate for President, says that Taft is clean out of the race for President, and that the fight is a two-cornered one between himself and Gov. Wilson. He will cease to pay any further attention to Taft, and will turn his guns on Wilson and the Democrats. Let her go, Colonel, the Governor is already loaded, and when you fire, you will receive a volley in return that will be much worse than your roughrider experience on San Juan Hill.

THE $1 subscriptions are still coming in. We have received a number of them during the week, and they are being sent in to those who have the petitions in the Districts. There remains but one more week of the campaign. All contributions will be called in on Sept. 2, and we shall forward a draft for the full amount collected to Gov. Wilson direct. One gentleman very kindly offered us his check for $25, but we declined to accept any larger amount at present than $1. Let's see how much we can get in the last week.

CAUGHT AT LAST.

Urie has at last wriggled himself into the net we set for him in the School Board controversy and in his last statement, he admits, though he by no means intended to do so, that there was absolutely no reason for him to ask the County Commissioners for that $5,000 additional for the schools for this year, though *in his judgment*, such a large balance as $1,827.38 is a pittance. He was not frank and honest enough to admit that two new school houses had been erected at a cost of $2,284.04, and a building lot purchased at Betterton for $312.50 all of which are assets to the School Board. He simply tries to deceive the people by stating that Prof. Melvin had $5,309.49 to begin last year with, while Prof. Smyth will have but $1,827.38. Suppose the School Board had not built the two schools and purchased the lot at Betterton, all of which must be considered as assets, and which cost the School Board **$2,596.54**, Prof. Melvin would have had **$4,423.92** to turn over to Prof. Smyth to begin next year with, *exclusive of the State school fund balance.* Now remember that Mr. Urie originally asked the County Commissioners for $5000 additional appropriation saying *that it would require that much additional to meet the expenses of the coming year.* Had the County Commissioners given Urie the additional $5,000, Prof. Smyth would have a balance of **$9,423.92** besides the State school fund balance at the close of the coming school year provided there are no new school houses built, and Prof. Smyth is as careful in the expenditure of the funds as Prof. Melvin has been.

Now, can anybody under the sun see why the tax-payers should have been compelled to keep such an enormous balance as **$9,423.92** in somebody's bank to the credit of the School Board, when the Democratic Board for seven years could pay all the school expenses, including teachers salaries, build two new school houses at a cost of $2,284.04, buy a building lot at Betterton for $312.50, pay $250 extra rental, and $625 in extra coal bill last year, and then have a balance of **$1,827.38** out of an annual appropriation for schools of $35,000 in the county levy? Isn't $1,827.38 sufficient for any honest man to begin business with *especially as he will have $35,000 in cash coming to him in one month after he goes in business.* What did Urie want with that additional $5,000 of the tax-payers money? Ask the negro Jones in Morgnec. He should be able to give you the answer.

DOES MR. GARDNER KNOW?

We were charged by John D. Urie in his organ, the Kent News, last Saturday with making a personal attack upon Rev. Thomas B. Gardner in giving the particulars of a case in which Mr. Gardner was the plaintiff. Mr. Urie evidently sought to hide his shame behind the skirts of his client. He didn't care a picayune in what light he placed his client before the community, just so his unholy work escaped public notice, and so he charged the TRANSCRIPT with attacking Rev. Mr. Gardner, in order to direct public attention and disgust from himself to his client. But since we have been charged with attacking Mr. Gardner, which we had not the slightest intention of doing, because we do not believe he knows anything about the manner in which Urie is using his money, we herein ask Mr. Gardner to address us a letter for publication stating whether or not he is aware that his money is being used by Urie for such purposes as we show below, and how much he has received from his counsel of the sums in the several cases enumerated below. Since we were charged with attacking Rev. Mr. Gardner we have made a partial investigation of a part of the business Urie is doing in the name of Rev. Thomas B. Gardner, and here is *a partial list of judgments* obtained by John David Urie in the name of Rev. Thomas Baker Gardner before justices of the peace and in the Circuit Court:

This is only a partial list, mind you, gotten in the last 6 years. 52 of the defendants in these judgments were negroes.

Besides this some 12 or 15 mortgages for small and large sums were taken in the name of Rev. Thomas B. Gardner by John D. Urie from many of these same people named in the above judgments. What does all this mean? Does Mr. Gardner know about all this? We await his reply with interest.

No. 16—ch. f., 3 years old, by Nidian, 36413. This filly is partly broken, she will look good to anyone, kind and gentle.

No. 17—ch f., 2 years old, by Nidian, 36413; dam No. 3. This should make a fine mare, as she is out of a good bred mare and as nice a mare as you would wish to own.

No. 18—ch. c., registered, 1 year old, by Nidian, 36413; dam Easter Addie, by Nutwood Prince, the sire of the dam of R. T. C., as great a horse as the world ever produced. This is a good gaited colt and an own brother to a trotter.

No. 19—Baron Rector, 24594. 3 years old, by Baron Posey, 11725, dam Dolly, by Director, by Dictator, 19892, dam Dolly Smith, dam of 8 by Membrino Chief, Jr. Anyone wanting a good young stud will make no mistake in buying this one as he is bred right and made right. Has been ½ mile in 20 seconds as a yearling.

No. 21—Davis, bay g, by Nidian 36413, dam a good-bred mare. This is an awfully nice-styled colt; will make a horse for anything, as I have educated him that way.

—OF—
Overcoats & Raincoats
Entire stock of Mr. Denny Hoffecker.

Of course it's too hot now to ever think of next winter's overcoat, but we are cramped for space in our store, and these overcoats and raincoats must go at nearly

1/2

the original price, so as to make room for our regular lock of Fall and Winter goods which arrives about Sept. 15th. This firm bought all Mr. Hoffecker's overcoats at a very low figure, and we are in a position to sell them correspondingly low in order to move them.

Every shade, style, size and price.

We cannot mix these coats with our regular garments. They must be sold in 30 days. Get your next winter's coat and save about half your money. They will be on display in our store for just one month. Seldom we can buy so cheap, and seldom you can ever find such bargains.

All sales must be accompanied by cash. Don't wait until cold weather. Save money NOW while the assortment is large.

The famous "Pelham" coats are included. Nothing reserved. See these values and you will not hesitate.
