GRAND MASS MEETING

—AND—

Democratic Rally

—IN—

FIREMEN'S HALL, CHESTERTOWN,

TUESDAY, OCTOBER 22d,

Afternoon and Evening.

SPEAKERS:

HON. ISAAC LOBE STRAUS,
HON. HENRY D. CLAYTON,
Congressman from Alabama;
HON. J. HARRY COVINGTON,
Candidate for Congress, and one other good man.

GEORGE E. NOLAND,
JAS. E. MORRIS,
CHARLES L. DODD,
State Central Committee for Kent Co.

THE great masses of the people are taking no interest in the fake tariff arguments of the Republican news papers and campaign orators. The people feel the injustice of the protective tariff on *everything* they have to buy, and not a farmer in the land gets the benefit of the protective tariff on *anything* he has to sell. That's the argument that will put Governor Wilson in the White House in March next.

THE Democrats of the county should not forget the mass meeting in Firemen's Hall, Chestertown, next Tuesday afternoon and evening. Congressman Clayton, of Alabama, is a fine orator, and the former Attorney-General Straus and Congressman Covington with another good speaker, will positively be present to address the meetings. Let every Democrat in the county make an effort to be present and hear the issues of the campaign ably discussed.

THE attempted assassination of former President Roosevelt in Milwaukee last Monday evening by a crank was a most dastardly act. It makes no difference how much we may differ with Col. Roosevelt on political issues, the fact remains that he is a man who has the courage of his convictions, and does not hesitate to say what he believes to be right upon all public questions. It seems that a wave of lawlessness has the American republic in its grip, and unless the American-born people rise up in their might to protect their institutions of government, both the lives of individuals and our institutions of government will be imperiled.

WE HAVE talked with a number of traveling salesmen during the past two or three weeks, and the unanimous opinion is that Gov. Wilson will be elected president by an unusual majority. BUT GOV. WILSON WILL NEVER BE ELECTED PRESIDENT UNLESS YOU VOTE FOR THE DEMOCRATIC PRESIDENTIAL ELECTORS FOUND AT THE BOTTOM OF THE TICKET PUBLISHED ON THIS PAGE. There are eight of them, and they will appear on the official ballot WITH 24 OTHER NAMES. It is absolutely necessary for you to learn the names of the 8 Democratic Presidential Electors, in order to vote right. Study them and know them before election day.

IT HAS been intimated during the past week from a most reliable source that John D. Urie is not the author of the artitles that have been appearing in the Kent News from week to week. It is stated that another man, in this community, not a Republican, is the real author of these articles, and that Urie is allowing the use of his name to them. As a substantiation of this statement our informant points to the fact that during the entire week of the Saturday upon which appeared that infamous attack upon Hope H. Barroll, Esq., in the Kent News over the signature of John D. Urie, Urie was out of town the entire week. It is intimated that an Organization Democrat or Organization Democrats is or are writing these infamous articles, and that Urie is allowing them to use his name to cover up their infamous work. If this is true, the public has a right to know it. If it is not true, the public should be told the truth of the matter. Let the people know who the real author or authors of these articles are.

TAFT stands upon the protective tariff platform. He is a standpatter. He promised to revise the tariff downward when he was elected before. He's allowed Aldrich and Payne to do just the reverse of what he promised the people he would do, and President Taft signed the Payne-Aldrich tariff bill which is absolutely against the interests of the masses of the people. Why should he be re-elected? To enable John D. Rockfeller to charge 20 cents a gallon for gasoline, and the great coal barons to charge $8 a ton for coal that isn't worth more than $3.25 a ton. That's the protective tariff. That's the "let well-enough alons" policy. A man who works on a salary or for daily wages is foolish to vote for Taft or Roosevelt. He should vote the Democratic ticket.!

WE have read Mr. John D. Urie's letter in the Kent News of last Saturday in answer to Mr. Hicks letter the week before published in the TRANSCRIPT in which he says: "Judge Wickes on his way to Virginia authorizes a denial of Sam's statement attributed to the Judge." We cannot credit nor do we credit the above statement as coming from the Hon. Judge Joseph A. Wickes, for he voluntarily told us that Mr. Urie would have been indicted by the grand jury some years ago for something he did, but for him. The judge futher stated that he told the grand jury if they would not indict him, he, the judge, would talk to Mr. Urie, which he did and that Mr. Urie turned very pale and thanked him for the kind interest he had taken in his behalf. Certainly most of the gentlemen who comprised the grand jury at that time are still alive and the truth of the matter as to the indictment can be gotten from them.

IT HAS gotten to be so nowadays that if you make a statement of fact which reflects upon the record of public officials or upon their business integrity, *you* are a LIAR, and the fellow who is caught at his dirty work is a much-abused and maligned individual—in his own estimation. And furthermore, to deceive the people and to escape public condemnation, some of them will even forge a statement which may have a tendency to clear his skirts. But murder will out, sooner or later. The people are not being fooled. Neither the sheister lawyer nor the political corruptionist will escape public condemnation. He cannot escape simply by calling his accusers liars, and intimating that he is a saint. The people must know by actual statement of facts that your accusers *are* liars. Some statements of facts have been made recently in the columns of the TRANSCRIPT that are so appalling in their effect upon the political and business integrity of our community that the public were staggered by them, and were loath to credit them. But "truth crushed to earth will rise again," and just as sure as that to-morrow's sun will rise just so sure is the day of reckoning coming to those who are hiding their sins behind such threadbare epithets as "liars," "gangsters," "assassins," etc.

