THE LADIES' STORE. CHESTERTOWN, MD.

A GREAT FALL CAMPAIGN!

Plans are laid for great political activity this fall. We presume that every voter of the country will give expression to his best judgment of the merits of the contending parties.

Also, great preparation has been made at this store for a far-reaching campaign in valuable merchandise, and we fully believe that after a fair inspection of our goods, a comfortable majority of buyers will find it to their advantage to do their fall shopping here.

☞ Everything is Ready for You Now!

TUESDAY, SEPTEMBER 24th,

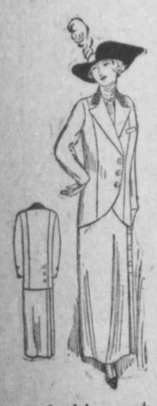

Is the Opening for Showing the Latest Styles and Best Values in

FALL AND WINTER HATS!

We are pleased to state that Miss Holston, the expert trimmer, is with us again this season. Four assistants are in the workroom. Miss Kate Wheatley, with her experience and complete knowledge of the business, will have charge of the department and attend to your wants in the most approved manner.

With such competent help and a large and well-selected line of MILLINERY to show you, we take pleasure in soliciting your trade in this department.

SUITS!

To make provision for our growing trade in Ready-to-wear Goods, we now utilize one-half space of second floor for

Suits and Coats.

Our Suits and Coats are made for us by th reliable firm, "STRAWBRIDGE & CLOTHIER," and shipment of over one hundred Suits is here from which you can make a splendid selection.

☞ Also, we take Special Measurements for Suits and Guarantee a Fit.

We suggest that you come in early before rush season comes.

FALL SHOES HERE!

We feel a just pride when it comes to the matter of Shoes. The praises of the JK Shoes have been sung ever since the line has been represented in our store. Their wearers in this locality are getting acquainted with their merits as to style and quality, and are swelling the chorus in their praise, so that this season we expect to distribute just double the number of fine Shoes as was sold last season. There is no need to go to the city now—for no better Shoe than the J. & K. is to be found.
