## PROF. SMYTH'S OVERSIGHT.

We desire to call Prof. Smyth's attention to an oversight in the statement he made last Saturday in reference to the school finances. We are quite sure that the oversight was not intentional on Prof. Smyth's part, and we believe he will make public acknowledgement of the error, now that it has been called to his attention. It will be noticed that the total disbursements for 1912 given by Prof. Smyth were $63,260.80, exactly the same given by Prof. Melvin in his statement. But Prof. Smyth's total receipts are given at only $59,778.69, while Prof. Melvin's statement gives the total receipts at **$65,088.18**. The difference between Prof. Melvin's total receipts and those of Prof. Smyth arises from the fact that Prof. Smyth failed to take into account the balance of **$5,309.45** which was on hand in bank from 1911. This balance of $5,309.45 in cash in bank is just as much a part of the receipts for 1912 as is the $35,000 which the Board of County Commissioners appropriates annually for schools, and should be so considered. If Prof. Smyth will add this balance of $5,309.45 to his total receipts he will show exactly the same statement that Prof. Melvin published, and instead of there being a deficiency for 1912 of $3,482.11, as Prof. Smyth claims, there will be a balance of $1,827.38 in his statement, the same as is shown by Prof. Melvin.

The same may be said of Prof. Smyth's reference to the year 1911. He has failed to take account of existing balances for each year. The Board of County Commissioners has made no extra appropriation for schools since it raised the appropriation to $35,000 annually, except two years ago, when after striking the annual levy, the discovery was made that there was $4,000 additional due the schools, and the commissioners were compelled to levy an additional certificate for this amount. Prof. Melvin makes the statement that the School Board has closed every year free from debt, and while he states that in some years the disbursements have exceeded the receipts, the balances on hand at the beginning of each year have been more than sufficient to cover any deficiency. We believe if Prof. Smyth will make this correction it will put at rest all further discussion of the school finances, and convince the people that the schools can be kept open the entire school year, meet all their obligations and have a comfortable balance on hand at the close of the school year in 1913.

## Chautauqua Assured.

It is a sure thing that the Chautauqua will return to Chestertown next season. A meeting of the committee and a number of citizens met in Stam's Hall on Wednesday afternoon with Dr. Downey and a committee was appointed to secure the names of thirty of our representative business men who would guarantee the necessary amount of season ticket at $2 per ticket to insure the return of the Chautauqua next year. Thirty-two signatures were quickly gotten and are as follows:

W. P. Newnam, Fred G. Usilton, L. Bates Russell, George R. Rouse, Thomas D. Bowers, M. A. Toulson, Wm. F. Russell, Thos. W. Perkins, A. L. Sparks, J. S. Kreeger, John D. Urie, Wm. B. Copper, H. W. Vickers, Jr., W. W. Hubbard, Chas. E. Kirby, Ellen F. Perkins, H. F. Jefferson & Bro., H. Benge Simmons, H. B. Rote, James G. Beck, M. W. Thomas, C. C. Jones, W. Irving Walker, Allan A. Harris, H. G. Simpers, A. Parke Rasin, H. C. Hughes, Thomas W. Eliason, Sr., Wm. W. Beck, Jefferson L. Smyth, Lewin W. Wickes, Wm. M. Slay.

Mrs. J. Lane Finley has very kindly consented to act as chairman of an auxiliary committee of 30 ladies in the town and county, who will canvass the town and county for the sale of tickets. About 400 season tickets have already been pledged and the ladies have not yet commenced their work. The Chautauqua season next year will comprise seven instead of six days and Dr. Downey assures us that the programme will be better than for last year. Let everybody get interested in this great moral good to our community and secure your tickets while they last.

## A Distressing Accident.

The twenty-months old daughter of Mr. and Mrs. Herman Bramble, of near Fairlee, was seriously injured by being kicked in the face by a horse last Sunday morning. Mr. and Mrs. Bramble with their little girl, in a carriage, were driving to church. On the cross road between the Fairlee and Lankford roads, the approach of an automobile caused Mr. Bramble to turn his team around hoping thus to avoid any trouble with his horse which was known to be fractious and fearful of automobiles. The spirited animal, however, scented the approaching car and began to run and kick. One stroke of the horse's hoofs struck the little girl squarely in the face causing a fearful wound.

The driver of the automobile, Mr. Prettyman, stopped his car and hurried to the assistance of Mr. and Mrs. Bramble and placing them in his car drove with all speed to the office of Dr. H. Benge Simmons, Chestertown, who gave immediate and skillful attention to the injured child. Because of the character of the wound Dr. Simmons thought it advisable that the little girl be sent to an eye surgeon or specialist, and under his advise and instructions she was taken to a Philadelphia hospital on the afternoon train.
