MR. HOWARD TURNER is not a Democrat because 30 or 40 men say they believe he is. MR. TURNER IS A REPUBLICAN BECAUSE HE SAYS HE IS.

EVIDENTLY the Organization forces are trying to put Turner over a winner and they are giving Bob Shallcross the go by. We'll tell you a secret about that in another article.

IT LOOKS now as if former Attorney-General Isaac Lobe Straus, who began as a Progressive candidate for the United States Senate for the long term, will be Senator John Walter Smith's reactionary candidate for the short term against Senator Lee, although a great number of Senator Smith's friends on the Eastern Shore have publicly endorsed Senator Lee. Did you ever see such hurdy-gurdy politics? Reminds us of Kent county Organization politics.

IT is really not necessary for the TRANSCRIPT scribe to write any editorials in defense of the Anti-Organization forces. The Kent News is just brim full of the best Anti-Organization campaign material from week to week that you would went to see. ITS PERSONAL ATTACKS UPON MR. BOWERS, ITS ATTACKS OF A PERSONAL NATURE UPON THE ANTI-ORGANIZATION CANDIDATES, AND ITS EXPLANATION OF THE CAUSES OF THE LOW TAX RATE, *with the absence of a single issue that gives the Organization a claim upon the people's votes, are making votes for the Antis every week.* Give it to 'em, b'hoys; you are doing us lots of good.

FROM 1903 to 1909, the Organization faction spent from $35,000 to $40,000 a year on the roads, nearly every dollar of which was given in interest bearing certificates; and in the last six months of 1909 THEY SPENT $35,000 ON THE ROADS, and this is what caused a tax rate of $1.85. And just as soon as they lost control of the County Commissioners office they passed a road law through the Legislature that has enabled them to retain control of the roads, spend as much money as ever, and yet have the worst roads in the history of the county. It is the only part of the county government over which the Organization has control, and if it were not for the waste of the tax-payers money on the roads the tax rate would have been 90 cents instead of 94 cents.

BEST PROOF IN THE WORLD.

Mr. John C. Turner, a well-known and most reliable farmer living in Queen Anne's, near Millington, says that he is a cousin of Mr. Howard Turner, and that to his knowledge Mr. Howard Turner has always been a Republican, with the probable exception that for the past several years he may have voted the Prohibition ticket. Mr. Turner made this statement to a friend in Millington several weeks ago. What better proof can you ask than that?

HOW ABOUT THIS?

The Kent News is censuring Mr. Marbury, who says he never was a Republican in his life, nor was he ever on the Republiaan ticket, and it is endorsing Mr. Howard Turner, and aiding his candidacy, when Mr. Turner admits that he is a Republican, and has voted the Republican ticket time and again. That is what Mr. Anderson, the superintendent of the Anti-Saloon League, calls "Pussyfoot politics." It is a game of 'tis and 'taint, and yet it reminds us of the Kent News' explanation of the low tax rate.

A DREAMER.

An Organization man went to bed the other night and had a nightmare about the 94 cent tax-rate. He thought he saw the tax-rate coming at him in a menacing mood, and in his terror he cried out—Oh! Mr. 94 cent tax-rate, if you will just go way and let me sleep, I'll be a good Anti hereafter. I'll never spend $35,000 on the roads in six months any more as long as I live. I'll try to get a road engineer that is a real engineer, and I'll never spend $25,000 on the roads, when I only ought to have spent $18,000, and oh! Mr. 94 cent tax-rate, if you'll just go way and let me sleep, I'll never call Tom Bowers another liar as long as I live. Please Mr. 94 cent Tax-Rate, I feel so bad about the way we have been doing that I am ready right this minute to be one of those 430 rode workers, who get a dollar and a half a day for 30 days in the month, and if you wont do anything to me, I'll go out and throw all the dirt in the middle of the roads so the dust will be fourteen inches thick from here to Tolchester, and in August I'll go to the polls and vote the Anti-Organization ticket. Please Mr. 94 cent Tax-Rate don't hurt me. I'll be good, deed I will. He went out next morning and told the clerk to the County Commissioners that the 94 cent Tax-Rate has played smash with the Organization forces' chances in the coming primaries.

