Red Men Putting on War Paint

Mr. John W. Walker, Great Sachem, accompanied by Past Great Sachem John W. Lowdenslager, representing the Improved Order of Red Men visited Chestertown lately and were in conversation with Mr. Olin B. Stafford, Mr. Wm. A. Burk and Mr. Enoch Latham, who are making strenuous strides in organizing a tribe of said order in this locality. They have 47 names on the list now and expect to have at least 60 by the time of institution, which was decided by those present and sanctioned by the Great Sachem to be Saturday, the 6th of September, at which time the Great Sachem expects to have in attendance one of the crack degree teams of the State to confer the degrees, as also a representation of Sitting Bull Tribe at Rock Hall, Osceola Tribe at Piney Neck and Tockwogh Tribe at Massey, all of which are in Kent county and are good hustling branches of the order. This new tribe has started right as they are in a position to give $250.00 death benefits and all become full beneficial for same at time of institution. They also will arrange to give $4.00 a week for 12 weeks, $2.00 for the next 12 and $1.00 for as long as the brother is sick. The order has at present 10,000 members in the State and has made a steady increase during this term which ended the 30th of June, and we look for at least 400 more by the last of December. The Great Sachem is trying to have a band in attendance, but at this time has not met with much success, all information as to the aforesaid tribe can be obtained of either Mr. Olin B. Stafford, Mr. Wm. A. Burk or Mr. Enoch Latham, who will be pleased to be interviewed on the subject. A preliminary meeting will be called on Monday evening, August 25, 1913, and all are requested to be there at Odd Fellows' hall.
