DEMOCRATIC TICKET.

FOR PRESIDENT:
WOODROW WILSON,
of New Jersey.

FOR VICE-PRESIDENT:
THOMAS R. MARSALL,
of Indiana.

FOR REPRESENTATIVE IN THE SIXTY-FIRST CONGRESS FROM THE FIRST CONGRESSIONAL DISTRICT:
JAMES HARRY COVINGTON,
of Talbot County.

FOR CHIEF JUDGE OF THE SECOND JUDICIAL CIRCUIT:
ALBERT CONSTABLE,
of Cecil County.

WILL YOU CONTRIBUTE?

If any one in Chestertown desires to contribute one dollar to the campaign fund for Governor Woodrow Wilson, we shall take pleasure in receiving such subscriptions giving due credit therefore and forwarding the same to the treasurer of the National Committee. It would be a splendid idea to inaugurate such a campaign in Kent county, and the TRANSCRIPT takes the lead in this matter and will be glad to receive the subscriptions and forward them. Are there 100 men in Kent county who will give $1 apiece?

THE Reactionary forces, formerly called the Organization forces, have been greatly weakened throughout the county by the loss of the Registrars of Voters, Judges and Clerks of Election. The Antis have been still further strengthened by these additional county officials.

THE Republican State Convention will be re-assembled next week most likely, for the purpose of giving the Taft leaders in the State the final opportunity to kick the Bull Moose candidates for election off the ticket, in view of the fact that they do not seem to be in a hurry to get off any other way.

GOV. WILSON'S campaign in this State will be conducted under the direction of the State Central Committees of the several counties and Baltimore city, regardless of who is named on the Advisory Committee appointed by Chairman Murray Vandiver and Congressman Talbott.

ARCHBOLD, Penrose, Roosevelt, Perkins, Flinn, Taft, Hitchcock, Cortelyou and J. Pierpont Morgan have played havoc with the Republican party, and the people are going to take over the discredited party and put Woodrow Wilson in the White House in order to put the government on a safe and sane basis.

THE Bull Moose party of the First Congressional District of Maryland, which is composed of the nine Eastern Shore counties, will meet in Easton next Thursday, September 5th, to nominate a candidate for Congress to oppose Congressman J. Harry Covington. The name of Sidney P. Townshend, Esq., of Kent, has been mentioned among the available candidates.

JUDGE ELLIOTT'S sentence upon those Baltimore election officials seems to have terrified the rest of the officials who were indicted by the grand jury, and they are "shaking in their boots" because of future prospects. If the judge's sentence will have the effect of producing "straight business" in elections throughout the entire State, it will be a most excellent thing for the purity of the Maryland ballot, and a surety that it will be counted as cast.

THE State Central Committee and a number of State leaders met at the Rennert Hotel, in Baltimore, on Thursday at noon and selected an Advisory Committee to help conduct the campaign for Governor Wilson. The members of that committee from Kent are Hope H. Barroll, of Chestertown; James D. Wood, of the Fifth District, and Lewin W. Wickes, of Chestertown. The indications are that the chairman of the Advisory Committtte will be either Emerson Crothers, of Cecil county, or Joshua W. Miles, of Somerset.

IT costs **$16.10** per year to educate each scholar in Talbot county schools. There were **4048** scholars on roll in Talbot last year, housed in 66 school houses, taught by 119 teachers. The average salary paid to teachers in Talbot is $328.99. The annual levy for schools in Talbot is $26,000. In Kent it costs **$22.17** per year to educate each scholar. There were **3428** pupils on roll last year, housed in 71 school buildings taught by 114 teachers. The average salary paid to each teacher in Kent is $412.69, and the annual levy for schools in Kent is $35,000. A similar comparison with other counties of the Eastern Shore will show that Kent is in the lead in paying its teachers good salaries and in appropriating money to run its schools.

IT makes little difference whether Archbold and Penrose told the truth in their testimony before the Senate Committee regarding the campaign contributions of the big corporations, or whether the charge of Mr. Roosevelt that they lied, is correct. The fact remains that the Republican party is the creature of the trusts and that it owes its continuance in political power for so many years to the patronage of the trusts upon which the party has thrived and which have been able to pile up their millions through the favors of the Republican party, all to the financial and social detriment of the great mass of the people. The Republican party must go, the people's patience is exhausted and they are determined to come into possession of their rights and privileges.

Card of Appreciation.

