IN THE STUD FOR 1913

JOHN B., by Bedworth, Jr., 2.06¼, and his 3-YEAR-OLD TWIN COLTS, COMET AND STAR, who are owned by Mr. J. P. Brown, near Church Hill, Queen Annes county, Md.

JOHN B. is the only horse known here who has living twin colts to his credit.

JOHN B. won his race at Tolchester last year in 2.26¼, with only 7 days' training, and has a matinee record of 2.21 on Mr. Bell's track.

JOHN B. is a beautiful bay, 15¾ hands high and weighs about 1100 pounds, and considering his breeding, speed, conformation and qualities, he is second to none in the State. His colts are all of the very finest and they have shown as much if not more speed than any other horse's colts in the two counties. He will travel in Kent and Queen Annes counties this season.

JOHN B.'s terms are: $15.00 to insure a mare with foal; $10.00 season, payable at end of season; $5.00 single leap. Parties wishing the service of John B. can either phone or write to WM. C. A THOMPSON, His Owner,

Or Apply to JAMES FLOYD, His Groom, who will call on you.

A WINTER COAT

not only keeps cold out, but conserves body-warmth; body-fat serves the same purpose, it enables us to resist unsettled elements and serves as the great source of our body-heat. Greater body-warmth means richer blood, more fat, not obesity but fat which the body consumes for warmth, vitality, resistance-power—as a furnace consumes coal for heat—*Scott's Emulsion* does this.

A teaspoonful after each meal makes body-warmth—healthy, active blood—sharpens the appetite and makes all good food do good.

It drives out and keeps out colds by raising endurance-power and creating strength.
