THE RELIGIOUS WORLD.

Chestertown M. E. Church, Rev. L. E. Barrett, D. D., pastor—Services next Sunday, June 15th, as follows: 10.30 A. M. preaching by the pastor, 2.15 P. M. Sabbath school and pastor's Bible Class; 7 P. M., Epworth League song service; 7.30 preaching by the pastor. All invited.

Christ Methodist Protestant Church, Dr. W. R. Graham, pastor. Regular services on Sunday and preaching by the pastor at 10.30 A. M. Short twilight service in the evening at 6.30 o'clock. Mid-week service Thursday evening at 8 o'clock.

Rev. Robert Watt, D. D., will preach in Galena M. E. Church Sunday evening at 8 P. M. Quarterly conference Monday morning at 10 A. M.

A big crowd attended the Children's Day exercises at St. James last Sunday morning, and a most excellent program was rendered. The order of service was the one prepared by the Methodist Protestant Board of Foreign Missions, and the music was very enjoyable. The collection, which is devoted exclusively to foreign missions, amounted to $36.

Rev. H. P. Jester, the pastor of St. James and Lynch, as well as his estimable wife, is becoming more popular with his people every day. Mr. Jester is a splendid pastor and a genial christian gentleman, and he and his wife are getting closer every day to the hearts and lives of his loyal people.

The Chestertown M. E. Sunday School will hold its annual picnic at Love Point Wednesday, July 16th.

Very interesting and enjoyable Children's Day exercises were held in Christ M. P. Church last Sunday evening, and the big auditorium was packed to the limit with an interested audience. The program was rendered by the little tots and younger scholars of the school, and each did much credit to the excellent committee which had charge of the exercises. The address of welcome was splendidly delivered by Miss Flossie Kent, while little Miss Lydie Wheat and Catherine Lambert, captivated the audience with their pretty recitations. A very pleasing exercise—"The Sunbeam Band", was splendidly rendered by Wm. Blakeney, Adelaide Lambert, Aline Jester, Catherine Kinsey, Hazel Reed, Catherine Wright and Walter Barnes, while another pretty exercise entitled "The Clock," was rendered by 12 young ladies. The singing was from the exercise arrarged by the Board of Foreign Missions of the Methodist Protestant Church. The collection was an important feature of the evening and was the largest for some years on a similar occasion. It amounted to more than $65, Miss Clara Usilton's class winning the banner with a contribution of $16. Miss Nettie Russell's class was second with $6 and W. W. Hubbard's class third, with $5. The banner was presented by the pastor, Rev. Dr. Graham, who congratulated the school upon the fine collection and excellent program. The plate collection swelled the total to $72, all of which is devoted to missions.

The Ladies' Aid of Kennedyville Methodist Protestant Church will meet on Friday next, June 20th, at the home of Mr. and Mrs. Frank Sylvester, Lynch's, Md.

Service at Kennedyville Methodist Protestant Church June 15th, will be Sunday school and pastor's Bible class at 9.30 A. M., preaching by the pastor, Rev. Frank S. Cain, at 10.30 A. M. and 8.30 P. M.; Christian Endeavor at 8 P. M. The Christian Endeavor and preaching service together will only occupy one hour. Services will close at 9 P. M.

CRITICISING THEIR OWN LAW.

The Organization faction drew up and passed the present Road Law. They provided that so much money should be spent on the roads every year, and left it to the discretion of the County Commissioners as to whether any more money than they appropriated shall be spent. What do you think of them for criticising the commissioners for enforcing a law which they themselves made?

POULTRY NOTES.

If you want to raise birds for exhibition, remember that the great essential is good feeding—fresh water and natural or artificial shade in the poultry yard. On the farm one has natural shade, but there are thousands of people now raising poultry in the city and suburbs and on plots where shade in some form must be provided to protect the fowls from the hot rays of the sun, expecially during July and the "dog days" in August. Poultry feel the depressing effects of heat the same as the human family, and the more comfortable they are made by providing shade the better they will grow during these two dry months. Natural shade is best, because it provides a good air drainage. It can be provided by bushes, fruit trees or shade trees. Peach and plumb trees are quick growers, and do well in the poultry yards. For the first two years they should be protected by a wire netting to keep the fowls from destroying the young shoots. They should be headed low and when three and four years old they will give a fine shade, in addition to yielding fruit.

Fresh cool water at least three times a day or more should be provided. This is in the majority of cases neglected, and is counted of small importance, yet every good poultry raiser will admit it is one of the important considerations if the best results are to be obtained.

The poultry hatched late, especially in particolored birds, make some of the finest show birds, coming on, if properly grown, in time for the large winter exhibits. They will also develop and make late winter layers, coming in to lay in January and February if properly handled.

Farmer Kills Himself.—Hamilton F. Price, a wealthy farmer and land owner of the First district of Cecil county, committed suicide Friday at his home near Earleville. Mr. Price had been missing for a day and an investigation by members of his family resulted in his body being found in a tenant house on the farm. Price had gone to the tenant house, and had blown out his brains with a shotgun. He was 57 years of age and is survived by three sons and three daughters. Of late the deceased had been in a despondent mood. He was well-known in this county.

Doing Their Duty.

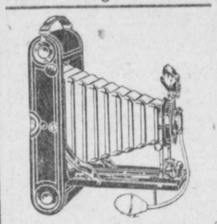

Scores of Chestertown Readers are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.
When they fail to do this the kidneys are weak.
Backache and other kidney ills may follow;
Help the kidneys do their work.
Use Doan's Kidney Pills—the tested kidney remedy.
Chestertown people endorse their worth.

Harry Hodgkin, merchant, Mill St., Chestertown, Md., says: "I had various symptoms of kidney trouble. There were pains through my loins and the kidney secretions were irregular in passage. My supply of Doan's Kidney pills was procured at Toulson,s Drug Store and they made me feel better in every Way."

Mr. Hodgkin is only one of many Chestertown people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mr. Hodgkin had—the remedy backed by home testimony. 50c all stores. The "Good Old Summer Time" is Again With Us

There is no better way of keeping a record of our outings and good times at home and on the farm than the KODAK way. Every one enjoys looking at good pictures—when they are a record of our good times they are all the more interesting.

There are hundreds of things on the farm, in town and on the water that we would love to have a picture of in years to come.

We have a full line of Eastman Kodaks and Supplies.

Give the girl or boy one for a graduation present. It will be a pleasure to you as well as to them.

BETTER than SPANKING

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co. is an Old Reliable House—write to them to-day for the free medicine. Cure the afflicted members of your family, then tell your neighbors and friends about this remedy.
