DON'T DELAY

Some Chestertown People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small, neglected troubles that so often lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, wornout feeling, may be nature's warning of kidney weakness. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there yet is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been successfully used in thousands of cases of kidney trouble for over 50 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Endorsed at home. Read Chestertown testimony.

Mrs. I. M. Elyman, High St., Chestertown, Md., says: "One of our family had backache and other symptoms of weak kidneys. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they gave relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

CHAPTER 402.

AN ACT to propose an amendment to Article 3 of the Constitution of this State by adding a new Section, to be known as 40A; and to provide for the submission of said amendment to the qualified voters of this State for the adoption or rejection.

Section 1. 40A. The General Assembly shall enact no law authorizing private property to be taken for public use without just compensation, to be agreed upon between the parties or awarded by a jury, being first paid or tendered to the party entitled to such compensation, but where such property is situated in Baltimore City and is acquired by this State or by the Mayor and City Council of Baltimore, the General Assembly may provide for the appointment of appraisers by a Court of Record to value such property, and that, upon payment of the amount of such valuation to the party entitled to compensation, or into Court and securing the payment of any further sum that may be awarded by a jury, such property may be taken.

Sec. 2. And be it further enacted by the authority aforesaid, That the said foregoing section, hereby proposed as an amendment to the Constitution, shall at the next ensuing general election, to be held on Tuesday next after the first Monday in the month of November, 1913, be submitted to the legal and qualified voters thereof, for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State, and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Article 14 of the Constitution.

CHAPTER 515.

AN ACT to amend Section 21 of Article 4, title "Judiciary Department," sub-title "Part III, Circuit Courts," of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of the two houses concurring, That the following section be and the same is hereby proposed as an amendment to Section 21 of Article 4, title "Judiciary Department," sub-title "Part III, Circuit Courts," of the Constitution of this State, and if adopted by the legal and qualified voters thereof as herein provided, it shall supersede and stand in the place and stead of Section 21 of said article 4.

Sec. 21. For each of the said circuits (excepting the eighth and third) there shall be a chief Judge and two associate Judges, to be styled Judges of the Circuit Court to be elected or appointed as herein provided.

And no two of said associate judges for any of the said circuits, except the third circuit shall, at the time of their election or appointment or during the term for which they may have been elected or appointed, reside in the same county. If two or more persons shall be candidates for associate judges in the same county in any of the circuits, except the third circuit, that one only in said county shall be declared elected who has the highest number of votes in the circuit. In case any two candidates for associate judge in any of the circuits, except the third circuit, residing in the same county, shall have an equal number of votes greater than any other candidate for associate judge in the circuit, it shall be the duty of the Governor to order a new election for one associate judge; but the persons residing in any other county of the circuit and who has the next highest number of votes shall be declared elected. The said judges shall hold not less than two terms of the Circuit Court in each of the counties composing their respective circuits, at such times as are now or may hereafter be prescribed to which jurors shall be summoned; and in those counties where only two such terms are held, two other and intermediate terms, to which jurors shall not be summoned; they may alter or fix the times for holding any or all terms, until otherwise prescribed, and shall adopt rules to the end that all business not requiring the intervention of the jury shall be, as far as practicable, disposed of at said intermediate terms.

One judge in each of the above circuits, including the third circuit, shall constitute a quorum for the transaction of any business, and the said judges, or any of them, may hold special terms of their Courts, whenever in their discretion, the business of the several counties renders such terms necessary.

The additional associate judge for the third circuit herein provided for, shall be elected by the qualified voters of Baltimore and Harford Counties, at the first election that shall be held in said counties subsequent to the adoption of this amendment, and the judge so elected shall be subject to the same constitutional provisions, hold his office for the same term of years, receive the same compensation and have the same powers as are herein provided for the other associate judges in the third circuit.

Sec. 2. And be it further enacted by the authority aforesaid, That the aforegoing section hereby proposed as an amendment to the Constitution of this State shall be, at the next general election for members of the General Assembly to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of directions contained in Article 14 of the Constitution of this State, and at the said general election, the vote on the said proposed amendment shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now prescribed by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Article 14 of the Constitution.

CHAPTER 63.

AN ACT to amend Section 3 of Article 5 of the constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members elected to each of the houses concurring, That the following section be and the same is hereby proposed as an amendment to Article 5 of the Constitution of this State, and, if adopted by the legal and qualified voters thereof, as herein and by law provided, it shall supersede and stand in the place and stead of Section 3 of said Article.

Sec. 3. If any person shall give, or offer to give, directly or indirectly, any bribe, present or reward, or any promise or any security, for the payment or delivery of money, or any other thing, to induce any voter to refrain from casting his vote, or to prevent him in any way from voting, or to procure a vote for any candidate or person proposed, or voted for as an elector of President and Vice-President of the United States, or Representative in Congress or for any office of profit or trust, created by the Constitution or Laws of this State, or by the Ordinances, or authority of the Mayor and City Council of Baltimore, the person receiving the same, and any person who gives or causes to be given, an illegal vote, knowing it to be such, at any election to be hereafter held in this State, shall, on conviction in a Court of Law, in addition to the penalties now or hereafter to be imposed by law, be forever disqualified to hold any office of profit or trust, or to vote at any election thereafter.

But the General Assembly may in its discretion remove the above penalty and all other penalties upon the vote seller so as to place the penalties for the purchase of votes on the vote buyer alone.

Sec. 2. And be it further enacted by the authority aforesaid, That the said foregoing section hereby proposed as an amendment to the Constitution shall at the next election for members of the General Assembly of this state to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and thirteen (1913), be submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State; and at the said election the said proposed amendment shall be printed upon the official ballot and the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now provided by law, with an appropriate box to vote for and against the same as the voter shall select. Wheat threshing is about completed in this section and quite a short crop, which causes quite a hardship to our farmers, but rather than become discouraged they go on with a firm determination to do their part in sowing seed and make the best of the harvest.

Quite a unique sight was witnessed in the field of our good friend, Mr. Geo. Rasin, on Wednesday when two threshing machines were running at full blast, and succeeded in completing his threshing that afternoon. On Monday Mr. Earl Nickerson started threshing and got along nicely until Tuesday A. M., when the machine refused to work right, and his father and brother came to his rescue in the afternoon with their machine, but by that time the break had been repaired and it was running O. K. On Tuesday evening some friends of Mr. Rasin made it up among themselves to go and help their friend to get through threshing, so on Wednesday they took Mr. Rasin by surprise when men and teams gathered there and told him they were going to run both machines so as to get through and it is rumored that even his pastor was one to help on the yard. It is needless to say Mr. Rasin greatly appreciated the kindness of his friends and takes this method of expressing his thanks to one and all.

Good Methods Must Give Place to Better

Perhaps you have been sending messages by mail or messenger. Both are good methods---but the telephone is better.

Perhaps you have been depending on customers to come in personally to your store, or on the order clerk who goes about on foot. That may be a good way---but the telephone is better.

Why not use the quickest and surest way ---the Bell telephone?
