LOW TARIFF; BIGGER LOAVES.

Felix Hein, Baker, Anticipates Effect of Wilson's Election.

"The election of Governor Wilson will mean larger loaves of bread for the same money," said Felix Hein, 1935 East Chase street, Baltimore, a well-known baker.

"This will be brought about by a rigid reduction in the tariff on foodstuffs," continued Mr. Hein. "I remember when flour was $3.50 a barrel, and now it is $6.00. Lard at wholesale was 6 cents a pound; now it is 10 cents. These high prices have forced the bakers to cut down the size of the loaf.

"In the years of cheaper prices loaves of bread weighed 18 ounces. Now they weigh between 12 and 14 ounces. Bread is the staff of life, and I believe that Governor Wilson will back legislation which will make it as cheap as possible.

"While I know this part of the present high cost of living better than any other, I also believe that Governor Wilson will work to reduce greatly the cost of all necessaries of life."

CHURCH WORK.

Preaching services at the Presbyterian churches as follows: Westminster at 10.30 A. M., Grace at 3 P. M., Worton at 7.45 P. M.. Sunday school every Sunday morning at 10 A. M. at Worton.

Rev. Dr. W. R. Graham, pastor of Christ M. P. Church, organized a Young Men's Club in the lecture room of the church on Monday evening. A constitution and set of by-laws setting forth the commendable object of the organization were read and adopted, and the minimum age limit for membership was fixed at 16 years. Mr. W. Robert Huey was made temporary chairman and Mr. C. C. Jones temporary secretary. The object of the organization is to identify the young men of the church more intimately with the church and to furnish them a means of profitable and enjoyable intercourse during the winter. Twenty young men joined the club as charter members and the membership will be increased to fifty by the time the club is thoroughly organized. The meeting adjourned to meet next Monday evening at 7.30 o'clock.

For the first time in four years a collection was raised in the Chestertown M. E. Church last Sunday morning. Dr. Barrett asked for $100 to make contemplated improvements to the auditorium, and he got his money in quick order. This is right. Too many of the ancient and honored methods of Methodism are being discarded. The people should be educated to contributing more largely to the church than we do, and one man's generosity manifested in a public collection every now and then, may be an incentive to a man sitting in the same pew with him to open his purse a little wider and put more than a penny or a nickel on the collection plate as it passes by.

Tomorrow (Sunday) the 22nd will be a big day at Mowbray M. E. Church, at the Cliffs. There will be a Harvest Home in the evening beginning at 7 o'clock sharp. The church will be decorated with fruits and vegetables of the season. The new lights will also be used. This is now one of the best lighted churches in the county. The program follows: Epworth League 7 P. M. sharp. During this first service there will be three short addresses by E. J. O'Meara for Epworth League; W. R. Startt for Sunday school; Robert Goodman for Official Board. 7.30 preaching service; hymn, How Firm a Foundation; prayer by Rev. A. H. Covey; singing by choir; recitation, Elsie Townsend; singing by the choir; recitation, Mabel Kirby; solo and chorus, Mabel Townsend; short address by pastor; singing, hymn, All Hail the Power of Jesus Name. Sermon by Rev. Milton McCann, of Stockton, Md., (a former pastor); singing by choir; benediction, Rev. A. H. Covey. This is one of the best programs yet offered at this church and it will be well worth attending. Arrangements have been made to seat a large crowd. Services start promptly at 7 o'clock. Everybody welcome.

Bond M. E. Church—Rev. W. M. McCann, pastor. Sunday school 9.45 A. M. Preaching at 11 A. M. Everybody welcome.

The Rev. H. W. Robinson, rector of Shrewsbury has accepted an appointment from the Bishop of Georgia to Grace Church, Sandersville and adjacent missions and will leave for his new field of labor the end of October.

Chestertown M. E. Church, Rev. L. E. Barrett, D. D., pastor. Services next Sunday, Sept. 22nd, as follows: 10.30 A. M., preaching by the pastor, subject: "How the Chains were Broken;" 2.15 P. M. Sabbath school and pastor's Bible class; 7 P. M., Epworth League Song Service followed by short sermon by the pastor, subject: "Drifting;" 3rd in series of sermons on "Seaside Reflections." Come, you are welcome.

Rev. W. W. White will conduct religious services on to-morrow, September 22, as follows: Sassafras, Sunday school 9.30 A. M.; Preaching 10.30 A. M. Golts, Sunday school 2 P. M.; Preaching 7.30 P. M. At the last named place revival services will begin.

Preaching services in the Presbyterian Churches by Rev. Joel Gillifellow as following: Westminister at 10.30 A. M., Grace at 3 P. M.; Worton at 7.30 P. M. Sunday school every Sunday morning at Worton at 10 A. M.

Christ Methodist Protestant Church, Rev. W. R. Graham, D. D., pastor. Services on Sunday and preaching by the pastor at 10.30 A. M., Subject: "Life's Beacon". Subject at 7.30 P. M.: Cues to Character." Sabbath school 2.30 P. M.; mid-week service Thursday evening 7.30 o'clock. Christian Endeavor service Friday evening at 7.30 o'clock.

An I H C Manure Spreader Is an Investment—Not an Expense

A MACHINE that makes two dollars where one was made before is not an expense—it is a good investment.

Careful tests made at the Ohio Experiment Station showed an average increased crop yield of $15 an acre when eight loads of manure were properly spread. Spreading with a fork, it would take at least sixteen loads to an acre to produce the same result. By fertilizing twice as much ground with the same quantity of manure and doing the work better, an I H C manure spreader soon pays for itself. Add to this saving an increase of $15 an acre in the value of your crops, and you at once see why we urge the purchase of an

I H C Manure Spreader

Kemp 20th Century, Corn King, or Cloverleaf

Ask the I H C local dealer to show you the self-aligning, removable boxes on the main axle; notice that the axles are roller bearing to reduce the draft; study the apron construction, and note the large rollers on which it runs. I H C spreaders can be used in any corner of the barnyard. There is no reach to interfere. The seat folds out of the way when filling the spreader.

If you appreciate machines of extra merit; machines that spread manure in ample range of quantities; machines which can be equipped with drilling attachments for use in market gardens, and above all, machines which are made in sizes convenient for every farm, investigate I H C spreaders. Go to the local I H C dealer and look carefully over the machines he shows you. Get catalogues and full information from him, or, write
