NOBODY SPARED.

Kidney Troubles Attack Chestertown Men and Women, Old and Young.

Kidney ills seize young and old.
Often come with little warning.
Children suffer in their early years—
Can't control the kidney secretions.
Girls are languid, nervous, suffer pain.
Women worry, can't do daily work.
Men have lame and aching backs.
If you have any form of kidney ills
You must reach the cause—the kidneys.
Doan's Kidney Pills are for weak kidneys—
Have brought relief to Chestertown people.
Chestertown testimony proves it.

H. B. Nicholson, prop. ice concern, Mill St., Chestertown, Md., says: "I feel much better since I used Doan's Kidney Pills and I have no hesitation in recommending them. I had pains in my left side and my kidneys were out of order. I obtained a supply of Doan's Kidney Pills at Toulson's Drug Store and it did not take them long to rid me of the difficulties."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Pomona Items.

The 3rd quarterly conference of Bond M. E. Church will be held to-day at 3.30 o'clock at the parsonage. Rev. Robert Watt presiding.

Bond Church, Pomona, Sunday school 9.45; preaching by Dr. Robert Watt, District Superintendent; sermon will be followed with Lord's Supper. Every member should be present at this service. Everybody welcome. Mowbray Church, Sunday school 2 P. M.; Epworth League 6.30; preaching 7 P. M.

Rev. W. M. McCann, of Pomona, preached at Chestertown Church last week, and at Union on Tuesday and Fairlee Wednesday evening of this week.

Miss Lydia Edwards, has been spending a few days with friends in Baltimore.

A very interesting meeting of the Ushers Union was held in Mowbray Hall on Thursday evening. After the business was transacted refreshments were served.

Mr. John Chairs who, has been very sick, is now able to be about.

Mr. and Mrs. Jas. H. Baker were in Baltimore last week visiting their son.

Mr. J. B. Vansant, of Baltimore, was a week end visitor.

Wm. Townsend is improving slowly. He has been bed fast about nine weeks.

Mr. Silas Weller, of Pomona, is one of Kent county's grand old men. Although past 74 years old he is up every morning at 3 o'clock and ready for work. Mr. Weller was born in York State, and left there for Philadelphia. Remaining there but a short time he went to Delaware where he lived 28 years. He moved from Delaware to Maryland and this has been his home ever since. For 13 years he lived just across the river by Union Church, and 4 years ago moved to his present home just opposite Bond Church. Mr. Weller is a regular church attendant, and misses very few services. He is a warm friend of the preacher, and is always ready to assist in anything for the benefit of the church. A most remarkable thing is that neither Mr. or Mrs. Weller, who is just a few years his junior, has ever had a sick day in their lives. Mr. Weller carries on one of the largest farms in Kent county assisted by his two sons and grandson, and his crops always good. He has one of the most up-to-date systems of farm work, letting the gasoline engine do a great part of the heavy work. So it is proven again that hard work will not hurt any man if he takes care of himself.

The Sunday school board of Bond Church will have a meeting at the close of the service on Sunday to arrange for Christmas music.

From Betttrton.

During the past year the Rev. S. S. Hepburn has been meeting a little band of earnest people in the parlor of Col. Suplee at Betterton for a Sunday afternoon service. By reason of their enjoyment of these services they have been more closely drawn together. On Thursday the 14th the rector was invited with his wife to meet in the same little parlor, a committee of ladies representing the congregation, where a complete set of vestments composed of cassock surplice three stoles and baretta, together with a handsome prayer book and hymnal were presented him. These were all the best that could be procured with loving hands and warm hearts, the ladies had done the embroidery which could not be surpassed.

Mr. Howard Turner made a neat and appropriate presentation address which was responded to by the rector.

On Sunday afternoon when the vestments were used for the first time, a timely address was made upon the custom of using vestments in the church and the position which they occupy in the Protestant Episcopal Church.

Betterton Notes.

Mr. Chas. Davis has returned after a pleasant visit to his home in Baltimore.

Mrs. Tull visited Baltimore the past week.

Mrs. Arthur Brice is spending some time with friends in the city.

Miss Elsie Crew has returned after having spent a pleasant time with her friends in Baltimore.

The Epworth League held their regular monthly business meeting at the home of Mr. and Mrs. Herman Crew. There was a large attendance as usual. The League is in a splendid condition financially.

The teachers of our public school desire to thank all who took part and contributed in many ways to the "country store" held at the school last week. It was a success in every way.

Fishing still remains very good.

Mr. Fountain Crew was confined to his home a few days ago but is able to be out again.

Merritt Sutton, who has been quite sick, is very much improved. We hope he will be out soon.

Enormous Corn Crop.

A corn crop of 3,169,137,000 bushels, or 281,821,000 bushels more than the greatest crop of corn ever grown in any country of the world, is the feature of the country's most remarkable agricultural year in history, according to November crop report of United States Department of Agriculture, issued Saturday. The report completed the government's preliminary estimates of the nation's principal farm crops. This great crop was worth on November 1 to farmers, $1,850,776,000.

The enormous sum of $4,171,135,000 represented the farm value on November 1 of the United States crops of corn, hay, wheat, oats, potatoes, barley, flaxseed, rye and buckwheat. With the value of the growing cotton crop and the crops of tobacco, rice and apples the aggregate value of these incipal farm products will amount l beyond $5,000,000,000.
