TIME TO ACT

Don't Wait for the Fatal Stages of Kidney Illness. Profit By Chestertown People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are frequent symptoms of kidney disorders. Its an error to neglect these ills. The attacks may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Chestertown proves the effectiveness of this great kidney remedy.

Mrs. Albert Rawleigh, Calvert St., Chestertown, Md., says: "One of my family suffered from kidney trouble. There was sediment in the kidney secretions and the passages were too frequent. He had pains through his back and kidneys and at times was dizzy. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they made him well."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
