SENATOR SMITH'S RECORD.

Here is the record of Senator Smith so far as it relates to his career in the United States Senate during the past four years:

1. He voted for a tariff of $2 per thousand feet on lumber, making the only speech of any momemt during his term in defense of an amendment offered by Senator Simmons, of North Carolina, to restore the $2 tariff to lumber. Mr. Straus proved this by reading from the Congressional Record in his recent strong speech in Firemen's Hall here. Nor is lumber the only commodity upon which Senator Smith voted to impose a tariff.

2. He voted for Lorimer, the representative of the great lumber interests.

3. He opposed legislation providing for federal inspection of grain at the Port of Baltimore, dealing a blow at the rights of every farmer in this State to justice and fair dealing in the sale of his grain.

4. He voted in favor of such railroad legislation as was detrimental to the interests of the farmer, and is himself a director in the Pennsylvania Railroad Company, one of the most powerful corporations in the world.

5. He has stood with Aldrich, Payne and Penrose on all legislation affecting high tariff, and is a member of that "Old Guard" of high tariff Democrats, who have been the cause of the defeat of the Democratic party in national elections since the days of Grover Cleveland.

Mr. Farmer, this is the record of the man, whom the Kent News asks you to endorse. Will you do it?

Last Basket Ball Game.

In the last game of the season in Washington Gym., the local team sufferred defeat at the hands of the strong quint from the Baltimore Medical College on Saturday evening by the score of 26 to 17. Notwithstanding the many defeats of the basketball team at Washington, it has made a splendid showing in view of the lack of necessary quarters for practice. There is no doubt that the college will have a much stronger team on the floor next winter, as the boys will have the fine new gym floor upon which to practice and get in shape for the season. Coach Porter and Manager Stauffer deserve much praise, as do also the members of the quint for the progress already made.

The Baseball season is now at hand and Coach Porter has had a large squad in the cage trying out their muscles. There is enough material at the college this season to insure a crackerjack of a team, and Manager Ridgely has announced an excellent schedule which will furnish some rare sport during the coming season.
