SPECIAL DEMONSTRATION

AND SALE ON

Great Majestic Ranges

One Week Only

FEBRUARY 24th TO MARCH 1st, 1913.

One Week Only.

SAVE $8.00

As a special inducement during our demonstration week only, with every MAJESTIC RANGE sold (prices always the same) we will give free one handsome set of ware as illustrated here.

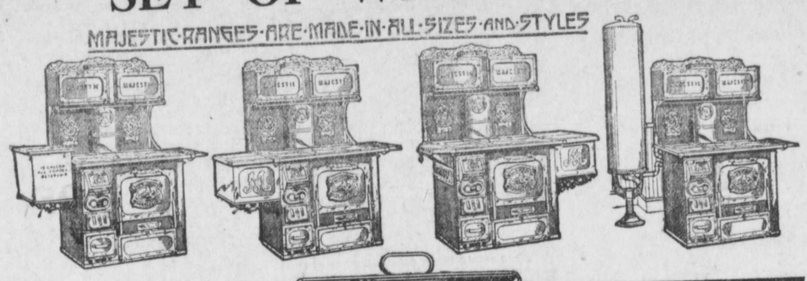

SPECIAL

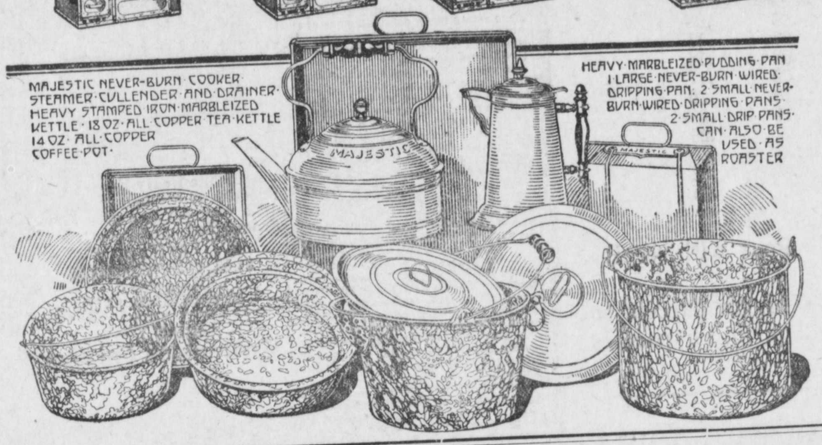

All during this week a special demonstration direct from the MAJESTIC FACTORY will be glad to show you "ALL ABOUT RANGES"—SHOW YOU why the MAJESTIC is the best Range on earth at any price.

Come, if You Intend to Buy or Not.

EDUCATION lies in KNOWING THINGS—KNOW why the oven of a range is heated—KNOW how the water is heated—HOW the top is heated—WHY the MAJESTIC uses so little fuel—KNOW how a range is made inside and outside. This education may serve you in the future. DON'T OVERLOOK a chance to KNOW THINGS shown by one who knows. COME.

SET OF WARE FREE

WHICH SHALL IT BE?

Do you intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cook stove?

You KNOW that old stove eats up a lot of fuel each year.

You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs.

Stop and think and figure.

Wouldn't it pay you to buy a good range—a range with a reputation—

The Great Majestic Malleable and Charcoal Iron Range?

You make no mistake in buying the GREAT MAJESTIC—it's the range with THE REPUTATION—ask your neighbors. Then, too, it's made just right and of the right kind of material—MALLEABLE AND CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos board—parts being malleable can't break—has a movable reservoir and an oven that don't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year (browns bread just right all over without turning), heats 15 gallons of water while breakfast is cooking—properly handled lasts a lifetime, and costs practically nothing for repairs.

Don't buy the range you expect to last a lifetime "unsight unseen;" you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC—have its many exclusive features explained—find out why the MAJESTIC is 300% stronger than other ranges where most ranges are weakest.

DON'T OVERLOOK THE DATE. This is a Special Invitation to You and Your Friends and Neighbors.

Kennedyville Items.

After the beautiful weather of Sunday, Monday was like unto March in its changeable nature, with snow and variety, even to sunshine in the afternoon. It looks like February might be mistaking itself for March.

Mr. and Mrs. Leonard Lane and their two interesting little boys, Kennard and Price, of Burrisville, Md., were guests from the end of the week until Sunday evening of Mr. and Mrs. Leonard Pennington. Mr. Lane used to live in Kennedyville and his friends were pleased to see him again. Mrs. Lane, formerly Miss Price, of Queen Annes, used to attend church services on a former charge of Mr. Mullineaux, and the latter was delighted to see her in his congregation in company with Mrs. Pennington, at the M. P. Church, and her little boys in Sunday School.

Miss Margaret Brinsfield was a guest at the home of her uncle and aunt, Mr. and Mrs. John Medders, over Sunday, and attended services at the M. P. Church Sunday morning. Miss Brinsfield has a large circle of warm friends in the community, having been one of the teachers of the public schools of the community until recently and all were happy to see her again in Kennedyville.

Mr. Hartley Weer, son of Mr. and Mrs. Joseph Weer, is at this writing sick with pneumonia at Sparrow's Point, Baltimore. He was at home to see his parents on Sunday, the 9th instant. His mother and sister, Miss Annie, went to see him last week. Miss Annie returned Sunday evening. Hartley's numerous friends sincerely hope he may soon be entirely restored to his good health.

Mr. Isaac Cleaver was taken sick on Sunday evening about nine o'clock, just after he had retired. At this writing he is resting quietly and we hope will soon be much improved. Mrs. Cleaver is somewhat indisposed.

Mr. William Jewell, who for several weeks past suffered greatly from rheumatism, is now much improved and able to be out of doors. He is gradually getting his usual strength.

The ladies of the M. E. Church are in the midst of preparation to render, in the near future, a very popular play in Weer's Hall. Particulars later.

The regular monthly meeting of the Ladies Aid Society of the M. P. Church will take place at the parsonage on Friday evening of this week. Mrs. Dr. J. W. Urie, president. An interesting program is being made ready for the occasion. A full attendance is expected.

One of the largest grange gatherings ever seen in Weer's Hall took place last Saturday afternoon and evening. Nine candidates received the third and fourth degrees of the order, after which there was rendered, under the direction of Worthy Lecturer, Mr. W. M. Clendaniel, Jr., a most entertaining, enjoyable and profitable program. Quite a number of visitors from neighboring granges were present, some of whom gave helpful and encouraging talks. Following the program, a veritable Kent county supper was served, consisting of all the good things of the season, served bountifully and in par excellence style. It was a business and social gathering of high order, with Mr. G. R. Rasin, the popular and efficient worthy master, presiding. No further meeting of said grange until Monday evening, the 24th.