PETITIONS ARE NO GOOD.

The TRANSCRIPT charged Howard Turner with being a Republican or Prohibitionist and furnished the proof of his past record. His friends got busy and circulated a petition to get people to say they believe he is a Democrat. The TRANSCRIPT can get a thousand people in the county to say that he has always been known to them as a Republican. With but few exceptions every man on that petition is an organization man, and it is natural that an effort should be made to protect their candidate. BUT WHEN MR. TURNER HIMSELF ADMITS, AND HAS NOT DENIED, THAT HE HAS VOTED THE REPUBLICAN TICKET in every national election except the last, that he voted for Capt. Dan Hill for County Commissioner, and that he is generally considered to be JOHN D. URIE'S CANDIDATE FOR THE LEGISLATURE, what is the use of trying to place people in an embarrassing position by making them say they believe so and so. Let Mr. Turner speak. Let him state whether he said at a festival in Worton several Saturday nights ago that he did vote for Capt. Dan Hill. Let him deny the fact that he is John D. Urie's candidate, and let him deny that he told the editors of the TRANSCRIPT that he is a Republican by rearing and environment. MR. TURNER IS A REPUBLICAN, AND HE KNOWS THE TRANSCRIPT KNOWS IT, and he has no place on the Democratic ticket.

WHAT DO YOU KNOW ABOUT IT?

We have been reliably informed recently that a gentleman went to the office of Mr. John D. Urie to pay a note. He handed over the money, and as Mr. Urie handed him his receipt it is reported that the following conversation ensued:

Mr. Urie—"There is but one other favor I have to ask of you."

Mr. ——. "Well, what is that?"

Mr. Urie. "I want you to vote for Howard Turner for the Legislature in the Democratic primaries."

Mr. ——. "Why, Mr. Urie, Mr. Turner is a REPUBLICAN; what's he doing in the Democratic primaries?"

Mr. Urie. "That's all right, he is going to be a candidate, and I want you vote for him."

The gentleman left Mr. Urie without making any promises.

This strange conversation took place several weeks *before* Mr. Turner announced his candidacy.

As a sequel to the above conversation we were informed one day this week that there is a deal on between the Organization forces and Mr. Urie to the effect that if the Organization can nominate Mr. Turner, Mr. Urie will go on the Republican ticket for the Legislature, and he will throw the Republican vote to Turner in the election in exchange for the Organization vote for himself, and the representation in the next Legislature will be Beck in the Senate and Turner and Urie in the House. Now in view of the fact that Mr. Turner has not denied that he voted for Urie for State's Attorney in 1895 and 1899, and in view of the alleged anxiety of Mr. Urie to have Mr. Turner nominated on the Democratic ticket, does it not look reasonable that there is something more than idle rumor in the reported deal between Urie and the Organization Democrats? Is this the secret of Turner's being on the Democratic ticket? And where would our tax-payers be if such a combination as this goes through?

Injured in Runaway.—Mr. Dixie Smyth, of near Fairlee, was seriously injured in a runaway accident on Monday. Mr. Smyth was driving four horses to a reaper and was on his way to his field to cut rye. In going down the hill at Mr. Joseph Leaverton's, some part of the harness broke, and in his efforts to control his horses, he was thrown from the reaper, sustaining a fracture of three ribs and a bone in the back of one of his hands. He was also considerably bruised and shaken up. He was hurried to the home of his brother, Prof. Wm. G. Smyth in Mr. T. B. Kilburn's auto, and Dr. Smith, who happened to be in a store in the village, was quickly at hand to render medical attention. We are glad to state that Mr. Smyth is doing well and receiving the best of attention from his brother and family and also from his sister, Miss Carrie, who is at her brother's home recuperating from a recent illness.

THE TRUTH ABOUT IT.

