Question Cleared Up

Transcript Readers Can No Longer Doubt the Evidence.

Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Chestertown's pertinent question has always been "Has anyone here in Chestertown been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can so easily prove.

Hyland Crew, High St., Chestertown, Md., says: "I had pains in my back and head and my kidneys were disordered, causing me no end of trouble. I finally obtained Doan's Kidney Pills at Toulson's Drug Store and they made me feel a great deal better in every way. I do not believe there is a better kidney medicine than Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

BETTER than SPANKING

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 2523, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid Absolutely Free to any reader of the Transcript. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co. is an Old Reliable House—write to them to-day for the free medicine. Cure the afflicted members of your family, then tell your neighbors and friends about this remedy.

Allan McLane For Marbury.

Allan McLane, a prominent attorney of Baltimore city, and brother of the late Mayor McLane, one of the stauncnest Democrats in the State, in advocating Mr. Marbury's election to the Senate last Friday says:

"William L. Marbury is essentially a Democrat, as attested by his speech at Centreville on Tuesday."

"Mr. Marbury's speech opening the Senatorial campaign embodied all the principles for which progressives have been fighting for years. It was a splendid exposition of the issues of this campaign. It covered all the points, and deserves close reading by every Democrat in Maryland. It should carry conviction all over the State.

CHARGES ARE UNTRUE.

"It is folly to declare him not a Democrat. Those who make such charges, whether under cover or not, will learn before the contest draws to a close that the imputation is false. In these days of enlightenment the masses no longer follow blindly the dictates of the ring or political leaders.

"Mr. Marbury typifies all that is best in Democracy. His stand on present-day issues is invulnerable. He is an ideal man to represent Maryland in the Senate, particularly at this time when the party has returned to power upon principles with which he is in entire accord.

"From its very inception the Democratic parts has stood for tariff for revenue only. It was on this cardinal principle that last year's victory was based. Now that Woodrow Wilson has been elected by the people to carry out these principles with regard to the tariff it is the duty of this State to send to the Senate a man who is an exponent of the President's ideas and one whose record on the tariff is unassailable. Mr. Marbury is such a man.

TARIFF VIEWS SOUND.

"Tuesday's speech contained a forceful exposition of Mr. Marbury's views on the tariff. His assertion that a believer in and an advocate of a tariff for protection is not worthy of Democratic support has already borne good results.

"I predict that Mr. Marbury's strength in the campaign will grow daily from now on."
