JOHN C. DAVIS, PRES.;
WALTER S. TREW,
SAMUEL G. CALDWELL,
Supervisors of Elections for Kent county.

W. W. BALDWIN, Clerk.

Concealed Weapons on Election Day.

The following Act of the General Assembly of Maryland, passed at the January session of 1874, and approved April 6, 1874, is published for the information of the public:

AN ACT.

To prevent carrying of guns, pistols, dirks, dirk-knives, razors, billies or bludgeons by any person in Kent, Queen Annes and Montgomery counties on the day of election in said counties.

SEC. 1. Be it enacted by the General Assembly of Maryland, That from and after the passage of this Act it shall not be lawful for any person in Kent, Queen Annes and Montgomery counties to carry on the day of election, secretly or otherwise any gun, pistol, dirk, dirk-knife, razor, billy or bludgeon, and any person violating the provisions of this act shall be deemed guilty of a misdemeanor, and on conviction thereof before any Justice of the Peace, in either of said counties, shall be fined not less than five nor more than twenty dollars, and on refusal to pay said fine shall be committed by said Justice of the Peace to the jail of the county until the same is paid.

SEC. 2. And be it enacted, That the fines collected under this Act shall be paid by the officers collecting the same to the School Commissioners of the county where offense shall have been committed for school purposes.

SEC. 3. And be it enacted, That any constable of either of said counties or the sheriff thereof, who shall refuse to arrest any person violating any provision of this Act, upon information of such offense, shall be deemed guilty of a misdemeanor, and upon conviction thereof before the Circuit Court of the county shall be fined not less than twenty nor more than fifty dollars, and forthwith be discharged from office.

WM. H. McKEE, Sheriff.

THE HOT WEATHER

IS UPON US,

and all health authorities tell you the best thing to do is to keep cool, do not over eat, and take things easy.

We are in the position of helping you carry out the suggestion of the Department of Health, for our every effort at the fountain is to keep you cool. We make it so pleasant that you cannot possibly fret, and our ICE COLD SODA is just the thing to quench that thirst and satisfy your appetite, and still do you a world of good.

YOURS TRULY,

M. A. TOULSON,

CHESTERTOWN, MD.

CARE OF TIRES IN WINTER

Observance of a Few Hints Will Save Autoists Waste.

Within the next four weeks thousands of motorists in all parts of the country will be laying up their cars for the winter. Hundreds of these cars are equipped with good tires, which if properly taken care of during the cold months will be in serviceable condition next spring.

The percentage of tire waste during a winter's inactivity is very large, due in a majority of instances to the fact that owners do not know how to store their tires to protect them against the ravages of cold weather.

In laying up a car the tires should be removed from the rims and washed thoroughly with soap and water. They should then be carefully wrapped in strips of paper or cloth and stored in a dark place, which is kept as nearly as possible at a tempature of 50 degrees.

If the tires are to remain on the wheels for a considerable length of time while the car is out of service the wheels should be jacked up and only about five pounds of air left in each tire. This keeps the tubes in shape and also preserves their softness and pliability. When the wheels are not jacked up and the car is allowed to stand for any length of time the tires should be kept well inflated and the car moved occasionally, so that the tires do not flatten from standing too long on one spot.

BIG WEEK FOR FARMER.

Horticulturists and Business Men Also to Take a Hand.

Special effort has been made by the several committees of the Maryland State Horticultural Society and affiliated agricultural associations to make the Maryland Week Exposition at the Fifth Regiment Armory, Baltimore, November 19 to 23, an even greater triumph than last year. The committee expects to announce the entire program in a few days.

The occasion is the annual meeting and exhibition of the Maryland State Horticultural Society, the Maryland Crop Improvement Association, the Maryland State Dairymen's Association, the Maryland State Bee Keepers' Association, the Maryland Cereal and Forage Crop Breeders' Association and the Farmers' League of Maryland.

Tuesday will be opening night and there will be addresses by Mayor Preston, Governor Goldsborough and Henry M. McCullough, of Elkton.

On Wednesday night an illustrated lecture on "Beautifying Home Grounds and the International Show at London" will be given by Mr. Richard Vincent, president of the Society of American Florists and Ornamental Horticulturists.

Mr. W. W. Finley, president of the Southern Railway, will make an address on Friday afternoon.

Baltimore Chamber of Commerce.

It appears to be a settled fact that excessive moisture in corn at time of husking is accountable for the acidity in corn, and that when same occurs above a certain standard, it will develop poisonous qualities detrimental to man and beast.

Considerable attention is now given this question on account of the dreaded pellagra disease which is believed by some to come from products made from damaged corn.

The facts show the necessity of securing seed corn that is acclimated to the section where planted, so that it will mature before frost strikes it, and by natural drying thus minimize the possibility of the moisture freezing before shipment and then thawing and getting out of condition in transit or in a warmer temperature.

As this question of acidity can only be followed by chemical analysis and reports from the U. S. Department of Agriculture are so delayed, even when requested, it is well to remember that with the appropriation from the State for the School of Technology of Johns Hopkins University that institution should be called upon when necessary to help the agricultural interests of the State in this line of chemical research and investigation.

