Wall Papers and Paints.

Wall Paper

Our stock of new Wall Papers is nearly all in—over 9000 rolls. We purchased at a lower price and will sell at a lower price than ever before. The cash discounts on this bill is enough profit for us. We can sell these papers at the same price our competitors pay for what they buy. The starting price is

2½c Per Single Roll up to 10c Per Roll,

but come and see these papers and prices will surprise you. We'll sell paper. We sell you the paper outright or send you a competent man to hang it. No charge for our team.

Paint

Big Reduction in the price of B. P. S. Paint.

The Patterson Sargent Co. are using what they call their Universal Label on all their different products. So to keep in touch with this move, we have decided to sell all gallon cans bearing old labels at cost

$1.75 Per Gallon.

Also Hirschberg Hollander & Co.'s Stag Semi-Paste Paint; 1 gallon makes 2 gallons at $1.75. This reduction comes in season, don't wait as these prices won't last. Back they go when this lot is gone.

The Muskrat Industry.

It is not generally known that the muskrat is the most important fur-bearing animal of North America. In one year alone (1910) 5,500,000 muskrat skins were put upon the market, realizing to the trappers a sum approximately $1,700,000.

A large percentage of the muskrat catch is furnished by the tide-water region of Maryland, Delaware, and New Jersey. In Dorchester county, Maryland, the marshes are usually leased to the trapper for half the value of the catch. In that county some 250,000 skins are taken annually.

Not only the fur of the muskrat is used, but the meat also, which finds a local consumption and is shipped to Baltimore, Wilmington, and other cities. It is surprising to learn that the financial return exceeds that of the large oyster industry of the same region. The fur of the black muskrat commands the highest price and in Dorchester county some of the marshes yield fully one-half of this variety.—Harpers Weekly.

Question Cleared Up

Transcript Readers Can No Longer Doubt the Evidence.

Again and again we have read of strangers in different towns who have been cured by this or that medicine. But Chestertown pertinent question has always been "Has anyone here in Chestertown been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can so easily prove.

Hyland Crew, High St., Chestertown, Md., says: "I had pains in my back and head and my kidneys were disordered, causing me no end of trouble. I finally obtained Doan's Kidney Pills at Toulson's Drug Store and they made me feel a great deal better in every way. I do not believe there is a better kidney medicine than Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
