NATIONAL & STATE BANKS

ONE of the most vital and important regulations of the National Banking Law is that which controls what is known as the "LEGAL RESERVE." It requires that 15 PER CENT. OF ALL DEPOSITS shall be kept in the vaults of National Banks or in the hands of approved reserve agents.

The following statement of the deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, November 26th, 1912:

	Deposits.	15 % Reserve.	Reserve Held.	Per Cent.
Third National	$668,397.18	$100,259.57	$118,079.44	over 17½ %
Chestertown Bank	413,947.13	62,092.10	38,868.74	9½ %
Kent Savings "	356,097.42	53,414.61	10,627.97	3 %

After reading the SWORN STATEMENTS published last week, and the above exhibit which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The THIRD NATIONAL BANK cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large RESERVE, but we KNOW it is better banking. Over $100,000 on hand with which to meet immediate demands. Think of the above while doing your banking. Your business solicited. Interest paid on all Savings Deposits.

Very respectfully,

THE THIRD NATIONAL BANK

of Chestertown, Md.

After driving Detroiter 3500 miles over all sorts of roads, I recommend it to any one desiring the purchase of an Automobile. It is by far the leading $900 car in America to-day—possessing features only found on $1200 to $1500 machines. After using machines for 5 years, I am in a position to know when I see a dependable, desirable car, and the "Detroiter" is just *that* car. You get an Automobile in quality, style and motoring qualities when you get a "Detroiter."

THE HOUSE BREAKER CAUGHT.

Bold Thief Caught in the Act in One of the Prominent Maple Avenue Homes.

For sometime past a number of residents on Queen street, Maple avenue and Riverside Terrace have been annoyed by petty thieving, but the capture of the guilty party one night last week has probably solved the problem as to who has been doing the thieving. On the night in question, Mrs. Ellen Beck and her daughter, Miss Isabelle, heard a noise in their front hall, and upon going to see the cause of the noise, Miss Isabelle encountered a colored woman near the door step of the stairway leading to the second story. Miss Beck asked the woman what she wanted, and she said that she come to buy some shirtwaists. Miss Isabelle became suspicious of the woman's actions and related the occurrence to her brother, Mr. Wm. W. Beck. Mr. Beck consulted the town officer, and going after the woman, they confronted her with the charge of attempted robbery, and upon the promise of immunity from arrest, Mr. Beck drew from the woman a confession of guilt. She stated that she had forced her entrance to Mrs. Beck's home on five different times, each time getting someting of value. Quite a number of the stolen articles the woman agreed to return and she did so. It was also learned that the woman was a servant in the home of Mrs. Allan A. Harris, on Front street, having formerly lived in the country. Mrs. Harris had lost a sum of money recently and it is believed that the woman made way with it. It is also believed that this is the same person who has been committing other thefts. The matter is being investigated by the town officers. One night last week Miss Emma DeCorse heard a noise at her home on Cannon and Front streets, as if some one was endeavoring to break open a shutter. She was about to retire, and hearing the noise, she raised the window and whistled across the street to to Mrs. Margie P. Finley, who telephoned to Mr. DeCorse to come home from the store at once. Upon arriving home, Mr. DeCorse got his gun and Miss Emma secured a pistol and began a search, while Mr. DeCorse's younger daughter stood guard at the upstairs window. The latter saw a man run from the rear of the yard, but they don't know who he was.

MARRIAGE BELLS.

EDWARDS—BOWMAN.

Miss Lillian Bowman, daughter of Mr. James Harvey Bowman, of near Level, and Mr. William Edwards, of near Chestertown, were married at noon on Wednesday of last week in Rock Run M. E. Church, by Rev. Dr. S. B. Tredway. The bride wore a handsome gown of white batiste. The bridesmaids were Miss Alice Greenland, of Aldino, and Miss Virgie Gorrell, cousin of the bride, who wore pink chiffon over silk. Misses Florence and Alice Bowen, nieces of the bride were flower girls. The ushers were Messrs. Charles Foard and Harry Gallion. Miss Myrtie Bowman played the Lohengrin and Mendelsson wedding marches. A dinner was served immediately after the ceremony to the bridal party at the home of the bride. Mr. and Mrs. Edwards will remain at the home of the bride's father for the winter, and in the spring will remove to the groom's farm, near Chestertown.

BROWN—MASSEY.

Mr. Robert Brown, son of Mr. and Mrs. Arthur M. Brown, of Radcliffe Manor, near town, and Miss Nannie Massey, daughter of Mr. and Mrs. Annie Massey, of near Goose Hill, were quietly married at the home of the bride's sister, Mrs. Paul Massey, on Wednesday. The ceremony was performed by Rev. Father Urner, of Sacred Heart Church. Immediately following the ceremony an informal reception was held, after which Mr. and Mrs. Brown left for a short wedding trip. They returned to Chestertown on Thursday evening, and will reside in Queen Annes, where the groom is engaged in farming.

JUMP—AUSTIN.

John W. D. Jump, Esq., a prominent member of the Easton bar, and a well-known Democrat, was married on Saturday last to Miss Helen Maybelle Austin, of Baltimore. The ceremony was performed at the home of the bride's mother, Mrs. Alexander Austin, in Baltimore, by Rev. Charles A. Hill, of Wilmington. After an extended wedding trip North, Mr. and Mrs. Jump will reside in Easton.

WILSON—TOLSON.

Mr. Leonard Wilson, a prominent young business man of Millington, and Miss Florence M. Tolson, of the same town, were married in Philadelphia on Wednesday evening by Rev. Mr. Crawford. After a brief wedding tour Mr. and Mrs. Wilson will reside in Millington.

Saved Life By Telephoning.

Howard Hyland, son of Mr. John A. Hyland, a prominent hardware merchant of Federalsburg, was saved from death from an electric shock last Friday by the quick action of Ford Breeding in telephoning the superintendent of the electric plant. A live wire falling struck the boy, who grasped it with his hand and could not let go. Realizing that it was time for the night current to be turned on Breeding, who saw the boy's predicament, rushed to a telephone and notified the plant and the turning on of the more powerful current, which would have killed the boy, was deferred until he had been released. He was paralyzed on one side but is expected to recover. This statement was clipped from the Sun. We have learned through relatives here that the circumstances are exaggerated, and that the little fellow received only a scarce shock. Howard is a grandson of Mrs. Mary J. Howard, of Still Pond, and a nephew of Mrs. Mamie Dodd, of Chestertown.

Mr. Jacob F. Thompson's big new garage on his High street lot is rapidly nearing completion, and Contractor Walter T. Pippin who is doing the work expects to have it in readiness by the time spring opens.
