YES—
we're making quite a good many
OVERCOATS
as well as SUITS—any style, any length, any color you want at any price from $12.50 up, and they all possess that same individuality that's only obtainable in made-to-measure garments, and what should also be interesting to prospective buyers. We are rendering this superior service at very much less cost than you can NOW buy anything equal it in ready-made clothes. No stock to carry and carry over, no large rents and insurance and general expenses that must enter into the cost of your Suit or Overcoat from the general dealer, is why I can and am convincing by comparison every day.

QUICK service—six days after I take your measurements the garments are delivered to you.
