A Watch for the Summer Girl

This is the season of freedom—the outdoor season of sports and pastimes. Any restraint, whether of clothes or adornment is a burden now.

What a relief to the Summer girl to have a sturdy, inexpensive watch to replace the delicate one that she constantly fears she may break or lose during the outdoor months.

We have attractive silver or enameled watches at moderate prices and then there's the little gun-metal Ingersoll midget at $2.00 and guaranteed. Look over our assortment.

THE NEWS IN BRIEF.

Circus—Downie & Wheeler's—September 3.

Miss Mollie Watts has rented the Kent Hotel for next year.

The colored Odd Fellows will hold a convention here next week.

Sixty babies are entered in the baby contest at the fair on Tuesday. It will be a sight to see them.

A large contingent of town and county folks attended the Easton fair on Thursday.

Mr. C. Romie Skirven has shipped to date 2,100 baskets of peaches for which he has received good prices. County Commissioner T. Benj. Crew has shipped between 5,000 and 6,000 baskets and Mr. James G. Harris nearly as many.

Mr. Daniel W. Woodall, Jr., has rented the Copper farm in Queen Annes near Chester bridge for next year. He has moved over.

Mr. A. K. Heller has resigned as superintendent of the laundry, and a Mr. Jones has succeeded to the superintendency.

Mr. A. L. Sparks will soon inaugurate a piano voting contest that will appeal strongly to his patrons and all careful buyers in his line.

Proprietor J. Waters Russell has installed a new 60-horse power boiler in the laundry, and the business will go with a rush from now on.

Quite a number of our farmers' horses are suffering with distemper. Mr. Wm. T. Nicholson lost a valuable mare from the disease last week.

Mr. Purnell Jones has rented the H. L. Crewe farm near Betterton for next year. Mrs. Crewe and family will probably locate in Betterton.

Mr. Harvey Blyman has accepted a position as quarter-master on the Ericsson Line steamer Anthony Groves, and left for his duties last week.

Why don't somebody have the nerve to start a crab packing factory in Chestertown? There is a strong demand for such an industry here.

The steamer Joppa has been making the trips for the B. S. Ford during the week, the latter steamer having been used for excursion purposes in place of the Love Point, which broke her walking beam.

Mr. William Steele has been awarded the contract for the erection of a windmill and tank on the Jarrell home farm, tenanted by Mr. Charles Sutton, to replace the one recently destroyed by lightning. Mr. Steele also has a big job to do for Mr. J. F. M. Woodall and another on the Green Point farm, tenanted by Mr. Spencer Comegys.

It looks as though the tomato season is about ten days earlier than last year. Mr. Walter H. Hadaway said on Tuesday that he shipped his first tomatoes last year on Sept. 1, while his first shipment went out this season on Tuesday morning, Aug. 19th. The Rock Hall cannery has also begun operation. Mr. Hadaway has a 55-acre "patch," and he says his prospects for a good yield are bright.

The Buckholz sale of antique furniture last Friday, advertised in the TRANSCRIPT, was attended by a big crowd, especially of ladies, many going from as far away as Centreville. Articles bought fancy prices. The Grandfather's clock was bought by Mr. Spencer Newnam, of Centreville, for $90; Mrs. Scott Beck bought a Colonial sideboard for $85 and a china closet for $61, while a handsome centre table brought $50 and another one $45. Other things sold proportionately high. Auctioneer Jack Jester kept the crowd on the move. Mr. Buckholz paid Mr. Jester a very fine compliment by saying that he had attended many sales, but he had never seen a crowd handled better or things disposed of with more system than by Mr. Jester. This is the opinion of every one who has Mr. Jester to cry his sale.
