Pussyfoot Type of Politician.

Here is a new kind of a politician. The American Issue, the official Organ of the Anti-Saloon League of Maryland, in speaking of Senator John Walter Smith says:

"The organization realizes that it is in for the fight of its life and that Senator Smith, while a good specimen of the pussyfoot type of politician is no fighter. It looks like the Senator is likely to lose out all around and if he does he will get what is coming to him. He has played fast and loose with the moral element. We warned him before the last session that this question would come up to plague him. If he had used his influence he could have passed the bill, fastened the moral element to him, been protected against onslaught from Washington and triumphantly swept the State. But he preferred to treat the temperance people as though they had the intelligence of children and play in with the vicious crowd which is now apparently about ready to dump him.

THE RELIGIOUS WORLD.

Chestertown M. E. Church, Rev. L. E. Barrett, D. D., pastor—Services next Sunday, June 8th, as follows: 10.30 A. M. preaching by the pastor, 2 15 P. M. Sabbath school and pastor's Bible Class; 7 P. M., Epworth League song service; 7.30 preaching by the pastor. All invited.

Sunday was a great day for the children at the M. E. Church. The pastor preached an educationol sermon in the morning to a large and representative congregation. Among other things he stated that this Republic could not permanently endure unless moral education was as univeraal as the suffrage. He paid a deserved compliment to the public school teachers, stating that these and the parents were the hope of the republic. In the evening a congregation that filled every nook and creivce in the auditorium gave special attention to the splendid program. The school sang with heartiness the beautiful songs, suitable to this service; the recitations were finely rendered, the infant class being in the lime-light. The collection by classes was large. Miss Lizzie Davis' class wining the banner as the largest contributor. Miss Fannie Stuart had charge of the singing and Mrs. F. H. Russell was chairman of the committee of arrangements.

Rev. Thomas L. Poulson, a well-known Methodist Episcopal clergymen, died at the home of his son-in-law in Ridley Park, Pa., at midnight on Monday. He was well-known throughout the Wilmington Conference.

Rev. Wm. R. Mowbray, pastor of Avenue M. E. Church, Milford, Del., has one of the best gardens in that vicinity and those who have observed the truck he now has growing there say he has the best white potato patch in Milford. Notwithstanding the great amount of church work that Mr. Mowbray has to do, he finds time to cultivate his garden and seems to heartily enjoy it.

The 45th Annual Convention of the Diocese of Easton was held in Princess Anne this week and was presided over by Bishop Adams. Rev. Dr. H. B. Martin and Hon. James A. Pearce represented Emmanuel Church, this town.

Children's Day services will be held at St. James M. P. Church to-morrow morning and in Christ Church, Chestertown, to-morrow evening. Pleasing programs have been arranged for each service.

Flying Machines Cause Excitement.

Four flying machines, all of them hydro aeroplanes from Annapolis created considerable excitement and intense curiosity in Chestertown on Tuesday morning. News of the approach was telephoned to the TRANSCRIPT from Quaker Neck, and it ran like wild fire all over the town that the flying machines were coming up the river. The streets were soon filled with men, women and children viewing what to many of our residents was the first glimpse of an airship. The four ships glided up the river and circled over the bridge and river with the ease and grace of a great eagle, and never once was there the slightest evidence of a hitch in their motion. It was one of the most interesting sights ever witnessed in Chestertown, and one of our county commissioners was so interested in the sight that he mounted the highest hitching rack in town to get a good view of the flyers. The ships were going about forty miles an hour in their circuit of the town, and the roar of their engines could be plainly heard by the spectators. They were some 1000 or 1500 hundred feet in the air, and as they glided gracefully and serenely, the birds of the air sat up and took notic and said to themselves, "Well, they have almost driven us from the earth, and now they are coming to take possession of the air." After remaining over the town for ten minutes, the ships were turned towards Annapolis, whence they came, and everybody was charmed with the performance of the birdmen, and numerous were the statements that at last has man conquered the air, when he can fly such a distance from Annapolis to Chestertown with such ease and grace. One of the ships alighted at the home of Mr. John G. Westcott, near the Cliffs. The birdman went up to the house, got a drink of water, oiled his machine and started for Chestertown. Each ship carried a passenger. Those who made the trip were Lieutenant Towers and Ensign P. N. L. Bellinger, Ensign Chevalier and Billingsley, Lieutenant Cunningham, Marine Corps, with Private Green as mechanician, and Lieutenant Smith, Marine Corps, with Chief Machinist's Mate Daniels as passenger.

Mr. Hecht's Will Filed.

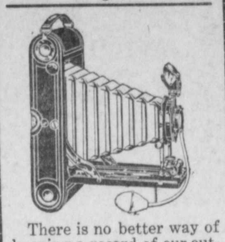

The will of the late Isaac Hecht, who committed suicide recently in his garage in Havre de Grace, was filed at Bel Air, Tuesday and contains the following bequests:

Dr. Eli Meyer and his niece, Anna Hecht, $500 each; to his nieces, Fannie Standauer and Rosa, Antonette and Eva Weiss, $200 each; to the Havre de Grace Hospital, $500; to the Hebrew Orphan Asylum, the German Orphan Asylum, the Hebrew Benevolent Society the German Aged Home, of Baltimore, the Hebrew Friendly Inn, the Hebrew Orphan Home of Atlanta, the Free Burial and Benevolent Society (yet to be organized) $100 aech; to his son, Lawrence W., a college education, and all the rest and residue of his estate to his wife for life with free permission to sell any or all of the same and reinvest at her pleasure, the remainder at her death to be equally divided between his sons, Lee and Lawrence.

The "Good Old Summer Time" is Again With Us

There is no better way of keeping a record of our outings and good times at home and on the farm than the KODAK way. Every one enjoys looking at good pictures—when they are a record of our good times they are all the more interesting.
There are hundreds of things on the farm, in town and on the water that we would love to have a picture of in years to come.

We have a full line of Eastman Kodaks and Supplies.

Give the girl or boy one for a graduation present. It will be a pleasure to you as well as to them.
