How Bad Backs Have Been Made Strong—Kidney Ills Corrected.

All over Chestertown you hear it. Doan's Kidney Pills are keeping up the good work. Chestertown people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful scanty and off color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Chestertown citizen's advice and give Doan's a chance to do the same for you.

Mrs. I. M. Blyman, High St., Chestertown, Md., says: "We have found excellent results from the use of Doan's Kidney Pills and I can recommend them highly. A member of our family had backache and other symptoms of weak kidneys. Doan's Kidney Pills were finally obtained from Toulson's Drug Store and their use gave complete relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

BETTER than SPANKING

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 2523, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid Absolutely Free to any reader of the Transcript. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co. is an Old Reliable House—write to them to-day for the free medicine. Cure the afflicted members of your family, then tell your neighbors and friends about this remedy.

Birthday Surprise Party.

A big surprise party was given Mrs. Wm. H. Bonwill on Saturday evening to celebrate her —th birthday. Mr. Bonwill was also greatly surprised but did not celebrate it. The crowd gathered at the gate and went to the house "en mass," finding Mr. and Mrs. Biddle Hossinger "holding the fort." After the first shock had worn off both Mr. and Mrs. Bonwill recovered sufficiently to ascend the stairs and get into their party "togs." As Miss Edna was the principal one involved in the surprise, she of course was allready for company in a lingerie dress with yellow trimming.

There were songs, speeches and readings then we enjoyed a dessicated menu for which prizes were awarded: Mrs. John Bennett, "honor" prize, box of snuff; Mrs. A. L. Harris, second prize, ball of yarn; Messrs. Wm. Medders and A. L. Harris tied for first gentleman's prize, so the former received "an article to use in restraining the youthful activities of his children"; Mr. Wm. Ford, consolation prize, stick of candy.

Who can average the money value of laughter? So the prizes were worth a bit to us all. The following were present:

Messrs. and Mesdames. Eugene Bonwell, Roy Bonwell, S. J. Roseberry, John Bennett, Carson Harris, Charles Walter, William Ford, Wm. Medders, John Parrott, Mrs. James Weer, Mr. Hartley Weer, Mr. Harris Crew, Misses Emma Meeks, Elizabeth Pennington, Jessie Crew, Edna Wroth, Mrs. Lulu Dukes and Mrs. Kate Crew.

After the dessicated menu and prizes had been awarded we drew our partners and found a menu which was perfect as a whole, and we made a hole in it.

The crowd presented Mrs. Bonwill with a beautiful table cloth and napkins. We wished her many happy returns of the same day, as she said she was not going to have any more birthdays, and then took our muddy way home over roads of soup.

An Enjoyable Entertainment.

The entertainment given in Firemen's Hall on Tuesday evening by the Sunday school classes of Mrs. Stewart Mathews and Miss Mayme Thompson was well attended and much enjoyed. The music, drills and recitations were splendid, while the comedy in two acts, "Our Church Fair," was well rendered. Miss Thompson and Mrs. Matthews deserve much credit for their loyal efforts in behalf of their church interests, and the classes are to be congratulated upon their cheerful willingness to assist their teachers in their good work. The following was the program:

Kennedyville Items.

A splendid audience, exceedingly appreciative, greeted the Kennedyville amateurs in Harper's Hall, Still Pond, Saturday evening last, with their three interesting, entertaining and humorous plays, with music, instrumental and vocal, as scheduled in last week's papers, notwithstanding the very rainy weather during the greater part of the day and bad roads to travel at night.

Mrs. Isaac Cleaver is visiting a sister in Middletown for a few days.

Mrs. Lawrence J. Smyth, of Chestertown, spent the end of the past week and Sunday with her parents, Mr. and Mrs. John Bennett, and attended services in the Methodist Protestant Church Sunday morning. Prof. Smyth and daughter, Miss Anna, came for her in their auto. Sunday evening.

Rev. and Mrs. F. H. Muilineaux made a short visit to Baltimore this week, going on Tuesday and returning Wednesday by the Tolchester Steamboat Line.

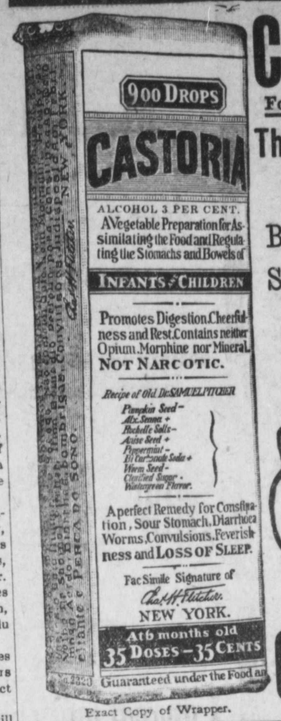

The Ladies' Aid Society of the M. P. Church, Mrs. J. W. Urie president, will meet at the home of Dr. and Mrs. J. W. Urie on Friday evening of this week. A full attendance is expected, with a warm and cordial welcome to all. After the business session and programme are over refreshments will be served.

Rehearsals for Easter music next Sunday will take place in the Methodist Protestant Church on Saturday evening of this week. All lovers of music are asked to be present.

Senior Orations.—Senior orations were delivered at Washington College on Tuesday morning, as is usually the custom just prior to the Easter recess. Those who delivered orations were Miss Elizabeth Russell, Messrs. Julio Del Toro, Andrew W. Pardew and Paul Wilkinson.

Put the Load Where It Belongs

IF you are to make the most of your time and opportunities, you must have efficient tools to work with. You have enough hard, tiresome work without wasting your time and energy at wood-sawing, water-pumping, grindstone-turning and the like. Use an I H C engine to furnish power for such work. In less time, and with far less effort, the wood is sawed, the stock watered, the tools sharpened, all at one-tenth the expense of hand work. Put the load where it belongs. Buy and use an

IHC Oil and Gas Engine
