Advice to truckers—One of Queen Annes county's most successful truckers recently stated his remedy for the watermelon bugs. He says he has splendid success in the use of Scotch snuff and a large stone. He sprinkles the snuff on the vines and when the bug attacks the vine he gets the snuff on him, which causes a desire to sneeze. The bug flies to the highest object in sight and lights upon the stone, throws back his head to sneeze and brings it down on the stone with a whack that kills him. He says sometimes he kills enough to nearly hide the stone. Truckers, try it.

IN THE STUD FOR 1913

JOHN B., by Bedworth, Jr., 2.06¼, and his 3-YEAR-OLD TWIN COLTS, COMET AND STAR, who are owned by Mr. J. P. Brown, near Church Hill, Queen Annes county, Md.

JOHN B. is the only horse known here who has living twin colts to his credit.

JOHN B. won his race at Tolchester last year in 2.26½, with only 7 days' training, and has a matinee record of 2.21 on Mr. Bell's track.

JOHN B. is a beautiful bay, 15¾ hands high and weighs about 1100 pounds, and considering his breeding, speed, conformation and qualities, he is second to none in the State. His colts are all of the very finest and they have shown as much if not more speed than any other horse's colts in the two counties. He will travel in Kent and Queen Annes counties this season.

JOHN B.'s terms are: $15.00 to insure a mare with foal; $10.00 season, payable at end of season; $5.00 single leap. Parties wishing the service of John B. can either phone or write to
