James G. Beck,

OUR DEATH RECORD.

MR. J. WELCH CREW.

Mr. J. Welch Crew, one of Kent county's oldest and best known citizens died at the home of his son, Mr. T. E W. Crew, near Lankford, last Friday evening, of the infirmities incident to old age. The deceased was 88 years old and is survived by three children; viz: Mr. J. W. Crew and Miss Ida Crew, of Baltimore, and Mr. T. E. W. Crew, this county. Mr. Crew was of a jovial and generous disposition and had many warm personal friends throughout the county. Funeral services were held Monday morning conducted by Rev. T. N. Given, of Fairlee, assisted by Rev. Dr. L. E. Barrett, of Chestertown, and the the Rev. Mr. Dupuy, of Rock Hall. The pall-bearers were: Messrs. Walter B. Strong, Isriel Walbert, Thomas Vandyke, Walter T. Morris, James T. Anthony. The interment was in Chester cemetery, undertaker J. E. Ferguson, in charge.

MISS SADIE DONAHOE.

Miss Sadie Donahoe, daughter of Mr. Thomas J. Donahoe, of Masseys, died Monday last, after a lingering illness of typhoid fever, aged 21 years. Miss Donahoe was a young lady of unusual brightness and possessed many noble tracts of character. She was very popular in her community and had a large number of friends and admirers. She has been teaching school at number 10 school near Masseys. Her funeral services were held on Wednesday from the residence of her father and was very largely attended.

MR. EDWARD COPPER.

Mr. Edward Copper, son of Mr. Wm. E. Copper, of Baltimore, died of consumption last week, aged 31 years. He was a nephew of Mr. Chas. W. Copper, of this town, and was well-known here where he was a frequent visitor.

The Shade Tree Problem.

The following letter from Mr. Symons is in answer to one written to him by Mr. Barroll. We publish it in full in order that the citizens of Chestertown may be fully informed as to what is being done to ascertain the case of our shade trees dying:

MR. HOPE H. BARROLL,
Chestertown, Md.

MY DEAR SIR:

Your communication of the 1st inst., was duly received. Mr. Boyd, who asked me to come to Chestertown to look over the situation there, kindly pointed out your place, and mentioned the fact that you had some trees dying, but I did not have time to make an examination. I shall be glad to have some one come and make a more thorough examination of the situation in your town as early as possible. In the meantime I hope the town authorities will see fit to investigate the gas mains that are runing in front of Dr. Simmons' home, as well as toward the main street which goes down to the boat. I may be wrong in the assumption that the gas was the trouble in these particular cases, but from a personal examination there was no other conclusion other then it was either due to the gas or electric wires. It is certainly very sad to have the town robbed of these lovely shade trees, and I trust that you may be able to ascertain the reason for their death. I shall have our Landscape Specialist come to Chestertown as early as his engagements will permit.

Thanking you for your letter, I am,
Very truly yours,
THOMAS B. SYMONS, Dean.

PEOPLE'S COLUMN.

MESSRS. EDITORS:—

"If Mr. Urie feels that the interests of his own party are not jeopardized by throwing to one of the two opposing factions what influence he has among Democrats, we are going to observe how quickly the Antis would bring the question of morality, right and justice to bear upon the political situation, when Mr. Urie places the weight of his influence on the Anti side of the factional scales, and notice whether they will politely tell him, 'you are not wanted.'"—(From an eloquent but ungrammatical defense of Shallcross and Turner's campaign manager, the Hon. John David Urie—Kent News, July 26th.)

The above statement is unkind as well as inaccurate. There is not a single Anti or People's candidate who would accept nomination if he had to obtain the same as the wax figure of Hon. John David Urie.

A man who is a real Democrat will join in heaving the Hon. Urie out of the party as enthusiastically as Bryan threw Charles Murphy and Tammany Hall out at the Baltimore Convention, which nominated Woodrow Wilson.

HOW COULD WE JOIN WITH THE MACHINE POLITICIANS IN KENT IN WELCOMING THE HON. URIE'S EFFORTS TO "COME BACK" IN COUNTY AFFAIRS?

In 1900 with Urie Reactionaries in control Kent county was bankrupted. Pages from the financial ledger of the county had to be secretly destroyed so that the gentlemen who managed the county affairs might escape from the penalties of the statute against malfeasance.

The 1913 program of Kent's Reactionaries hatched from the brain of their leader, Hon. John David Urie is:

(a) Nominate Howard Turner for the Legislature even if every other Reactionary candidate fails in the Primary.

(b) Elect both Turner and Hon. John David Urie to the Legislature in the November election.

(c) With Turner and the Hon. Urie in the House and Beck in the Senate it will be a simple trick (it was tried but failed in the last Legislature because of the vigilence of Messrs. Miller and Harris) to legislate the Progressive Democratic County Commissioners out of office and by the same statute to name in place of these men Commissioners controlled by Hon. John David Urie.

If this Urie-Turner conspiracy succeeds just one result will follow:

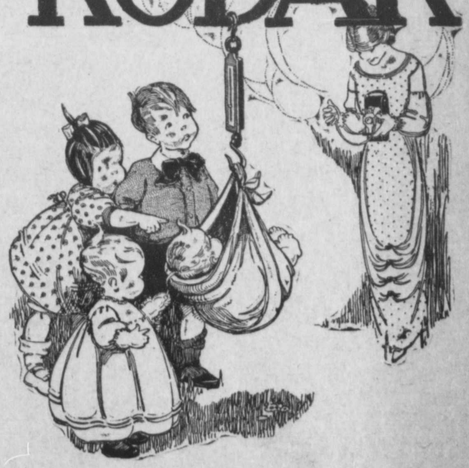

A. The Republican blight of 1900 will return.

John David Urie will control not only the public schools, but with the county commissioners, he will have the public roads with the taxing power John David Urie will hold the county purse strings, with his man Turner in the Legislature, J. D. Urie, will pass the laws under which the fair lands of Kent may be prosperous—or otherwise. NOMINATE SHALLCROSS OR TURNER AND URIE WILL BE BOSS.

DEMOCRAT.

It is noticeable that the present Clerk of the Court, James T. Dixon, was up the county last week at the Organization rally at Jack Redmile's. It is generally known to be a fact that Mr. Dixon never goes out after anything except where it will advantage himself. But a few wise heads have been winking at each other and it is generally believed that Charlie Dodd and Jimmy Dixon will lock horns two years hence and Jimmy has a winning way which Charlie had better look out for.