MESSRS. EDITORS: Please be kind enough to allow the Patriotic Order Sons of America, Camp No. 34, of Chestertown, the use of your paper to express its heartfelt appreciation for the unstinted aid you rendered us in our preparation for the meeting of the State Convention held in our town August 14th and 15th. Also, that we may use this opportunity to thank the entire community, as well, too, many of the country folks, for the splendid patriotic interest manifested, thus insuring our efforts for a delightful entertainment of the State body. The principles we are endeavoring to inculcate in this community and throughout this State, take a deep and an abiding hold upon us. The question of "public schools," its freedom from church and State, and from every possible bossism has the unqualified stamp of our approval.

J. FRANK WHEATLEY, Rec. Sec.

TAXED, TAXED, TAXED AND THEN TAXED AND TAXED.

How the public bears the burden of the tariff was vividly illustrated in a statement last week by House Majority Leader Underwood, reciting the record of the present Congress. Here is how Mr. Underwood described the actual burden upon the public:

"Under the present oppressive tariff law the laboring man returns at night from his toil clad in a woolon suit taxed 75 per cent., shoes taxed 12 per cent., stockings and underwear taxed 71 per cent., a cotton shirt taxed 50 per cent. and a wool hat and woolen gloves taxed 78 per cent.

"He carried a dinner pail taxed 45 per cent. and greets his wife as she looks through a window pane taxed 62 per cent., with a curtain taxed 43 per cent.

"After scraping his shoes on an iron scraper taxed 75 per cent., he wipes them on a mat taxed 50 per cent.

"He lifts the door latch taxed 45 per cent., steps on a carpet taxed 62 per cent. and kisses his wife clad in a woolen dress taxed 75 per cent.

"She is mending an umbrella taxed 50 per cent. with thread taxed 30 per cent.

"The house is made of brick taxed 25 per cent. and lumber taxed 96 per cent., with paint taxed 32 per cent."

He leaves a widow who was before marriage Miss Jennie Vickers, daughter of the late Harrison W. Vickers, Esq. The funeral and interment were at Los Angeles. Miss Rose Vickers, a sister to Mrs. Robinson, started for Los Angeles last week and will accompany the latter home. Dr. Robinson was a native of Harford county, but went west some years ago and engaged in a successful mining business with his brother-in-law, Mr. George Vickers. After disposing of his mining business he engaged in the practice of his profession and built up a large practice. Several years ago he and his wife purchased "Riverside," one of the handsomest estates on Chester river.

Normal School Will be Built on the York Road.

The long-drawn-out wrangle over the selection of a site for the new State Normal School came to an end Wednesday afternoon when the committee on site decided on the Allen-Nelligan property on the York road, just at the southern limits of Towson.

The tract comprises a number of small parcels of land aggregating 70.66 acres, and the price agreed upon is $83,500, or at the rate of $1185 per acre.

On the property are two fine residences and other buildings which, it is said, can be utilized to advantage in the general scheme of buildings for the new school.

Premium List.—The premium list of the Peninsula Horticultural Society has been issued offering liberal prizes, especially for apples, to be awarded at the annual exhibition to be held in Wilmington, Delaware, January 14-16, 1913. The best collection of apples will receive a prize of $300 in cash; the second best collection $200 in cash, and the third $100 in cash. All of the leading commercial varieties of apples will be shown in boxes and each variety will receive a first prize of $10, a second prize of $5 and a third prize of $2. Prizes of $2, $1 and fifty cents are also given for the same varieties exhibited as plates of five specimens each. Rules have been adopted governing the awarding of prizes. The list may be had by applying to Wesley Webb, Secretary, Dover, Delaware.

No Mail Delivery on Sundays.

The traveling public, newspapers and large business houses are thrust into a serious predicament by a provision of the new Postal Appropriation Bill, which has been passed by Congress and signed by President Taft, providing that all first and second-class offices of the country must be closed on Sunday, and that hereafter only special delivery mail will be delivered on that day, and that no mail be placed in lockboxes. The provision affects every large city in the United States, and has resulted in a serious problem for postmasters. Suspension without pay is the penalty for violations.

Out going mail will not be affected and will be dispatched as heretofore, but between the hours of 12 o'clock Saturday night and 12 o'clock Sunday night, according to the provision, there will positively be no mail delivered either through the general delivery window, carriers' window or by carriers, excepting special delivery matter. When public sentiment in any city has favored the Sunday closing of offices in the past postmasters have been permitted by the Postmaster General to act in its favor, and in some large cities offices have been closed. However, this is the first time that the closing has been made general by Federal regulation.

The List is Growing.
