THE LADIES' STORE,

Opposite Stam's Hall, CHESTERTOWN, MD.

SPRING MILLINERY READY

FOR YOU.

The burning question for the ladies is: Where shall I get my new HAT? The question is a burning one because Easter is almost upon us. The place of purchase is important in that both you and we are vitally interested. We have tried our best to do our part by giving the millinery parlors a very prominent part of our store, and by placing therein for your convenience and selection the best and largest display of Fine Millinery ever attempted to be shown in Chestertown. New York, Philadelphia and Baltimore's best houses have contributed to this gorgeous array. Will you not visit us and test the correctness of these statements?

HUMIDOR LINENS

HUMIDOR LINENS

Some people go so far as to judge the general tone of a housewife's tastes by the kind of linen she uses in the home. If you wish to have splendid judgment passed upon you, use Humidor Linens, Strawbridge & Clothier's brand, and sold exclusively at this store. When the stamp "Humidor Linen" appears you will know it is pure linen, whether it be Table Linen, Napkins, Towels, Roweling, Crashes or any kind of Dress Linen.

Exclusive Patterns---Guaranteed Wear.

SHOES

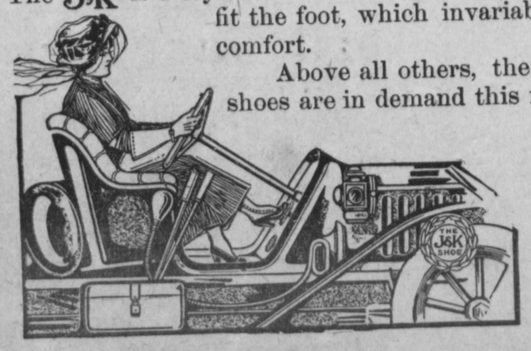

THAT

Are in Demand.

THE J&K SHOE — FITS THE ARCH

The J&K Shoes are making friends all the while, and "there's a Reason." Ask some of their wearers about them, or better still, come in and get fitted with a pair. The second pair will be a matter of course. The J&K is a style-leader, and every style is made to fit the foot, which invariably means comfort.

Above all others, the tan high shoes are in demand this month.

The best advertisement any store can have is satisfied customers. Vansant & Newsome cater to their customers in such a way as to satisfy them, and they succeed admirably. They are right on the job with a beautiful line of shoes, hats, furnishings, all the accessories that constitute a stylish wardrobe. To be convinced look at their pretty show windows.

Have you seen those attractive show windows of A. L. Sparks' big store. They catch the ladies' eye every time, and they are really so attractive that many of the husbands have stopped and looked at the pretty spring hats and dainty dress goods. Go inside and you will find lots of other pretty things to please your taste and pocketbook.

If it's spring clothing for men or boys, and you want the best obtainable, it will pay you to look over the advertisement of Bordley & Sons' in this issue. Remember that their great shirt sale is still in progress, and one can buy the best that's made at cost. Call before all sizes are broken.

Did you get one of those pretty dining room pictures at Brown Brothers? There are a few more left, and if you will make a purchase to the extent of 25 cents or more you get one free. And just take a look at their furnishings for men, women and children, you will be sure to find something you want.
