FRICK
TRACTION
ENGINES
—AND—
THRESHING MACHINES

The Frick Double Cylinder Traction
Sizes: 7x10 and 8x10
THE ACME OF PERFECTION.

The most scientifically constructed and successful Double Cylinder Engine on the market. Designed along unusually liberal lines, it is extremely powerful both on the road and under the belt; in fact, a thoroughly efficient all-around engine.

In addition to embracing all the meritorious features of our Single Cylinder Engines, such as Center-Crank Drive, Independent Mounting, Engineer's Removable Platform, axle tank, strong Traction Wheel, Spring cushioned Semi-Steel Gearing encased in dirtproof covers, it is equipped with two cylinders with latest type of Balanced Valve, giving a maximum of power without the extravagant use of steam; and extremely simple Gib Reverse with facilities for changing the lead quickly, and many other features of practical advantage to the operator.

If you want a double cylinder engine of REAL merit, get a FRICK.

Construction and efficiency fully guaranteed.

Send for Illustrated Catalog describing in detail this popular engine.

THE "NEW FRICK" THRESHER
(1913 PATTERN)
IN SIZES TO SUIT THE TRADE.

A combination of everything good in threshing. Perfectly balanced, easy running, convenient to handle, durable and efficient.

The non-slugging Closed Steel Cylinder with Double Edged Tooth is unsurpassed for strength, clean threshing, steady and uniform motion. With the added advantage of getting double wear out of one set of teeth. The construction of the machine is of the Truss Frame Pattern, from which all bearings are hung, insuring perfect alignment. On rear axle, machine is spring mounted, protecting it over rough roads. When in operation, can instantly be made solid by a simple device.

Our later models have many new features that will appeal to the practical thresherman; among which is a stronger Belt Drive, and provisions for using either Drag or Fan Tailings Elevator.

Our Improved Tailings Riddle is smaller, lighter, more durable, and provides for taking care of unthreshed heads and parts of heads.

The Improved Straw Bottom gives even better separation than ever by more thoroughly separating chaff from straw.

The Cleaner is improved with smaller rolls, making it possible to meet conditions better, especially in oats, by taking out more sticks and joints.

An Improved Picker Beater provides for better distribution of straw, increasing wonderfully the operating capacity of the machine.

Get our Illustrated Catalog for full Description and Table of Sizes.

OUR DEATH RECORD.

WINFIELD FORAKER.

A golden link from the family circle of Mr. and Mrs. J. Oliver Foraker, of Townsend, has been severed, death having taken from their home their son, Winfield, who died at the Medico Chi Hospital, Philadelphia, at 11 o'clock on Monday morning. Apparently a strong, healthy and robust young man, but 19 years of age, a joy and a pride in the home but a few days ago, was taken suddenly ill and his physician found it necessary for an operation for appendicitis. While his condition was serious for several days, hope was entertained, but a change took place on Sunday and his parents were sent for but sickness prevented them from being able to visit their dying son. Doubly sad is their home, mother and father both having been ill for several weeks. Much sympathy is heard for the bereaved family. Funeral services were held at his parents' residence, in Townsend, at two o'clock Wednesday afternoon, interment being at Townsend M. E. cemetery.

ELSIE VIRGINIA CLEWS.

Elsie Virginia, the five-year-old daughter of Rev. and Mrs. Wm. Clews, of Kennedyville, died on last Tuesday morning of gastritis. Funeral was held in Westminster Church at Kennedyville on Friday morning at 11 o'clock, the Rev. Joel Gilfillan officiating. Undertaker W. H. Krusen had charge of funeral arrangements. Interment was in the grave yard adjoining.

MRS. MARTHA A. CROSSLEY.

Mrs. Martha A. Crossley died at the home of her daughter, Mrs. J. W. Urie at Kennedyville on Tuesday morning after a short illness of paralysis, aged 85 years. Funeral was held on Thursday afternoon at 2 o'clock, Rev. Mr. Mullineaux officiating. Interment was in the M. E. Church yard at Still Pond, Undertaker W. H. Krusen officiating.

Audrey Lucille Carter, infant daughter of George W. Carter, Jr., and Nettie M. Carter, died at the home of its parents, near Worton, on Thursday aged 6 months and 14 days. Funeral this morning at 10 o'clock, conducted by Rev. G. A. Morris. Interment in Church Hill cemetery. Undertaker Charles L. Dodd in charge.