PEOPLE'S COLUMN.

Chestertown, Md., Oct. 14, 1912.

MESSRS. EDITORS OF THE TRANSCRIPT—*Dear Sirs:* I am enclosing you my letter which was published in your paper on October the 5th, and Shyster John's reply which was published in the Shyster John organ, the Kent News, in the issue of Oct. 12th, 1912. You will please publish my letter to your readers so they may know why he has followed with the abusive epistle which I am also enclosing you; please put them in order as they were published, my letter first and SHYSTER JOHN'S to follow:

Chestertown, Md., Oct. 3, 1912.

MESSRS. EDITORS OF THE TRANSCRIPT—*Dear Sirs:* I notice in last week's issue of the URIE ORGAN, the KENT NEWS, one the of most slanderous letters which has ever appeared in the public press of Kent county, barring one printed in the same angelic sheet about one of our now County Commissioners.

I may in the following devulge something that under ordinary circumstances would be locked in a confidence of man to man although this was not in confidence; but there are occasions in life where your fellowman is attacked slanderously by such a man as the one whose name I am now going to give to the reading public of Kent county. The following was told to me in the past spring:

The Hon. ex-Judge Joseph A. Wickes, told me that John D. Urie came very near being disbarred for some of his transactions while he was on the bench and but for his age only, he was saved. He said he called him before him and gave him a severe reprimand. Then Urie, as he called him, thanked him for saving his good name. Is this the man who is allowed the columns of the Kent News? I notice the Enterprise does not publish his foul letters, but the Kent News does. What does it mean? Can you guess?

Respectfully,
SAMUEL HICKS.

ANOTHER LIE NAILED.

MESSRS. EDITORS: Among the many evils attendant on Bossism is the degradation to which the Boss reduces the weak human tools with which he works. Now Sam Hicks, the Clerk to the County Commissioners, formerly followed the honest trade of a blacksmith and, until he devoted himself to politics and the service of the Boss and earned the title of the "Great Discoverer," was looked upon at least as truthful. BUT JUDGE WICKES ON HIS WAY TO VIRGINIA AUTHORIZES A DENIAL OF SAM'S STATEMENT ATTRIBUTED TO THE JUDGE. But it did not require the Judge's denial to refute Sam. Since Judge Wickes left the Bench, I was elected a second time State's Attorney for Kent county after the bitterest political campaign in the history of this generation, by more than double the majority I received the first time, and *never once was any such charge or even insinuation ever made of any such character*, and everyone knows it certainly would have been brought up if there had been any foundation for it. But this poor willing tool of the Boss forgets how History and common sense refute him; and fearful lest he and the gang be driven from the Public Crib on account of their mis-government of the county, rushes to his master's defense. His loyalty might be admired if his judgment was not so pitiable. The next time, Sam, you try "to put one over" for the Boss, pick a dead man to put it on or one whose conscience the Boss controls, so you will not run the risk of contradiction and making yourself ridiculous.

JOHN D. URIE.

SHYSTER JOHN HAS HIS FOOT IN THE TRAP.

Using his own words in his faint and weak reply, "History and common sense" refute him.

The facts as stated in my letter above were told me by Judge Wickes. When he talked with me I do not remember having heard the matter on the street, but a number have come to me since the publication of my letter, and stated that at the time Judge Wickes referred to it it was common talk. I am sorry to have to bring in such a discussion the name of a man I have the respect for that I have for Hon. Jos. A. Wickes.

I say without *fear or favor* he told me what I stated in the above letter, and he is a man of too high a type to write a letter saying he did not tell me what I have said.

Others have come to me and told me Judge Wickes told them the same, I say he told me; even one man who is out of the county has sent me word the Judge told him about it.

I would say in the future we call him, Urie, Uriah Heap, but he will never be able to burn the barriers away when he is done.

Come on, Shyster JOHN, and tell one truth. What was the amount? BE GOOD FOR ONCE. You don't have to tell me, BUT TELL THE PUBLIC. I know and so does the Judge.

I do not believe that Judge Wickes authorized Urie to make a denial, nor does the public believe it, and never will until Judge Wickes makes a denial over his signature.

P. S.—While I was sitting at the window writing this a representative citizen came along and the conversation was as follows: Mr. M., what do you think of Urie's letter, in the Kent News? His remark was as follows: I would not believe Urie on his oath, and I do not believe there are but few in the county that would.

Mr. M., I am writing a reply to his letter, suppose I quote you as saying that. His reply was, I prefer you not to do that, but it is the general opinion. If you wish to find out who this party is, John, you can find out from me. RATS to URIAH'S VIRGINIA LIE.

Respectfully yours,
SAMUEL HICKS.
