EDITORS.

MR. CHARLES W. BOGGS, editor and manager of the Democrat and Leader, of Davenport, Iowa, in a conversation in our office on Monday, stated that from information which he receives from various parts of Iowa daily, Gov. Wilson will undoubtedly carry that State. Mr. Boggs' paper is the leading Democratic daily in eastern Iowa, and wields a potent influence in the political affairs of that western State.

MR. JOHN T. WELCH, advance agent of Nebraska Bill's Wild West Show, a man who travels all over the country, was in our office on business on Thurs day of last week and stated that from the information he receives from all parts of the country, Gov. Wilson will undoubtedly be elected. He says the people everywhere are for Wilson, and he believes the Governor will carry New York and all the doubtful States.

SENATOR T. COLEMAN DU PONT, of Delaware, has become disgusted with the people of Delaware in their action concerning his offer of a $2,000,000 boulevard for that State, and made the statement this week that if Delaware does not want the road he will offer it to the people of Maryland. All right, Senator, hand over your money, and we will begin the road at Rock Hall, bring it to Chestertown and thence to Tolchester, and will build a fine concrete bridge over Chester river, and you will receive the thanks of a community that is sorely in need of better transportation facilities than they have to-day.

LET EVERY DEMOCRAT in Kent county interest himself in the registration next Tuesday and on October 8th, and get every Democrat transferred who should be transferred, and every young Democrat on the books who will become of age before the day of election. This is the all-important work for Democrats during this campaign. Bear it in mind, fellow-Democrats, and get your transfers and get on the books in order that you may cast your vote for Governor Wilson and all other Democrats on the ticket, including J. Harry Covington for Congress, Albert Constable for Chief Judge of the Circuit Court, *and for the eight Presidential Electors.*

THE mass meeting held in Fireman's Hall on Tuesday evening under the auspices of the Fourth District Woodrow Wilson Club was addressed by John F. Malloy, Esq., and Armon D. Chaytor, Jr., Esq., both of Wilmington, Del., each of whom made a good address, and were well-received by a fair audience. Unfortunately the weather was very inclement, otherwise there would have been a larger attendance. Each of the speakers discussed the issues of the campaign in a forceful manner, and urged the election of the entire Democratic ticket as the surest way to secure the reforms desired in our government. The Chestertown band led by Mr. Arthur Bacon furnished excellent music.

MR. CHARLES L. DODD.

The article published in the Kent News last Saturday over the signature of Charles L. Dodd was such a slanderous and offensively abusive thing, that we do not deem an extended reply at all necessary. The people of this town and county know Mr. Dodd's business and political record as well as we do, and it is needless to go into details. In his great desire for notoriety and prominence as a political leader and perpetual office hunter, Mr. Dodd has overstepped the bounds of all propriety and decency in the use of language, and we blush for the motive which prompted the tirade. His article is as disgusting as it is devoid of truth and reliability, and is unworthy of any further notice or comment.

THE ROAD ENGINEER'S REPORT.

The reference in C. L. Dodd's article published in last week's Kent News, calls to mind the fact that the road account for the past year has not yet been published. This is no fault of the TRANSCRIPT, nor is it the fault of anyone. The commissioners can order the report published whenever they desire, and we presume they will do so at their convenience. We desire to say in this connection that the charge by Mr. Dodd that we attempted to secure compensation for publishing the road account last year is untrue. We not only did not make any charge for publishing the report, but we frustrated an attempt to secure pay for its publication. We await the pleasure of the Board of Commissioners in the publication of the road account for last year.

THE TRANSCRIPT was the first paper in Kent county to editorially denounce the rack track gambling at Havre de Grace. We extend congratulations to the Baltimore Sun for the splendid efforts it is making to break up that demoralizing business, and we are delighted that public opinion has asserted itself to the extent of demanding its expulsion. It is unfortunate, indeed, that those high in the councils of the Republican party should seek to make political capital out of the creation of this racing commission, but the Sun's exposure has put the shoe on the other foot, and Governor Goldsborough, Boss Hanna, Stevenson A. Williams and others are getting their share of the censure. It is a most serious reflection upon the fair State of Maryland that such business should be permitted within her borders, and we heartily sanction any effort that is made to prevent its conduct in Maryland.

Attention, Voters.

An important communication from Chairman Murray Vandiver in reference to registration says:

I call your attention to the fact that, as there is a complete new registration this year in Baltimore city, it will not be necessary for a voter, who has moved from Baltimore city to any of the counties and has resided in the county where he offers to register the time required by law to acquire a residence, to obtain a certificate of transfer from Baltimore city. The registration books used last year in Baltimore city are legally out of existence.

A voter moving from any county to the city, however, will require a transfer. Very truly yours,

MURRAY VANDIVER,
Chairman.

A LESSON FROM NEW JERSEY.

