CARD TO THE PUBLIC.

AFTER CAREFUL CONSIDERATION, I HAVE DECIDED TO WITHDRAW AS A CANDIDATE FOR THE STATE CENTRAL COMMITTEE IN THE COMING PRIMARIES.

PAUL DUNN.

LOOK out, fellows, the PUSSYFOOT politicians are after you.

CALL in your letters, and try it again. Mr. Paul Dunn refuses to run on the Organization ticket for the State Central Committee.

GO AFTER the pernicious lobby at Washington, Mr. President. The people are with you, and will uphold you in all that you do for the welfare of your country.

ARE there any PUSSYFOOT POLITICIANS in Kent county? A Pussyfoot politician is one that plays *fast and loose*—is one thing to this man and another thing to another man. Are there any Pussyfoots in Kent county?

SWAT the Organization candidates for the Legislature and for County Commissioners in the approaching primaries. They are the danger marks to the people. Only the nomination of Kibler and Harris, and Wood and Crew can protect the public treasury from Organization extravagance.

GO WHERE you will, the expressions of confidence in the Anti-Organization victory in the approaching primaries are very gratifying. The most favorable reports are coming from every district in the county. Such confidence convinces us that the people know *now* where their financial interests are safest, and they will never again allow those who wasted their money and who are forcing such incompetent road management upon the tax-payers, to get back into power.

ONE of the Anti-Organization candidates asked a gentleman, who has not resided in the county long, to vote for him the other day. The candidate told him what side he is on. "Well," said the gentleman, "you know I have not learned to distinguish between the Anti-Organization and the Organization." "Well," said the condidate, "I'll tell you. The Organization are the **400**, the Anti-Organization are the POOR PEOPLE." The gentleman said at once, "I'm with you."

IT REQUIRED the services of a young physician who graduated at the Maryland University last Saturday evening to tell the editors of the Beck organ what LIARPHOBIA means. He diagnosed their case correctly, and you may imagine their joy when the young physician told them the disease is not necessarily fatal. Several doses of the oil of truth, with a few drachms of common sense, added in place of the essence of sarcasm, will effect a cure, we believe. It is worth trying, at least.

CONGRESSMAN George Konig died at his home in East Baltimore Saturday evening at six o'clock, after an illness of two weeks of pneumonia. He was one of the most popular men in Baltimore city, and was affectionately known as "Uncle George." He was one of our self-made men, working his way from the pick and shovel to Congress, and though not a brilliant statesman, he won the respect of his fellows by his sincerity and good common sense. A special election will be required to elect his successor. Miss Emma Beck was the trained nurse in charge of the case.

A TAX rate of **94** CENTS on the $100 under the Antis, as against **$1.85**, made necessary by the extravagance of the Organization, is the best answer in the world to the charges that are being made by the Organization. The proof of the pudding is the eating thereof. *In three years the Antis have cut the Organization tax rate of $1.85 nearly in half*, and had it not been for the waste of the people's money on the roads by an incompetent management, the rate would easily have been 90 cents, less than half of what it was under the Organization. Is there any good reason for a change in the county management?

KIBLER, HARRIS AND CALDWELL are the farmers' friends. They are as close to the farmers as it is possible to get. Ahern and Turner are lumber dealers, while Shallcross is an insurance man. Neither of them is in close touch with the farmers' interests. Mr. Farmer, who can take care of your interests best in the Legislature?

MR. DUNN WON'T RUN.

Mr. Paul Dunn, of the First District, has addressed a card to the Public through the TRANSCRIPT, in which he refuses to be a candidate for the State Central Committee on the Organization ticket. We understand that Mr. Dunn never finally gave his consent to be a candidate, and his name was used without proper authority from him. We hear every one of the Dunn family, the father and his six or seven sons, who are among the most highly esteemed residents of this county are for Mr. Samuel Caldwell for County Treasurer, and are doing everything they can towards his nomination. Come on, friend Ahern, you were with us too two years ago. Get in with the rush for you can't stem the tide, and call in your letters, Mr. Dodd. They need revision, with the *distinction* that Mr. Dunn won't run on your *creed*.

A WINNING ISSUE.