Country shippers should recognize that it is not desirable to pay freight on water and that buyers when purchasing corn *expect to receive corn and not water.*

There will be one day set apart during "Maryland Week" in Baltimore for the discussion of crop improvement, and several well-known experts will be present to make addresses.

New Pension Ruling.

In accordance with a recent ruling of the Pension Office, the pensioners in this town and vicinity have received notice to the effect that they will no longer be compelled to go to a notary public to get their vouchers filled out before they can draw their quarterly pay from the government. The checks due each pensioner will be sent out every quarter from the Pension Office direct to the pensioner without the filling out of the usual voucher, the only thing required of the pensioners being: When he receives his check, he must exhibit his pension certificate to two persons, who must attach their names to the check as witnesses, and at the same time certify to the exhibition of the pension certificate at the time attesting the signature of the pensioner. This ruling will affect the Notaries Public throughout the country, drawing pensions, and also be a great saving of labor in the Pension Office.

CASTORIA

For Infants and Children.

The Kind You Have Always Bought

Bears the Signature of Chas. H. Fletcher

NEED NOT MARK FOR ELECTORS.

The following instruction has been sent out by the Supervisors of Elections to the Judges of Election:

The judges are notified that a X in the box opposite the names of the Presidential and Vice-Presidential candidates—Woodrow Wilson and Thomas R. Marshall—carries with it all of the electors, so that only one cross mark is necessary to vote for President. In other words, according to this instruction you will have to make only three X on the ballot in order to vote the Democratic ticket.

Basket Ball to be Introduced at Washington College.

At a meeting of the Athletic Association of Washington College, held recenfly it was decided to introduce the sport of basket ball. C. McClellan Stauffer was elected manager and Jos. R. Branham, 1st assistant manager. Paul J. Wilkinson was appointed captain of this year's team. Mr. Wilkinson has had ample experience in this line of sport, he having played on some of Baltimore city's fastest quintets, previously to his coming to Washington College. He was a star player in the games played last year at the college.

Heretofore only class games have been played at Washington, but with the completion of the new gymnasium now under construction, basket ball will be ushered in as a new sport, and contests will be had with the leading colleges and universities. Great enthusiasm was exhibited at the class games last season, and it is to be hoped that this sport will arouse even greater enthusiasm this season.

Manager Stauffer is endeavoring to arrange games with some of the strongest teams around, namely—Md. Agriculture College, University of Maryland, Catholic University, Georgetown, Baltimore Medical College, Maryland Medical College, University of Pennsylvania, Delaware College, Gallaudet, Swarthmore, St. John's College and Central Y. M. C. A. of Baltimore.

Pfitsch, a Baltimore Young Men's Christian Association player, together with Wilkinson, Branham, Garrett, Biddle, Long, Larmore, Brown, Lewis, Pearson, Healy and Boswell will probably be the leading candidates for the 'Varsity.

It is the intention of manager Stauffer to have the season open immediately after the football season closes. The first game will probably be played on December 5th, with the Baltimore Medical College. Coach Porter will get the men together soon, and class games and practices will be held in the old gymnasium, to enable the Varsity five to get in shape for the hard schedule that is anticipated.

Worton Matinee.

The following summary of the race matinee held on Worton track on Saturday, October 12th, reached us too late last week for publication. The races were hotly contested and were interesting throughout. There were four races as follows:

CLASS A—COLT RACE.

Lottie B., b.m., Geo. E. Sutton, Worton	2	1	1
Evelyn, b.m., Wm. C. Stevens, Millington	1	3	5
Etta Hal, bk.f., Jos. M. Rising, Chestertown	4	2	2
Marvel Girl, b.m., J. Howard Bowers, Worton R. D	3	4	4
Twinkle March, g.g., W. Holt Woodall, Galena	5	5	3

Time—2.35, 2.40, 2.41.

CLASS B—FACE.

Kitty Knight, b.m., E. J. Stauffer, Worton	1	1	1
Jack Frost, b.g., Chas. Smith, Rock Hall	2	dr.	
Nannie B., b.m., Robert Shallcross, Rock Hall	3	2	2

Time—2.45, 2.45, 2.41.

CLASS C—FACE.

Lady Thompson, s.m., Geo. E. Sutton, Worton	1	2	1
Happy J., bk.g., E. Smith, Millington	2	1	2
Susie F., b.m., J. E. Ferguson, Chestertown	3	3	dr

Time—2.30, 2.29, 2.24.

CLASS D—TROT.

Nellie Moko, b.m., J. T. Moffett, Worton R. D	2	1	
Mose, b.g., Raymond Bonwell, Locust Grove	1	1	

Time—2.32, 2.35.

Endorsed At Home.

Such Proof as This Should Convince Any Chestertown Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Chestertown adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Harry Hodgkin, merchant, Mill St., Chestertown, Md., says: "I had various symptoms of kinney trouble. There were pains through my loins and the kidney secretions were irregular in passage. My supply of Doan's Kidney Pills was obtained at Toulson's Drug Store and this remedy made me feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
