Munsey Trust Company Advantage.

The Munsey Trust Company will allow interest on checking accounts at the rate of 3 per cent. on daily balances of $200 and over. We will not compute our interest on the "Even Month's Principle," which is worked in two ways. One is to deduct from the balance at the end of the month all deposits made during the month; the other is to take the lowest balance during the month and allow interest on that amount.

EXAMPLE:

Date.	Debit.	Credit.	Balance.
January 1st,			$ 1,000
January 3d,		$1,000	2,000
January 5th,	$1,000		1,000
January 9th,		10,000	11,000
January 31st			11,000

By the first method the depositor would receive no interest, as the deposits of the month amounted to $11,000, which, deducted from the balance at the end of the month, $11,000, leaves nothing on which to compute interest. By the second method the depositor would receive 3 per cent. interest on $1,000, being the lowest balance for the month.

By the Munsey Trust Company method depositors would receive interest on the money actually on deposit day by day—or $20.71—so:

	Interest.
First method	.00
Second method	$2.50
Munsey Trust Co. method	20.71

Isn't this a matter of sufficient importance to warrant you giving it careful thought? In fact, isn't it so exceedingly important that you owe it to yourself to open an account with the Munsey Trust Company to-morrow?

Lose First Game.

Washington College football squad went to Ellicott City last Saturday for the first game of the season, and were defeated by the Rock Hill College team by the close score of 7 to 6. The showing of the home team was good for the first real scrimmage, and shows that Coach Kibler has an excellent chance to make a great record for the college before the season closes.

In line plunging the visitors had it all over the home team, as they seemed to be able to plough through the Rock Hill line at will. This advantage was offset by their inability to hold the ball. The forward passes were worked badly on both sides.

Corbett, Mueller, Staley and Gately played best for Rock Hill, while Branham, Moore and Frampton and Strong excelled for the visitors. Corbett seemed to be everywhere.

THE SUMMARY:

Rock Hill.	Position.	Wash. College.
M. Collins	Left end	Lewis
Greene	Left tackle	Carrett (capt.)
Wilson	Left guard	Sterling
Doyle	Centre	Larrimore
Rosend'e, Malone	Right guard	Strong
C. Collins	Right tackle	Healey
Corbett	Right end	Pitsch
Staley	Quarterback	Moore
Schmidtiger	Left halfback	Branham
Mueller	Right halfback	Bowen
Gately	Fullback	Biddle