Messrs. Charles W. Kibler and James G. Harris, Anti-Organization candidates for the Legislature, have issued a circular to the farmers of the county, declaring their intention if nominated and elected to use their best efforts to secure the passage of a law providing for rigid State inspection and weighing of all grain shipped by our farmers. Our farmers have been heavy losers by the faulty and unjust methods of grading and weighing grain in Baltimore, and no one knows more about this than Mr. Kibler, who annually buys thousands of bushels of grain, and Mr. Harris, who is a farmer of years of experience. This is a splendid move on the part of these two candidates, and we are proud to say that so far as the farmers' interests are concerned, Messrs. Kibler and Harris, who are practical and experienced farmers, will do everything they can to advance the interests of the farmers, as well as all other elements of our population in securing such legislation as will benefit all.

A DISTINCTION WITH A DIFFERENCE.

One of the Organization candidates for the State Central Committee is sending letters broadcast over the county beginning in this fashion—"WITHOUT DISTINCTION OF CREED OR FACTION." The candidates whose names are signed to the letter are ORGANIZATION candidates. That is sufficient to identify them with a *faction*. They are identified with the Road Engineer. One of these candidates is the man who circulated those petitions from one end of the county to the other protesting against the repeal of the Gibbs Road Law in the last Legislature, and he was the most active man in the county in preventing the defeat of the law. That identifies them with a *creed* that is absolutely against the interests of the taxpayers. The Organization State Central Committee is for the Road Engineer and bad roads, and judging from past experience, they stand for the most pronounced kind of factionalism. Who has caused all the discord and unpleasantness in the present State Central Committee? And just to think, the letters will have to be all called in, for Mr. Dunn won't run.

A CHANGE OF ISSUE.

From 1903 to the present campaign the Kent News rang the changes on Barroll and Barrollism. They said everything bad that was possible to think of about Mr. Barroll. They attacked his character, his political record and even his business methods, only to make Mr. Barroll stronger than ever with the people. They have awakened to the fact that their attacks upon Mr. Barroll have proven boomerangs, and served only to strengthen the confidence of the people and tax-payers. *Now*, in their desperation for something to say from week to week in their editorial columns they are attacking Mr. Bowers. They are playing the same game with Mr. Bowers they played with Mr. Barroll, MAKING BOWERS AND THE TRANSCRIPT the issue in this campaign simply to divert the minds of the people from the many and telling issues the Anti-Organization faction has against them. The Anti-Organization faction has grown more powerful and more closely cemented with every recurrence of these attacks upon Mr. Barroll, and the Kent News has found it out. We predict the same result from their attacks upon Mr. Bowers. The tax-payers are not concerned with whether Mr. Bowers is or is not a liar. Such stuff as that don't ease the burden of excessive taxes and the squandering of the people's money. What the people are concerned with is "who spent $25,000 on the roads in 1912, when the law appropriated only $18,000?" "Who has demonstrated their ability to manage the financial affairs of the county better, the Organization or the Anti-Organization?" Who has proven their interest in the welfare of the people, the Organization, who ran the expense of the county up from **$110,000** to **$166,000** *in one year*, or the Anti-Organization who have reduced the indebtedness of the county **$78,000** *in three years?* This is what the people are concerned with. There are thousands of people in our county who don't care a snap whether Mr. Bowers is or is not a liar. But the people do care a mighty lot whether their tax rate is $1.85 or 94 cents. So let the Kent News continue its policy of calling Mr. Bowers a liar. The TRANSCRIPT will make the votes by showing the people who is responsible for EXTRAVAGANCE in our county management.

FOUND OUT THE TRUTH.