The overwhelming defeat of James Smith, Jr., the Aldrich tariff Democrat, who ran for nomination for United States Senator in New Jersey "on his past record" against Congressman Hughes, a progressive candidate supported by the friends of Governor Woodrow Wilson, on Tuesday, teaches the striking lesson that the Democrats of this country will have nothing to do with "standpat" Democrats, and that the days of the machine politician are forever numbered. Conditions which caused the defeat of Senator Smith in New Jersey on Tuesday, are the result of the record he made while in the United States Senate, and his machine methods of politics which brought the Democratic party into disrepute in New Jersey until its recent redemption by Gov. Wilson and his friends.

The career of James Smith in New Jersey has its parallel in the career of Senator John Walter Smith in Maryland. He has proven by his career in the United States Senate that he is an Aldrich tariff Democrat. He has proven that he belongs to a class of "standpat" Democrats who have brought the national Democratic party into the same disrepute that characterizes the standpat element of the Republican party to-day. He has employed such machine methods of politics in his own State as has kept the party under the leadership of such men as himself and Murray Vandiver, and unless we read the signs of the times incorrectly, the Democratic party in Maryland is ripe for the purging of itself of the control of Senator Smith and Murray Vandiver. The TRANSCRIPT is opposed to Senator Smith's return to the United States Senate because he is not the kind of Democrat the people desire. We shall not only oppose his re-election with all the power and fearlessness that generally characterizes our political efforts, but we call upon every one of our friends in Kent county to use their influence to bring about the election of a man to the Senate who is thoroughly in accord with progressive policies, and who is in accord with the interests of the common people.

Likewise, we are opposed to the re-election of Murray Vandiver as State Treasurer, and also as chairman of the Democratic State Central Committee. He has been at the head of the Democratic Committee in this State long enough to produce a condition similar to that which Jim Smith produced in New Jersey. He is a "standpatter," a member of the "old guard," which has long since served its usefulness to the party. The Democratic party needs men who are in thorough accord with Democratic principles and progressive ideas at its head if it is to succeed in this State, and the longer the old machine remains in control of the Democratic party the less certain will our chances of victory be in the future. There *must* be a new alignment. The spirit of the times and the vital interests of the Democratic party demand it. The TRANSCRIPT will use its best efforts to accomplish the "New Jerseyizing" of Maryland so far as Kent county is concerned.

Scholorships Awarded.

Miss Mildred H. Gillespie, of Millington, was awarded the free scholorship in St. Mary's Seminary by the School Board on Tuesday.

Mr. Hepbron Gill, son of Mr. and Mrs. Charles L. Gill, of Chestertown, was awarded a scholorship in the Maryland Institute, Baltimore.

A Correction.

MESSRS. EDITORS OF THE TRANSCRIPT,
Dear Sirs:—I find in making the statement in last week's paper of the "financial statement" of the "public schools of Kent county" for the year ending July 31, 1912, I stated the RECEIPTS for the DISBURSEMENTS and the DISBURSEMENTS for the RECEIPTS. The statement should have read:

RECEIPTS for year ending July 31, 1912 (without ext. app)..	$59778.69
DISBURSEMENTS for year ending July 31, 1912.....	63260.80
DEFICIENCY for year 1912 ...	$3482.11

Yours very truly,
JEFFERSON L. SMYTH,
Supt. of Schools.

PEOPLE'S COLUMN.

DEAR SIRS:—I picked up the Kent News this morning and read the article signed by Charles L. Dodd. As I laid it down I thought to myself, is it possible that this is the Dodd some people are talking about as a proper person to run for Clerk of the Court next time? If he is really the same individual you gentlemen deserve great credit for being the means of letting the people of this county know what sort of man he is. After reading his tirade of abuse and vulgar language it will make people think of him quite often. I deplore strife and contention, yet sometimes out of evil good will come.

AN OLD TIME DEMOCRAT.

GARBLED THE REPORT.

MESSRS. EDITORS OF THE TRANSCRIPT:—In Mr. Dodd's vicious attack upon me and my friend, he published my report as Treasurer of the Democratic State Central Committee for Kent county, as *he* says, is recorded with the Clerk of the Circuit Court. I desire to state publicly that the report as published by Mr. Dodd is not correct, nor is it like the report I filed with the Clerk of the Court, and I believe Mr. Dodd purposely garbled the report in his statement in order to cast a reflection upon me.

Very truly yours,
JAMES E. MORRIS.

NOTICE TO
All Persons Concerned

Hereafter the County Commissioners will neither recognize nor pay bills presented by any physician for any post mortem examination of bodies of dead persons. Nor will it pay any bills presented by Justices of the Peace for examining bodies of dead persons unless it can be shown that the Coroner is not accessible and unless the Coroner is first notified of any sudden death.

Only the bills of such physicians as the Coroner or Health Officer of the county may designate to make such an examination will be recognized or paid, and no other physician will be entitled to or receive pay for such services.

This action of the Board is taken because a practice has grown up in this county whereby the Coroner and his Physician examine bodies of the dead; and a Justice of the Peace in the county will summons a Physician and he and such physician examine the same body of such dead person; thus double bills are presented to the county for payment. The county will pay no charge of any physician for such service exceeding $5.00.

By order of the Board,
