THE LADIES' STORE,

Opposite Stam's Hall, CHESTERTOWN, MD.

SPRING MILLINERY READY FOR YOU.

The burning question for the ladies is: Where shall I get my new HAT? The question is a burning one because Easter is almost upon us. The place of purchase is important in that both you and we are vitally interested. We have tried our best to do our part by giving the millinery parlors a very prominent part of our store, and by placing therein for your convenience and selection the best and largest display of Fine Millinery ever attempted to be shown in Chestertown. New York, Philadelphia and Baltimore's best houses have contributed to this gorgeous array. Will you not visit us and test the correctness of these statements?

HUMIDOR LINENS

HUMIDOR LINENS

Some people go so far as to judge the general tone of a housewife's tastes by the kind of linen she uses in the home. If you wish to have splendid judgment passed upon you, use Humidor Linens, Strawbridge & Clothier's brand, and sold exclusively at this store. When the stamp "Humidor Linen" appears you will know it is pure linen, whether it be Table Linen, Napkins, Towels, Roweling, Crashes or any kind of Dress Linen.

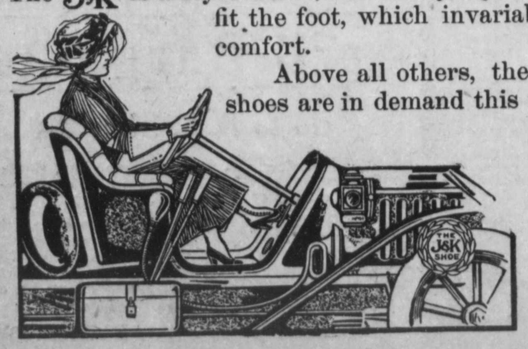

Exclusive Patterns---Guaranteed Wear.

SHOES THAT Are in Demand.

Above all others, the tan hi h shoes are in demand this month.

Successful Bazaar and Vaudeville.

The bazaar and vaudeville given in Firemen's Hall on Thursday, Friday and Saturday evenings under the auspices of the Ladies' Town Improvement Association was a charming success financially and socially. The entertainments each afternoon and evening were among the best ever given by the association, and Miss Carolene Hynson, who arranged the vaudeville and who took the leading role in the well-rendered play on Saturday evening, deserves special credit and commendation for the success of the vaudeville and entertainment features. We are unable to specialize, but we would be lacking in courtesy if we failed to extend the thanks of the community and Ladies' Town Improvement Association to the contingent from the Johns Hopkins Glee Club, whose quartette delighted the audience on Saturday evening with the splendid singing, and also to Mr. Stollenweck, the club's leader, for his most excellent piano selections. It is most commendable in these young gentlemen to take sufficient interest in our town as to give their valuable service free of charge, and the credit for securing this interest is due to L. Wethered Barroll, Esq., a Hopkins man, at the home of whose parents here, the visitors were delightfully entertained. Then, too, there are the Stavely boys, of Lynch, who are a whole evening's entertainment in themselves. These young men possess wonderful musical ability, and if you don't tell anybody in Baltimore that we said so, the Johns Hopkins boys have nothing on the Stavely boys, when it comes to singing, likewise Dan Hall, whose solo, "The Perfect Day," was masterful. Everybody did finely, and the thanks of the Ladies' Town Improvement Association are extended to all those who assisted in making the supper, vaudeville and bazaar such a success. The net proceeds were about $300, which will be used in further beautifying and improving the town. Mrs. Hope H. Barroll, who is the moving spirit in all this good work, certainly deserves the thanks of the people for her self-sacrificing devotion to the interests of her native town. There are always those who are ready to criticise everything that is done and said, and it is a most unfortunate thing that there are some few folks who have so little regard for the welfare of their town as to inject politics into what the Ladies' Town Improvement Association is doing for the development of the town. This is wrong. We are glad to say that the Ladies' Town Improvement Association is not responsible for the injection of politics into this matter. They have done more for the development and beautifying of the town than any other agency in the town, and in every enterprise that has been started to raise funds with which to carry on the work of improvement the Ladies' Association has been extremely successful. We should co-operate with the ladies. They are doing a grand work, and they will continue to work for the beauty of the town regardless of any opposition. Sheriff McKee won the handkerchief donated by Mrs. Woodrow Wilson. Good fellow, sheriff. You are a good Wilson man, anyhow. Mrs. P. A. M. Brooks won the set of a dozen handsome desert plates donated by a friend of Mrs. Barroll, and Mrs. Wm. F. Russell won the large cake made by Miss Margaret Plummer. The play on Saturday evening was fine, and Miss Hynson, the leading lady, was ably assisted by Miss Nan Price, Messrs. Paul Wilkinson and Mr. Arthur Madden.

The receipts from the bazaar were supper, $60; Fancy Table, $40; Candy, $13.24; Cake, $12.33; Ice Cream, $8.00; Vaudeville, $170. Total, $303.57. The out of town contributors were Bailey, Banks & Biddle, Philadelphia; The French Hat Shop; Hutzler; O'Neill; Joel Gutman; The Hub; Stewart & Co., Baltimore Bargain House, all of Baltimore. The association will begin a street cleaning campaign shortly. See that all rubbish is put in the cans. If any more cans are needed, they will be furnished speedily. Miss Gooding will distribute to the young people flower and garden seed this spring. Show the same interest you did last year.

Washington Losest First Game.

Washington College lost its first game of the present baseball season on Saturday, when they went up against the Johns Hopkins team at Homewood, Baltimore. Score 11 to 6. The team's batting was good, getting nine singles off the hurling of Piper. Biddle pitched part of the game and notwithstanding this was his first effort this season he pitched a steady game until he weakened and Bowen finished. Usilton played a good game both at the bat and in the field. There is no doubt that Washington College will have the fastest team in years when they can get more outdoor practice. The pitchers have not been able to put anything on the ball because of weather conditions, while Coach Eddie Hooper has had his men in the cage and on the field for some time. When Johns Hopkins returns the game here they will find a much stronger aggregation than they bucked up against last Saturday.