Mary Etta Crouch, infant daughter of Emory Lester and Mildred Crouch, died at the home of its parents, near Cliffs, yesterday, aged 9 months. Funeral this afternoon at 2.30 o'clock from the residence, conducted by Rev. A. H. Covey. Interment in Bond Chapel cemetery. Undertaker Charles L. Dodd in charge.

AUGUSTUS DREKA.

Mr. Augustus Dreka, a former resident of Sassafras, died on Monday at the home of his daughter, Mrs. Eva T. Kilkoff, in Washington, aged 95 years.

Fine Missionary Anniversary.

The 41st anniversary of the Juvenile Home Missionary Society was celebrated in Christ M. P. Church last Sunday evening with a splendid program and the largest collection in the history of the society. There were recitations splendidly rendered by Misses Anna Cook Coleman, Evelyn Russell, Helen Kendall, Dora Wilkinson and Master Thomas Elliott, together with a beautiful exercise by a symbolism entitled "Morning Bells," excellently well-done by ladies under the skillful direction of Misses Hope Sappington, Clara Usilton and Mrs. J. L. Smyth. The address of the president of the society, Mr. Albert Wheat, was appropriate and well-delivered. The chief feature of the occasion centered in the class collections for the evening and for the year. Both collections proved to be the largest in the history of the Sunday school, and reflected great credit upon the classes. The three highest classes for the evening were:

William W. Hubbard	$58.00
Infant Class	42.00
Mrs. William J. Vannort	35.25

Mr. Robert Huey's class of 25 young men contributed $26, while Mrs. Stewart Matthews', Miss Clara Usilton's, Miss Mayme Thompson's, Miss Fannie Baker's, Miss Nettie Russell's and Mr. Wm. A. Wheatley's classes also did finely. The total amount for the evening was $350, exclusive of the plate collection. The total collection for the year amounted to more than $600, exceeding the expectations of every one and eclipsing any previous effort. The four highest classes for the year were:

Wilbur W. Hubbard	$114.00
Miss Clara Usilton	58.00
Infant Class	56.00
Mrs. Wm. J. Vannort	55.00

The banner for the evening was awarded in a very appropriate speech by Mr. Randolph Waddell, and Dr. Graham awarded prizes of a valuable book each to those classes contributing the highest amount for the year. Mrs. Stewart Matthews' class of young ladies won the attendance banner for the year, having had the best class attendance for 11 Sundays. Mr. Robert Huey's class of young men was a close second with 10 Sundays. Misses Elizabeth Burke and Stacy Medders were given prizes for having attended every Sunday in the year, and Mr. Wm. A. Wheatley won the teacher's attendance prize. These prizes were awarded by the superintendent, Mr. Fred G. Usilton. Beautiful Easter carols were rendered by the school, accompanied by the following orchestra: T. Kemp Bordley, Warren C. Hurlock and Joseph N. Wheatley, violins; Foster Cannon, trombone; Donald Stam, clarinet; Arthur Bacon, cornet, and Miss Clara Usilton, organist. While looking through some old papers one day last week, one of the ladies of church found the anniversary program of the last year of the former pastorate of the present pastor, Rev. Dr. Graham. It took place, strange to say, on the same date as the one last Sunday—March 23, 1890, just 23 years ago, and was as follows:

PART I.

Instrum'l Voluntary, Communion in G—Batiste. Prof. T. O. Elmore.
Service 157, Gathered Jewels.
Prayer by pastor, Rev. W. R. Graham.
Chorus, "Happy Day of Joy," G. T. 152.
Basket Collection.
Instrumen'l Voluntary, Andante Religioso, Allegretto—Mendelssohn—Prof. T. O. Elmore.
Address by the President, W. F. Forter.
Chorus, "Church of God, Arise!" G. T. 114.

PART II—SYMBOLISM: "OPEN DOORS."

PART III.