By request we are giving a comparative statement of the indebtedness of Kent county, for the last three years, under the previous management, starting with 1908. The comparison in interest paid out in the different times as compared below is also interesting, showing this:

Bonded debt of Kent county at the time of striking levy in 1908.	$27,000.00
Certif. " " " " " " " " " " " " " 1908.	53,733.00
Total debt of Kent county in 1908	$80,733.75
Bonded debt of Kent county at the time of striking levy in 1910.	$25,000.00
Certif. " " " " " " " " " " " " " 1910.	85,757.21
Total debt of Kent county in 1910	$110,757.21
Total debt of Kent county at the time of striking levy in June 1910	$110,757.21
" " " " " " " " " " " " " " " 1908.	80,733.75
Increase in debt of county in 3 years	$30,025.46
Intr'st paid by Kent connty at the time of striking levy in June 1910.	$4,328.75
" " " " " " " " " " " " " " " 1908.	2,825.97
Increase in interest of county in 3 years	$1,492.78

At the same ratio, the debt of Kent county would be today, had the Organization retained control of the Board, $140,780.67, while under the presen management it is only $32,202.51.

ARE YOU WITH WOODROW WILSON?

(1.) The Democratic Party under the leadership of Woodrow Wilson is more than fulfilling the trust reposed in it by the American people; but the Democratic Party is still on trial. Unless it can bring forward leaders who are Progressive in the Wilson-Bryan sense of the word, unless it places in office men thoroughly in sympathy with President Wilson then the Democratic Party stands convicted of disloyalty and failure.

The Republican Party repudiated Taft. The disastrous result is an example to Democrats. A man who fights against Woodrow Wilson is no man. The candidates on the anti-Organization or administration ticket in Kent are above all things else Wilson-Bryan supporters.

(2.) Inspired by the example of Wilson and Bryan who are fighting the Jim Smith machine in New Jersey, Tammany Hall in New York, their friends in Maryland are determined to break the grip of the Smith-Vandiver-Harrington machine. If you vote to elect a reactionary or anyone connected with the anti-administration faction in Kent to office you vote to strengthen the power of this machine throughout this State.

With the encouragement of the administration at Washington and under the leadership of Hon. Blair Lee there has never arisen such an opportunity to crush our State machine since the Civil War.

(3.) In Kent county the anti-organization stands for the same principles that Woodrow Wilson represents nationally:—

(a) The rule of men, not money.

(b) Efficiency and economy in the management of the affairs of the public.

(c) Elimination of politics from the public roads and schools. Administration of public business for the public welfare.

These statements are not empty phrases to catch votes. For ten weary years the Democrats of Kent have fought for these ideals against a powerful and unscrupulous machine, supposedly financed from the treasure chests of John Walter Smith.

Extravagance and machine politicians had nearly bankrupted Kent county and had degraded the Democratic Organization until it was on a level with the Jim Smith machine which disgraced the State of New Jersey. We have fought the same fight in Kent which made Woodrow Wilson triumphant in New Jersey and later placed him in the White House. Shall we desert our gods at home when they are triumphant throughout this nation?

March 4th, 1913, in the Inaugural Address, Woodrow Wilson said of the future of Progressive Democracy:—

"We know our task to be no mere task of politics, but a task that will search us through and through, whether we be able to understand our time and the need of our people, whether we be indeed their spokesmen and interpreters, whether we have the pure heart to comprehend and the rectified will to choose our high course of action.

"This is not a day of triumph; it is a day of dedication. Here muster, not the forces of party, but the forces of humanity. Men's hearts wait upon us; men's lives hang in the balance; men's hopes call upon us to say what we will do. Who shall live up to the great trust? Who dares fail to try? I summon all honest men, all patriotic, all forward looking men to my side. God helping me, I will not fail them, if they will but counsel and sustain me!"

THERE IS BUT ONE RESPONSE TO THIS APPEAL IN KENT COUNTY. VOTE FOR AND NOMINATE THE ANTI-ORGANIZATION TICKET FROM TOP TO BOTTOM.

Respectfully yours,
L. WETHERED BARROLL.
