GOV. GOLDSBOROUGH will issue a writ of election for the election of a United States Senator this fall to succeed the late Senator Rayner, and the election will be in November. This means that a short term Senator will be elected in the fall, and the successor to Senator John Walter Smith will be chosen by popular vote in the fall of 1914. The TRANSCRIPT will support State Senator Blair Lee for the short term and William L. Marbury for the long term. So far as Senator Lee is concerned the Democrats of the State may as well make his election unanimous, for he is able to defeat any man who opposes him. It looks, however, that Senator Lee will have opposition, and some of those who have heretofore declared for Lee may be forced to cover, and support Straus or William Sheppard Bryan.
