Buys Farm.—Mr. Clifton L. Jarrell, of Chestertown, has purchased the Burris Supers' farm in Queen Annes county, located in Double Creek. The farm contains 100 acres. Mr. Jarrell owned a tract of land of 100 acres adjoining the Supers farm. He will throw the two tracts together making a 200-acre farm. The price paid was $4,000, and possession will be given Jan. 1, 1914.

Road to be Built.—Mr. Robert S. Jones was before the Board of County Commissioners of this county on Tuesday. Mr. Jones is the gentlemen recommended by Mr. Miller to build the shell road from Betterton to Still Pond station. Mr. Jones made a most favorable impression upon every one he met. He is now purchasing equipment for the construction of this much talked of piece of road and expects to commence operations on Tuesday next. He will start at the station and work toward Still Pond. The road will be built under the supervision of the State Roads Commission.

Sturgeon for the Deleware River.—The National Bureau of Fisheries has purchased three carloads of sturgeon from Roumania and will depoist them all in the Delaware Bay, in the effort to restock that body of water with this much desired fish. Shipments later will be made to this ccuntry to be deposited in the Chesapeake Bay, and it is believed that many deposited in the Delaware Bay will eventually find their way into the waters of the Chesapeake. The caviar sells as high as $7 a pound, and the importance of restocking the bays with them is self-evident. Some years ago quite a large number of these fish were caught each season.

Saved From Drowning.

The Baltimore American Says:

"Robert Iula, 614 North Fulton avenue "Baltimore, was saved from drowning Sunday afternoon off the bathing beach at Betterton by Miss Ethel May Ferguson, of New York, who is spending the summer at the resort with her mother, Mrs Emma J. Ferguson.

The rescue of the young man, who is a flute player of some prominence, was witnessed by several hundred persons.

Sunday night Miss Ferguson, who is a strikingly attractive maiden, was showered with congratulations by the townfolk of Betterton.

"It was the first time in two years that a near drowning case occurred at Betterton. Miss Ferguson is a nurse and a graduate of the Maryland Homeopathic Hospital. Since her graduation in 1910 she has made her home in New York City and in the summer visits her mother and relatives who live in Betterton.

"Miss Ferguson was enjoying a swim with several girl friends about 20 feet from Iula, when she heard his cries. She dived and made for the frantic youth. He had sunk twice, and was unable to call for help when he rose for the second time. He appeard to be unconscious. Miss Ferguson threw one arm about the young man and in quick time assisted him into shallow water. The many bathers in the water hardly realized the seriousness of the situation and it was only when Miss Ferguson clutched at a rowboat for support that the truth dawned on them."

NOTICE TO THE PUBLIC.

The law is positive that persons must not leave trash in the ditches along the public roads. One-half of the washes on the roads are caused by farmer's leaving weeds in ditches and thereby preventing water to flow in natural channels. The law says:

167 L. "Any person, or corporation placing any obstructions of any kind whatsoever upon the public highways or bridges, roads, lanes, streets, avenues, or alleys, of Kent County, or interfering with or obstructing any of the ditches or drains thereof, or encroaching upon the same with fences or other obstructions or any person or corporation, its agents or employees, exercising the business of a common carrier, permitting his or its vehicles, steam or other engines or cars to obstruct any crossing for more than five minutes for any one time, shall be guilty of a misdemeanor, and shall be liable to prosecution at the instance of any tax-payer of said county, and upon conviction by any Justice of the Peace exercising criminal jurisdiction in Kent county shall be fined in an amount no less than One Dollar nor more than Twenty-five dollars for each offense."