Quartette, "Where Hast Thou Gleaned?" Miss Clare Vannort, Miss Marian Lusby, Messrs. Fred G. Usilton, J. W. Chapman, Jr.
Class Reports for past month.
Singing by Infant Class, "Heart Bells."
Announcement and award of Banner.
Presentation Address, T. D. Bowers.
Chorus, "The Signal Lights," G. T. 26.
Annual report and award of annual premiums.
Solo, duet and quartette, "Raise Me Jesus." Mrs. W. R. Aldridge, Miss Mollie Parks, Mr. W. W. Chapman, Dr. H. L. Dodd.
Presentation of Annual Premiums, Prof. Roland Watts.
Chorus, "Sowing the Seeds of the Kingdom," 16.
Benediction.

NOTICE TO THE PUBLIC.

I am now ready to serve all transient boarders, with bath, $2.00; without, $1.50; meals, 50 cts. Will meet all trains by wire at Lambson's station.

JOHN P. COCHRAN,
Feb. 22-tf. Galena, Md.

PUBLIC SALE
—OF—
PERSONAL PROPERTY
Fine Blooded Horses, Cattle, Sheep, Etc.

HAVING sold my farm, "Galloway," and intending to discontinue farming, I will sell, on the farm, my entire lot of Personal Property, on

Tuesday, April 1, '13,

comprising entire outfit of Farming Implements, all of which were bought new. It is all in good condition. Also my entire lot of Live Stock, viz.—Stallions, Brood Mares, and Young Horses and Colts; every one standard bred and registered or entitled to be registered. Also six fine young Mules, all young, 7 and 8 years old; Work Horses, 14 Cattle, 22 Sheep, and a fine lot of Shoats; one lot of fine Hay, part of which is baled; Farming implements, consisting of 3 farm wagons with hay racks; 1 cart; 1 McCormick binder, 6 foot, with truck in front; 1 Osborne mower; 1 hay loader; 1 Ontario drill, 11 tines; 1 cutaway harrow; 1 iron roller; 1 Osborne hay rake; 1 spring drag; 1 iren square drag, 50 teeth; 2 sulky cultivators; 3 iron brake cultivators; three 40 Oliver plows; one 19 Oliver plow; 1 clover seeder; 1 Blackhawk corn planter with 120 rods of wire; shovels, forks, 1 lot of work harness, both chain and leather; in fact, everything needed on a farm, which are too numerous to mention.

3 Pairs Extra Fine Mules, all mares, 7 and 8 years old;
2 Work and Driving Horses;
16 Head of Cattle;
1 Jersey Bull, 6 months old, thoroughbred;
1 Thoroughbred Guernsey Bull, 16 months old;
5 Young Jersey Heifer Calves, weanlings;
23 fine-bred Shropshire Native Ewes, with lambs at foot.
1 Thoroughbred Registered Shropshire Buck;
15 Fine Shoats;
3 Thoroughbred Berkshire Sows;
1 new family carriage with shafts and pole, been used very little; 1 nearly new runabout, with canopy; 1 rubber tire Stanhope; all in good order. Also several old buggies and surry; also 1 ladies' side saddle.

Standard Bred Stallions

I will also sell all my entire stock of standard bred stallions, brood mares and colts, including weanlings, yearlings, 2, 3, 4-year-old colts and fillies, which I invite the most critical breeders and lovers of extremely high bred horses to examine, and I think they will admit that here is an opportunity to buy as good as they have ever known to be bred on any farm in Maryland, viz.; headed by the great speed and beauty sire

No. 1—ANDREW M. (registered No. 30,850), sire of 14 in the list; sired by the great Allerton, 2.09¼, sire of over 200 in the list; first dam is Mary Marshall, 2.12¼, dam of Nathan Straus, 2.01, and 2 others; too well-known to need further description.

No. 2—The extremely fast standard bred and registered stallion, ANDY MACK, No. 47,007, record 2.21¼, trial in 2.10. I believe Andy Mack is strictly sound. He has trotted a mile in 2.10, and I firmly believe he will trot in 2.10 this year if given an opportunity. He is 16 hands high, sired by Andrew M. (No. 1); first dam, Lizzie Mack, 2.24, by Nutwood, 2.18. She is also the dam of 3 in the 2.30 list. Sure foal getter, and when through racing will make great sire.

