Only One "Best"

Chestertown People give Credit Where Credit is Due.

People of Chestertown who suffer with weak kidneys and bad backs want a kidney remedy that can be depended upon. Doan's Kidney Pills is a medicine for the kidneys only, and one that is backed by willing testimony of Chestertown people. Here's a case.
Mrs. Frank Robinson, N. Calvert St., Chestertown, Md., says: "Doan's Kidney Pills certainly live up to the claims made for them. They benefited after doctors' medicine and all else had failed. I was often dizzy and nervous, my head and back ached. Kidney secretions annoyed me. When I heard about Doan's Kidney Pills, I immediately got a supply and they did their work well, giving me prompt and satisfactory relief. I am now strong and well."
Mrs. Robinson is only one of many Chestertown people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask *distinctly for Doan's Kidney Pills*, the same that Mrs. Robinson had—the remedy backed by home testimony. 50c all stores. NO CHANCE FOR THE ORGANIZATION.

Senator Smith has made it known that he will not oppose any of the Maryland appointments made by President Wilson, and a special dispatch from Washington states that W. Finley Collins' appointment as postmaster at Millington, together with other Maryland appointments, would be confirmed by the Senate yesterday. This means that Senator Smith realizes that he will not be recognized by the President in the Maryland appointments, not because of any personal enmity to Senator Smith, but because the President regards Senator Smith and Senator Smith's friends as reactionary in their political views and actions, and the President has stated publicly that he will have progressives and progressives only to assist him in his administration, and Senator Smith knows what that means. The Organization has not the slightest chance to land anything in Kent county, now that Senator Smith says he will not oppose the President's appointments.

ELIMINATION OF SMITH.

Believed in State Political Circles That He Will Not Be a Candidate for Senator in 1914.

OLD MACHINE IS DEAD.

The Baltimore American, the Organ of the Democratic State Machine, and the only paper in Baltimore that has been making a hard fight for the nomination of Senator John Walter Smith to succeed himself in the long term Senatorship, has this to say of the failure of Senator Smith and his Organization to get a candidate against Senator Lee for the short term:
"It now looks like Lee in a walk. With the Organization hopelessly divided, there isn't a ghost of a chance to beat him. Candidates may oppose him in the primaries, but unless they are in the fight for purposes of advertisement, they will simply waste their time and money. Up to last Monday there was some indication of the leaders joining hands and getting behind a city man, but Senator Smith put a crimp in the proposed combination by withholding his consent. With Talbott already out, Smith's indecision was all that was needed to break down the opposition.
In local political circles it is the concensus of opinion that Lee's success this year means the elimination of John Walter Smith in 1914. His course has alienated some powerful influences, which will rally to the support of a city man next year. Among the rank and file his refusal to fight Lee is regarded as a surrender, and the charge of cowardice will be used for all it is worth. Straus, who was not a candidate for the short term, is still an avowed aspirant for the long term, and he intends to remain in the fight. Meanwhile he will continue campaigning in the counties. With Lee in the Senate, overshadowing Smith and dictating party policy, the senior senator will be losing caste, and the administration forces many be expected to make the most of their opportunity.
In speaking of Senator Lee's probable course, the Sun, which is close to Senator Lee politically, on Tuesday said:
"That Lee is determined to wrest control of the party organization from the old machine is well-known. That was the principal reason they tried so hard to get a candidate against him. The Senatorship itself is not particularly important and it is generally believed in political circles that had Lee been willing to give the "old guard" and particularly the city people, certain desired assurances of regard there would have been no serious effort to beat him. His failure to do that convinced the "old guard" that he meant trouble. And now that opposition to him has failed it is taken for granted he will redouble his efforts to line up the progressives for a pitched battle for the party Organization."
And herein lies the secret of the Senator Smith's friends on the Eastern Shore declaring sometime ago for Lee. They declared for Lee because they wanted to use him in the national administration to get a few plums, and because Lee refused to play, Senator Smith wanted to fight Lee, but he waited too long, and now Lee has got the whip hand of Smith.

Jury Term of Court.

An extra jury term of Kent county court was convened on Monday with Judges Constable, Adkins and Hopper on the bench. The case on trial was removed from Cecil county. Contractor T. Jackson Willis, of Cecil, sued the Cecil County Commissioners for building abutments and filling in a bridge over Big Elk Creek, near Elkton. There was about $8,000 involved. The plaintiff is represented by William T. and Henry A. Warburton, of Cecil; H. H. Barroll & Son and Senator William W. Beck, of Kent. The commissioners are repeesented by Fred T. Haines, Heister Hesse, of Cecil; Lewin W. Wickes and State's Attorney H. W. Vickers, of Kent.

The wheat crop in Queen Annes is reported to be a failure. In many instances the yield will not be over 10 bushels per acre. Late frosts are thought to be the cause of the shortage in yield.
