THE LADIES' STORE,

Opposite Stam's Hall, CHESTERTOWN, MD.

SPRING MILLINERY READY FOR YOU.

The burning question for the ladies is: Where shall I get my new HAT? The question is a burning one because Easter is almost upon us. The place of purchase is important in that both you and we are vitally interested. We have tried our best to do our part by giving the millinery parlors a very prominent part of our store, and by placing therein for your convenience and selection the best and largest display of Fine Millinery ever attempted to be shown in Chestertown. New York, Philadelphia and Baltimore's best houses have contributed to this gorgeous array. Will you not visit us and test the correctness of these statements?

HUMIDOR LINENS

HUMIDOR LINENS

Some people go so far as to judge the general tone of a housewife's tastes by the kind of linen she uses in the home. If you wish to have splendid judgment passed upon you, use Humidor Linens, Strawbridge & Clothier's brand, and sold exclusively at this store. When the stamp "Humidor Linen" appears you will know it is pure linen, whether it be Table Linen, Napkins, Towels, Roweling, Crashes or any kind of Dress Linen.

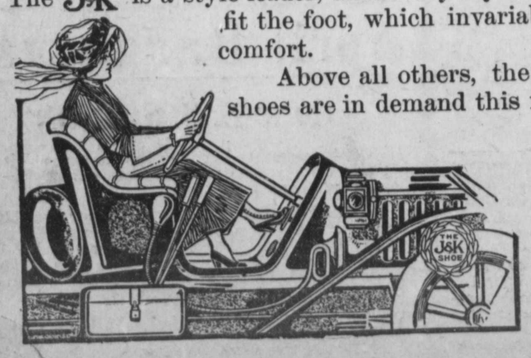

Exclusive Patterns---Guaranteed Wear.

SHOES THAT Are in Demand.

THE J&K SHOE — FITS THE ARCH

The J&K Shoes are making friends all the while, and "there's a Reason." Ask some of their wearers about them, or better still, come in and get fitted with a pair. The second pair will be a matter of course. The J&K is a style-leader, and every style is made to fit the foot, which invariably means comfort.

Above all others, the tan high shoes are in demand this month.

Grange Notes.

Fairlee Grange held a meeting of practical value on Wednesday evening. The Tomato question was fully discussed and it was decided to hold to the original agreement—not to plant for less than $9.00 per ton.

The committee on the course of entertainments held during the winter, reported that they were quite a success—each one above the average—and the actors artists in their line.

After paying all expenses—they have a balance of $25.00—which the committee recommended to be used for a "Loving Cup" for a corn contest and lectures upon subjects of home and farm.

A committee was appointed to make plans for a contest of the ladies of the grange. A special meeting will be held on 16th, at which the Lime question will be discussed by Mr. James T. Anthony and others.

The Still Pond Grange *Review*, the grange paper, will make its first appearance at the grange meeting Saturday. The grange will have supper at 5.30, and the paper will be read by its editor, Mr. A. L. Harris, at the evening meeting. Knowing Mrs. Harris as we do, we have no hesitency in predicting a spicy and interesting treat for the members of the grange.