No. 3—GALLOWAY, the beautiful chestnut, standard bred stallion, foaled 1909; sired by Andrew M. (No. 1); first dam Francis B., record 2.10¾ (dam of Sunny Francis, 2.25, trial 2.14). See Francis B., No. 4. This colt was broken and driven last year over the road by my groom just enough for exercise; has had no regular training, yet he has shown remarkable speed. This is an extremely fast trotter and a perfect show ring colt; is acknowledged the most beautiful colt in this country; in fact, he is a perfect model of beauty, style and disposition. This is the most attractive colt I have ever raised. It is predicted by good judges, if given an opportunity he is a sure 2.10 trotter, which I firmly believe. No doubt he will beat 2.20 this year. Study his breeding. He will show for himself on day of sale.

No. 4—FRANCIS B.; trotting race record, 2.10¼; registered in volume 18; the dam of Sunny Francie, 2.25, trial in 2.14; sired by Alcamedia (19,800); first dam Belle D., dam of 2, by Warwick Boy (3,368); second dam, Borden Mare, by Tatler, Jr. Francis B. was a great race mare, extremely fast; was second to Billy Buck in 2.06¼. She is a regular breeder, having 6 colts in 6 years, and now sure with foal to Andrew M. I have 4 of her colts in this sale, which will show for themselves, and I think will convince any judge that she is one of the greatest of brood mares. Due to foal April 4.

No. 5—BEDELIA; trotting record, third heat over ½-mile track, 2.14¼; sired by Jackdaw 14,297, record 2.28¾, sire of 20 in the list, including Maxine, 2.08¾, and Bedelia, 2.14¼, he by Jay Bird, dam by Robert McGregor, 2.17¾, sire of 110 in list. First dam, Queen McGregor, dam of Bedelia, 2.14¼, and three others, an own sister to Fanay McGregor, the world champion yearling of his day, 2.23¼, by Furgus McGregor, sire of 26 in list, by Robert McGregor, 2.17¼, thus showing she has a double cross of Robt. McGregor. Bedelia is known as the blue ribbon winner and speedway queen of both New York and Philadelphia; also a race queen, starting in 23 races, being a money winner in all of them; was driven one-half mile over Philadelphia speedway by her former owner (an amateur driver) in 59¼ seconds; foaled a filly in 1912 which is in this sale, No. 15. As I wanted her to drive, was not bred. She is sound, one of the swiftest drivers I ever drove, fearless of everything, and has all her speed. She is ready for the speedway or the harem.

No. 6—STARLIGHT MAID; trotting record, 2.18¼, in winning race; sired by Peter the Great, record 2.07¼, the greatest of all sires; first dam, Starlight, 2.15½, dam of Achille, 2.15¼, and Starlight Maid, 2.18¼, by Electioneer; second dam, Sallie Benton, 2.17¾, dam of 4 in the list, by Gen. Benton, etc. I consider this as high and fashionable bred mare as there is in the whole country, and I ask the intelligent breeder if this young mare should not make a sensational dam. Due to foal April 9 by Andrew M., No. 1. Sold for $1,100 at 2 years old at Madison Square Garden.

No. 7—ANITA BARON; registered; sired by Oakland Baron, 2.09¾; first dam, Anita, record 2.30, dam of 2 in the list, by Baron Wilkes. This is an extra good young brood mare; has never been broken to harness; a regular breeder; have 3 of her colts in this sale. They will show for themselves. With foal to Andy Mack, 2.21¼. Due June 4.

No. 8—ANDREW NUTWOOD; foaled 1907; a very handsome gelding; been a mile in 2.27 with last half in 1.10; been one-quarter in 34 seconds; only trained a little last spring; in May was taken with distemper and has not been started up since. Good judges thought this colt would trot in 2.15 last year when taken sick. I have been using him all winter to my buggy. He is one of the best road horses I ever owned. He will road you 12 miles an hour. Fearless of all objects and gentle. His dam is by Nutwood, 2.18; second dam by Warlock, an inbred Nutwood dam.

No. 9—LULU N.; registered; a black filly foaled 1909; sired by Andrew M.; first dam, Anita Baron, No. 7. This is an exceptionally handsome filly. She is thoroughly broken; been driven both single and double; had no training; showed 2.46 after breaking last spring and was turned out; just taken up for sale; will show for herself on day of sale.

No. 10—GEORGE M.; sired by Andrew M., No. 1; dam is Francis B., No. 4; foaled 1910. This is a very large, handsome gelding, is thoroughly broken, and has shown that he is a very fast colt, and will convince any judge that he is a born trotter. Study his pedigree and look at him on day of sale.

