The spring presents the best time to buy your home or an investment in land.

I have 30 valuable farms in Kent alone, which can be bought at prices that will make these propositions superior to anything in which you could invest for a sure, steady investment.

These farms are for sale, not put up because they are worthless, but because the owners, for reasons of health, or too much land to till, or wanting a smaller farm, or too much in debt, are in a measure compelled to sell.

The list I can submit you is the result of careful investigation, and contains tracts of land that will prove a profitable investment for your FUNDS.

The profits of wise investments is greater in real estate than in any other line of investment.

SAYS NEWMAN KNOWS BECK.

A Well Known Resident of Kent County Who Has Dealt With Newman Declares That Newman Told Him Last Spring That He Knows Beck.

Last Saturday week a well-known resident of this county who deals with Mr. Charles Newman, the chairman of the Temperance Committee in the House during the last session of the Legislature, read the following letter from Mr. Newman to William W. Beck in the Kent News:

Baltimore, Md., Feb. 5, 1913.

Mr. Wm. W. Beck, Chestertown, Md.

DEAR SIR—Replying to your request in regard to the article published in the Chestertown TRANSCRIPT Saturday, February 1, 1913, headed "The Reactionaries and Local Option," I wish to state that you are a perfect stranger to me, and I never discussed the bill mentioned in that article, or any other matters of legislation with you. Have Mr. Miller publish my letter to him.

Yours truly,
(Signed) CHARLES NEWNAM.

This gentleman came to Chestertown one day this week, and visited our office expressly for the purpose of making the following statement. Said he:

"I read Mr. Newman's letter to Mr. Wm. W. Beck in the Kent News, and it reminded me of a conversation I had with Mr. Newman in his store in Baltimore last April or May, I just forget which. Mr. Newman sells hats and gents' furnishings in Baltimore, and I had occasion to take my Panama hat to the city for the purpose of getting it reblocked. I took it to Mr. Newman, and while there he asked me where I was from. I told him from —— Kent county. Mr. Newman said, 'Oh, yes, I KNOW SOME PEOPLE FROM KENT. I KNOW MR. BECK, Mr. Miller and Mr. Harris. THEY WERE IN THE LEGISLATURE WITH ME AT ANNAPOLIS, AND I KNOW ALL OF THEM, AND MET THEM OFTEN IN ANNAPOLIS.' When I read the statement from Mr. Newman to Mr. Beck in the Kent News *that Mr. Beck was a perfect stranger to him*, I was reminded of this conversation I had with Mr. Newman relative to his acquaintance with Mr. Beck in Mr. Newman's store in Baltimore, and I determined to let you know that there is at least *one* man in Kent county who knows that Mr. Beck is not a perfect stranger to Mr. Newman, for I HAVE IT FROM HIS OWN (NEWMAN'S) LIPS THAT HE DOES KNOW MR. BECK, AND MET HIM IN ANNAPOLIS DURING THE LAST SESSION OF THE LEGISLATURE. I do not care to be drawn into this matter any further, and therefore ask to have my name withheld for the present. *But if you find yourselves compelled to use my name, do so, and I shall be glad at any time to go to Baltimore with Mr. Beck and confront Mr. Newman with the above facts. I am willing to make oath to what Mr. Newman told me.*"

This statement was made by one of the most reliable men in the county, one who is not afraid to permit the use of his name if necessity requires it. He came to Chestertown largely for the purpose of giving us this information because of his confidence in our integrity and veracity. This is the blow that kills Beck. He has been caught with the goods on him. He has put Mr. Newman in this very embarassing position in order to divert suspicion from his own present methods of politics, and now that we prove *that Mr. Newman says he knows Mr. Beck*, how does Beck suppose that the people of this county are going to believe *any* statement he makes with reference to his undignified and unmanly attempt to throw the responsibility for the defeat of the so-called Vickers bill from off his *own* shoulders to those of Mr. Charles L. Miller? He has done Mr. Miller an unpardonable injury. He has held him up to the scorn of the people of this county by making it appear that he failed to do his duty to his constituents at Annapolis. To save his reputation in the Fifth District, Beck has directed his attack from Mr. Miller to the junior editor of this paper, whom he accuses of being a malicious falsifier because Mr. Miller, and not Mr. Bowers, made the charge that Mr. Newman had told him (Mr. Miller) that he had promised Mr. Beck to take no action on the Kent local option bill until he had heard from Beck. Mr. Miller and not the junior editor of this paper, brought Mr. Beck's name into this matter, and because he is afraid of losing his political influence in the Fifth District and incurring the deserved condemnation of every friend Charles Miller has in the Fifth District, he is attempting to salve Mr. Miller and his friends over by making a personal and slanderous attack upon Mr. Bowers. Beck can't ease his conscience by saying, as he did last Saturday, "I have no controversy with Mr. Miller." His controversy *is* with Mr. Miller, who first mentioned Beck's name in this matter. He has accused Mr. Miller of faithlessness in the discharge of his duties as a representative from this county, SOLELY FOR THE PURPOSE OF PLAYING PEANUT POLITICS WITH THE LOCAL OPTION QUESTION, and he has gone so far as causing the chairman of the temperance committee, Mr. Charles Newman, to stultify himself by saying that *Beck is a perfect stranger to him*, in order that Beck may squirm out of the trap in which he has been caught. This is certainly a most unenviable position for any self-respecting man to occupy.

Basket Ball News.

The Washington College team handed it out in a very neat style to the quintet from Johns Hopkins University on last Friday evening. The game started off with the local boys making a grand rush; and by the time the first half was up, the score stood 18 to 8, in favor of the home team. In the second half the visiting team had the better of the situation for about 10 minutes of play, during which time they shot five field goals in succession; but such luck could not keep up for the visitors, and Washington in the last 5 minutes of the game came back with full force and netted six field goals, thus making the final score 37—21. The game was one of the best played by the 'varsity this season. Pearson, Lewis, and Howard, were the stars on the Washington team, while Darrow and Beatty did the best playing for the visitors.

Manager Stauffer had scheduled the fast aggregation representing St. John's College to meet the local boys here last evening. The home team has been having some very hard practice this week, and they were out with plenty of grit in last night's contest, in order to land a victory. The St. John's team beat us by a large score on their home court, but that was earlier in the season while we were in very poor shape. The 'varsity quint has been practicing some new signals, and Captain Wilkinson hoped to use them to an advantage yesterday evening. The local boys have one more home game, and that will be played on March 1 with Baltimore Medical College.

Get Racing Dates.

Messrs. James G. Beck, Clifton L. Jarrell and E. Lee LeCompte, representatives of the Kent and Queen Annes Driving Association attended the annual meeting of the Maryland and Virginia Racing association at the Rennert, in Baltimore on Tuesday, and succeeded in securing a franchise from the association, which entitles them to all the privileges of said association and they were granted the dates for a four days' race meet at Radcliffe Park in August. The local association is now an official member of the Maryland-Virginia circuit, which insures a splendid race programme here in August. The dates for the various fairs in the circuit were awarded as follows:

Tasley, Va., July 29 to August 2.
Pocomoke City, August 5 to 8.
Salisbury, August 12 to 15.
Easton, August 19 to 22.
Chestertown, August 26 to 29.
Timonium, September 2 to 5.
Prospect Park, September 9 to 13.

We shall have more to say in regard to this matter as the weeks go by. Suffice it to say at present that the local association is making active preparations to begin the erection of suitable buildings for exhibits and grandstand, and they propose to have everything in readiness for a first-class agricultural fair on the dates named above in August.
