LOCAL MATTERS

Will of Late George B. McWhorter.—The will of the late George B. McWhorter was admitted to probate in the Orphans' Court on Tuesday. The will creates a trust with Hope H. Barroll, Esq., as trustee, he to pay to the testator's widow during her life the net income from the estate. Upon the death of his widow, the property belonging to the deceased at the time of his death is to be sold, and the proceeds are to be divided equally among the children then surviving. The will is dated May 11th, 1909, and was witnessed by W. B. Copper and Samuel Hicks.

Serious Fire at J. Raymond Bonwell's.—Practically all of the outbuildings on the farm of Mr. J. Raymond Bonwell, near Locust Grove, together with harness, hay, 100 bushels of corn and most of the farm implements were destroyed by fire of an unknown origin last Wednesday night. The dwelling, meat house and chicken houses were saved by the heroic efforts of Mr. Bonwell and his neighbors. Fortunately there was no loss of stock. Mrs. Bonwell's pet cat, however, has been missing since the fire. The loss is estimated at about $3,000 with insurance in companies represented by Mr. James G. Beck and Mr. Tilghman Shafer.

THE NEWS IN BRIEF.

Tuesday was "Apple Day." Did you get a bite?

The Mite Society of the Kennedyville Presbyterian Church has decided to have the church painted at once.

Mr. J. F. Thompson, agent, has sold to Capt. Herbert Fletcher, of Broad Neck, a Ford touring car.

The town commissioners are having a cement culvert erected over the drain ditch at Bordley's corner. Mr. Mack Patrick and force are doing the work.

The Steamer B. S. Ford has been taken from the Chester river route and the Joppa is making the run in charge of genial Capt. Taylor and his affable and obliging officers.

Mr. Paul B. Graham has accepted a lucrative position with the State Road Commission with headquarters at Ellicott City, and has entered upon his duties.

The firm of Graham, Clements & Sutton have sold and delivered this week two 1914 Buick turing cars with all the latest appliances. Mr. David Clements bought one and a private party the other.

Next Wednesday will be a big day in Chestertown. Racing at Radcliffe Park, and Republican speech making in the afternoon and a big church supper and flower show in the Lyceum Theatre in the evening, and Thursday will be just as big.

The residence of Mr. Irving L. Dempsey in Galena was damaged by fire last Sunday morning. The fire was caused by the bursting of a lamp, which ignited some papers in the third story. The loss is about $300, covered by insurance.

Messrs J. G. Harrison and Sons, of Berlin, shipped their last peaches last week. The total shipment filled 63 cars, making 19,174 bushels. The net proceeds were $25, 838.73. The average price per bushel was $1.33.

We have had so many inquires concerning the corn which we brought from New Freedom and which yielded 175 bushels to 1¼ acres, and an average of 125 bushels per acre, that we have it on exhibition in our office, and we shall be glad to show it to those who may desire to see it. We believe we can secure a quantity of this corn for seed corn for several of our farmers direct from Dr. Bowers' farms in Pennsylvania at moderate rates if anyone cares to purchase small lots.

TRU-SHEEN at Newnam's Music Store.

It snowed for two hours during the heavy gale on Monday night. Mr. and Mrs. Wm. T. Hicks were on the road in a team, and Mr. Hicks says it was the roughest night he has experienced on the road. The gale left a cold wave in its trail, and there was ice and a heavy frost on Wednesday morning.

Among those in Chestertown who have fine specimens of Chrysanthemums now blooming are: Mr. Charles D. McCleary, Mrs. Frank E. Duyer, Mrs. Belle Smith and Mrs. Thomas D. Bowers. The latter had three lovely yellow blooms at Christ Church last Sunday, two of which measure eight inches in diameter. Mrs. Whittier C. Copper's cannas are still beautiful, and Mrs. T. D. France has had the finest display of dahlias in town.

A meeting of the Federated Club will be held at the home of Mrs. W. W. Hubbard on Saturday evening, October 25th, at 8 o'clock. All members are asked to be present. Mrs. Albert L. Thursday, Friday and Saturday Will Be Opening Days For Hopkins Tailored-to-Measure Clothing.

ON NEXT THURSDAY, FRIDAY AND SATURDAY we're going to give you the same opportunity to get a HOPKINS TAILORED-TO-MEASURE SUIT OR OVERCOAT that you would have were you at Hopkins Tailoring Company's Baltimore headquarters.

On these days we will conduct the Fall and Winter Opening of the Hopkins line.

An expert—from that organization of experts—will be here to show you their enormous line of patterns and materials for the coming season, and to take your measurements for whatever you may need.

When you order a Hopkins Suit or Overcoat you are assured of getting one finished inside and out with every little nicety and detail of design and workmanship that identifies them with men who DO care about their personal appearance.

But, even though you're not ready to order, come anyway. You're sure to decide the kind and style you'll want later.

Right-Posture School Suits for Boys!

Deep Breathing Means Sound Lungs

Yours for Deep Breathing

"Right-Posture."

¶A physical culture director of the public schools asked the Snellenburg Clothing Co., of Philadelphia, if something might be done in the construction of boys clothing to help in the great educational campaign against round shoulders. The question started a line of investigation, and the result was "RIGHT-POSTURE" Suits for boys which contain an ingenious construction which is patented.

¶A reinforced hood or yoke braces both the shoulders and shoulder blades. In the hood is attached an ADJUSTABLE elastic band which neither binds nor interferes in the least with the free movements of the body and arms. The band is a reminder to the boy who would stoop.

¶The coat is beautifully made, with shoulders set well back, and a springiness of contour which gives a military carriage and suggests pride in bearing.

BOYS' SUITS, $2.00 to $10.00.