A well-known gentleman who recently removed to Kent county, but who has been an interested subscriber to the TRANSCRIPT for some years, made this striking statement the other day:

"I had been reading about all this extravagance and mismanagement of the county affairs, the bad road management, and the excessive tax rate before I came down here, and I thought, perhaps, like a great many others, that it was just a scheme on the part of the politicians to get in or keep in power, and they were playing politics with this, that and the other interest. But since I have come to live in Kent, and have seen conditions and studied them as they have been, I have come to the conclusion that the TRANSCRIPT was not lying but that it has been telling the truth. How in the world the people of this county can put up with the spending of $25,000 on its roads in one year, and have such roads as the people of this county are compelled to travel over is a marvel, and I do not wonder that the TRANSCRIPT is crying out against such business. I can testify from experience that I have had a wrong impression of things until I came here to live, and now I know that the things I have been reading are not lies, nor misrepresentations, but they are the truth. The county for its own sake should put a stop to such business. High assessments, bad roads and excessive taxes give any county a black eye, and we should get rid of those forces which are or have been responsible for such conditions. Let's do it quickly."

WHAT DO YOU THINK OF IT?

What do the people of the town and county think of a paper like the Kent News? A newspaper that has any regard for its standing in a community in which it circulates is supposed to be a moulder of public opinion, a fair and honest guide to the thought and opinion of the public. Its editorial columns are supposed to be filled from week to week with a discussion of questions that appeal to the welfare of the people. And especially in a political campaign, a newspaper that poses as a directing force of the thoughts and opinions of men, is supposed to present to the people such issues as give it a right to ask for the support of the people. What do you see in the editorial columns of the Kent News every week? *"He Simply Can't Help it"—"Lying Lips are an Abomination to the Lord"—"Another Wilful Misrepresentation"*—"Who knows himself a braggart, let him fear this: for it will come to pass that every braggart shall be found an ass"—Only such stuff as this week in and week out, WITH NOT A LINE OF INTELLIGENT DISCUSSION THAT SHOULD BE GIVEN THE PEOPLE WHO HAVE A RIGHT TO KNOW THE CONDITIONS EXISTING IN THEIR COUNTY AFFAIRS, Is it not disgusting and mortifying that a newspaper should occupy such a position as this—SEEKING TO DIVERT THE MINDS OF THE PEOPLE FROM QUESTIONS THAT APPEAL TO THEIR WELFARE BY COWARDLY ATTEMPTING TO DESTROY THE CHARACTER AND REPUTATION OF A FELLOW-CITIZEN AND A FELLOW-EDITOR? If the Organization candidates have no other issue upon which to ask the votes of the people than that "Mr. Bowers is a Liar," and "He Simply Can't Help it" and "Lying Lips are an Abomination to the Lord, etc.," we advise them to begin a revival service in the editorial sanctum of the Kent News, and bring about a genuine conversion of its editors.

MR. TURNER MUST ANSWER.

In view of the fact that the Kent News through its repeated attacks upon the party regularity of Hon. William L. Marbury, the Progressive Democratic candidate for the United States Senate, raised the issue of party loyalty, and challenged Mr. Marbury's right to participate in a Democratic primary, and in view of the fact that Mr. Howard Turner, who has been and is to-day regarded as a Republican, has announced his candidacy for the Legislature on the Democratic ticket, we assume the right to raise the issue of Mr. Turner's Democracy, and to declare that upon his past record he has no right to participate in the approaching Democratic primaries. Mr. Turner must answer these charges or he should withdraw from the Democratic ticket.

It is charged that Mr. Turner has voted the National Republican ticket in every election but the last. Mr. Turner has stated to the editors of the TRANSCRIPT that he is a Republican and that he was raised a Republican, and that his whole environment and surroundings have been Republican. Mr. Turner is reported by numerous of his friends to have voted for Taft in 1908.

It is charged that Mr. Turner voted for John D. Urie for State's Attorney in 1895 and 1899, that it is largely through Mr. Urie's influence with the Organization leaders in Chestertown that Mr. Turner was accepted as a candidate by them, and that he voted for Capt. Daniel Hill when he was a candidate for County Commissioner. It is also stated as a fact that Mr. Turner voted the entire local Republican ticket some years ago, when he was a voter in one of the Kennedyville precincts, and that his ticket is known to have been marked for *every* Republican candidate against every Democratic candidate.

Now with such charges as these hanging over his head, and with the generally accepted opinion that Mr. Turner has been regarded as a Republican or Prohibitionist, and has frequently so declared himself, it is up to Mr. Turner to explain his reason for accepting a place on the Democratic ticket in the primaries.
