SECRET OF THE $1.85 TAX RATE.

If the Organization forces had done as they should have done and paid the indebtedness which the Republicans piled up against the county when the Organization assumed charge of the commissioners office in 1903, and had stopped right there, they could very easily have declared a tax rate of less than $1.00 in 1904. But instead of that by bad business methods and less interest in the welfare of the tax-payers of the county, they kept on piling up the expenses and wasting the people's money till in 1909 the people drove them from power and placed the Antis in control of the commissioners office. An expert accountant was employed, and he found that the Organization forces had run the county expenses up to the astounding sum of more than $166,000 by wasting the tax-payers money on the roads, and acting with good business judgment and sound common sense the Anti-Commissioners determined that the business like thing to do was to pay all the debts which the Organization had piled up at one time as far as the Antis knew them, and it required a tax rate of $1.85 to pay this $166,000 of expenses which the Organization had incurred. The Antis in the three years following Organization control have reduced the county expenses from more than $166,000 to more than $100,000 and have reduced the tax-rate from $1.85 in 1910 to 94 cents in 1913-14, and the Organization may try to deceive the people from now until the day of the primaries but here are the facts in the case AND THE ONE REAL AND ALL IMPORTANT FACT IN THIS CAMPAIGN, WHICH OVERSHADOWERS ALL OTHERS AND WHICH SHOULD CAUSE THE DEFEAT OF *every* ORGANIZATION CANDIDATE ON THEIR TICKET IS THE 94 CENT TAX RATE.

FAIR NOTES.

Do not forget the Baby Show on Tuesday, which is children's day.

There will be interesting and exciting boat races on Chester river on Thursday morning of the fair, beginning at 10 o'clock.

The Chestertown band has been engaged to furnish the music during the fair. They will give a concert on the public square each day of the fair.

Let the sprinkler be run each day during the fair if the weather is dry, and let's make the town as pretty as can be.

The entries for the races closed on Tuesday at midnight. The list is a fine one, and you may expect to see the track record of 2.12 go during the meet. The entries will be found in another column.

Mr. A. Leon Brown has arranged to feed and care for all teams at his home near the fair grounds. He will take your team and bring it back to you after the races.

Be sure to see the great balloon ascension and parachute jump on Wednesday and Thursday, the big days.

Excursions will be run over the Queen Annes and Love Point Road from Lewes, Del., and way stations on Wednesday and Thursday, and the Pennsylvania Railroad will run a special excursion on Thursday.

Mr. Charles Brice, the well-known merchant of Betterton, has been granted the privilege for selling pop corn and salt water taffy at the fair.

CHAUTAUQUA NOTES.

Chautauqua will be here on Monday, September 1, and continue for one week. Those who subscribed for tickets have been receiving them during the week, and Miss Hershey, Chautauqua representative, has been here thoroughly advertising this and Queen Annes counties. Those who desire season tickets at $2 each, may send their names to either Mr. Fred G. Usilton, president of the committee, or to Mr. Thomas D. Bowers, the secretary, and as many tickets as may be desired will be reserved. The program is far better than last year. You may see every feature on the program for $2, but if you attend only one, two or three entertainments, it will cost you 35 cents for each. Every one who desires one or more season tickets should let the committee know at once, and our people should purchase their season tickets through the committee and thus assist in raising the necessary guarantee.

There will be seven full days this year for $2. The program is a grand one, and everyone can afford to invest $2 for the moral and educational uplift of his community.

Another pleasing feature of this year's Chautauqua will be the junior or children's Chautauqua every morning in charge of an experienced instructor. This will be a most pleasing feature for the children.

Among the noted lecturers will be Frank Dixon, Dr. Hillis, Senator Gore and then there will be the great Florentine Band, Rossani, the Magician, and other delightful features that no one should miss. Tho committee wants to sell about 300 more season tickets in order to come out "square". Will you help?

DINNER AND SUPPER.

The Ladies of the Methodist Protestant Church will serve DINNER AND SUPPER in the Hall, in Kennedyville, on Primary Election Day, SEPTEMBER 8th, so you can come and spend the day at the polls without the fear of returning home hungry, for they will feed you regardless of party or creed, and the price asked will not be exorbitant. a23-3t.

TO FEED & CARE FOR TEAMS.

I will be prepared to feed and care for teams during the Kent and Queen Annes Fair, at my home just below fair grounds.