No. 11—NINA B.; full sister to Geo. M., No. 10, and Galloway, No. 3; foaled 1911. This is a very large, handsome filly; was driven a few times last fall to break. She has the making of a very fast filly I think.

No. 12—Bay Gelding, a full brother to Lulu N., No. 9; foaled 1911. This a good-sized, nice bay gelding, driven a few times; shows a good way of going and should make a fast trotter.

No. 13—BARON ANDY; foaled in 1912; full brother to Lulu N.; is one of the best of individuals.

No. 14—YOUNG MACK; foaled 1912; chestnut colt sired by Andy Mack, 2.21¼, No. 2; dam, Francis B., No. 4; a born trotter; large and rugged.

No. 15—A bay filly, foaled 1913, sired by Andrew M., No. 1; first dam, Bedelia, 2.14¼, No. 5. This filly is very much like her dam and showed very fast in the paddock.

No. 16—Brown filly, foaled 1912; by Andrew M.; dam, Starlight Maid, 2.18¼, No. 6. I consider this an extra good filly.

Also sell all my carts, boots, harness, blankets, etc.; 1 Toomey speed cart, 1 Payne long shaft sulky, 1 high wheel light cart, break cart, 1 lot of nearly new light harness, five sets; 1 set fine double harness made by Gallagher, 1 lot horse boots, weights, blankets, sweaters, coolers, etc.

TERMS OF SALE.—Sums of $10 and under, cash; over $10 a credit of 6 months, with note of approved security. No property to be moved until terms are complied with.

HENRY A. NICHOLS.
PARLETT & PASCAULT, Clerks.

At the same time and place and immediately on the conclusion of the above sale, I will offer the following Valuable Live Stock, to wit:

No. 1—Bay Stallion, STAR BINGEN; trial 3 years, 2.20; foaled 1906; son of Bingen, No. 29,567, record 2.06¾, and 87 at light, great brood mare.

No. 2—MARY BINGEN, bay filly; foaled 1910; by Star Bingen, out of Alcallita. This is a fine prospect and will show for herself day of sale.

No. 3—WISSIE BINGEN, bay filly; foaled 1910; half sister to Mary Bingen, out of Garnet Girl. This filly is a natural trotter.

No. 4—THE CARDINAL, bay colt; foaled 1912; own brother to Wissie Bingen.

No. 5—POLLY BINGEN, bay filly; foaled 1912; own sister to Mary Bingen.

No. 6—ALWILDA BINGEN, bay filly; foaled 1911; by Star Bingen out of Warlock Nutwood. This is a handsome filly and will show for herself.

No. 7—SARAH JONES, chestnut mare; foaled 1909; by Andrew M., out of Garnet Girl. This is a natural trotter and show mare.

No. 8—WARLOCK NUTWOOD, chestnut mare; foaled 1892; by Nutwood out of Lady Warlock. This mare bred to Star Bingen and believed to be with foal.

No. 9—ALCALLITA, bay mare; foaled 1893; by Alcahus, son of Alcyone, and out of Bonniebel; bred to Star Bingen and believed to be with foal.

No. 10—FANNY CALL; 10 years old, and a fine work and driving mare.

No. 11—NEWS BOY, bay colt; foaled 1912; son of Star Bingen out of Fanny Call.

TERMS OF SALE are the same as are given in the above sale.

Candidate's Card.

Having decided to become a candidate for the office of ————, I respectfully solicit your vote and influence. For your complete information, I may add that I am a member of the Organization, a little wabbly, perhaps, but still a member. I believe that the enormous expenses of the Organization, resulting in the highest tax rate this county has ever had, were justifiable. I believe the money the Organization is now spending on the public roads returns a dollar in value for every dollar spent. I believe the public roads are in better shape than they have ever been. I promise in advance to do all I can to further the interests of the Organization, and in particular I will do all I can to boost the tax rate to the $2.00 mark. Kindly advise all your friends so that they may vindicate the Organization.

Yours very truly,
A PROSPECTIVE CANDIDATE.

P. S.—I ask the support of all good Democrats in return for my vote for McKinley in 1896 and 1900.

Mar. 29, '13-tf.

WILL SELL 158-ACRE
WATER FRONT FARM
