SANDY BOTTOM DEPARTMENT STORE!

MR. FARMER, while you are sitting upon your self-binder, cutting your crop of wheat, or are watching your corn and other crops mature, just think of how much less taxes you will have to pay with a 94-cent tax rate, than you had to pay with a $1.85 rate. Then remember that it was the Antis who did this for you, and late in August you go to the primaries and return the favor by voting to keep the Antis in power, and don't forget to vote for KIBLER AND HARRIS FOR THE LEGISLATURE, as well as every other Anti candidate, for there only is your financial safety.
