Ladies' Apparel Shop

230 N. HOWARD STREET, BALTIMORE,
EISENBRANDT BUILDING, TAKE ELEVATOR.

WHAT A YOUNG WOMAN LIKES

—Something just a little bit different from what everyone is wearing, and the smartly dressed young Maryland girl will delight in the new Johnny Coats just designed by The Ladies' Apparel Shop of Gertrude Leimbach. They are typically "Johnny" coats—swagger, smart and graceful—but the distinctiveness is in the linings: the navy is lined with red BROADCLOTH, the brown is lined with tan BROADCLOTH and the black and white is lined with blue BROADCLOTH. All have the graceful scarf at neck.

Not having heavy rents or enormous operating expenses to add to initial costs, the price is

$18.95

instead of Twenty-Five Dollars.

When in Baltimore, make The Ladies' Apparel Shop of Gertrude Leimbach your headquarters—if you are not coming to Baltimore, write for Catalogue of Fall and Winter Styles. All mail orders given personal attention.

Everybody's Doing It,

DOING WHAT?

Why the best and only thing they can do—to save the "pennies," which, owing to the stringency of the times, are so hard to get.

Thompson knows how hard it is to make both ends meet, and now that his annual reduction sale is over, we propose to continue to give the very best bargains for the smallest amount of money obtainable. The proof of the pudding is chewing the string, and if you will give our stock an inspection and allow us to quote our prices we will cheerfully accept the result.

At last we have found the "one thing needful," and that is a guaranteed rubber boot, the ARROW BRAND, used by lumbermen and miners all over the United States to the exclusion of other brands. One merchant's sales increased from one season to the next over 500 per cent., showing the absolute reliability of the article.

Thompson is not in business for glory, but to make an honest, square livelihood, and it is his endeavor to give you your money's worth every time. Recollect, if a shoe does not wear as it ought, it is not his fault, and he will do everything to right the matter if possible. Any complaint, come right back and see if you cannot be satisfied. All dealers have complaints, and he is not an exception, but all he asks is to let him help satisfy you.

We know you cannot do better than with us. We will guarantee your money's worth, good treatment and satisfaction every time.

So do what others are doing, try us and be convinced.

A Bad Spill

will often spoil a Suit of Clothes—apparently. But I can freshen them up and make them look as good as new again. I have a system that is infallible and I never injure a fabric. In Cleaning and Pressing I take the lead and enjoy the patronage of the most particular people. Suppose you give me your next job in my line? You will find the work as pleasing as the price is small.

NOW IS THE TIME
