ATTORNEY GENERAL'S INSTRUCTIONS TO VOTERS.

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with and indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof, in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by making likewise in the appropriate space a cross-mark (X) against the answer you desire to give.

If you wish to vote for some one whose name is not printed on the official ballot you can write the name of such person in the blank space on the ballot provided for that purpose and place the cross-mark opposite such name in the blank space provided therefor.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted, but in the counties of Anne Arundel, Calvert, Charles, Kent, Prince George's, St. Mary's, Somerset, Talbot and Worcester, it is unlawful to take into the polling place any stencil, ruler, measure or any other mechanical device of any material or form as a means of aid, guide or assistance in marking your ballot. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

In Baltimore City and all of the Counties of the State except Anne Arundel and Worcester, voting for more candidates than there are offices to fill only invalidates the vote for that particular group in which the mistake occurs, but in the counties of Anne Arundel and Worcester, the whole ballot will be rejected in such event.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his ballot must make affidavit to that effect if he desires assistance. The two polling clerks after such an affidavit has been made, can accompany him into one of the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote; or place any distinguishing marks upon his ballot, or who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has maked his ballot, shall be punished by a fine of not less than five ($5.00) dollars nor more than one hundred ($100.00) dollars, or by imprisonment in jail for a period of not exceeding sixty (60) days, or by both fine and imprisonment in the discretion of the Court.

Mrs. Margie P. Finley has returned from New York, where she was sent to the General Convention as delegate from the Woman's Auxiliary and has secured Bishop Rowe, of Alaska, as one of the speakers at the annual meeting of the Woman's Auxiliary which will be held in Chestertown, Nov. 12th and 13th. Bishop Rowe will address the Juniors on Wednesday, Nov. 12th, at 3 P. M., and the congregation at 8 P. M. The speakers for Thursday night will be announced later. The public is cordially invited to all meetings.

The Sunday school of Chesterville M. E. Church, South, will hold a Rally Day service Sunday morning, Nov. 2nd. Special services will begin at Millington M. E. Church, South, Sunday night to continue throughout the week. The public is cordially invited to attend these services.

Still Pond M. E. Church, F. X. Moore, pastor.—Next Sunday, Nov. 2, will be known as home-coming Sunday. Notices have been sent to all members of the church at home and abroad, requesting them to be present to answer to their names when the roll is called, or if not able to be present in person to send a letter of greeting and testimony. There will be special music for the occasion. Mrs. Wm. Gisriel, of Baltimore, will be present to sing and her young son, Leslie, will play the cornet. Revival meetings begin at the evening service. The pastor will be assisted by Revs. Don Colt, F. F. Carpenter, E. C. Gisriel and others.

Betterton M. E. Church.—Ground has been broken for the new church and the work is progressing rapidly. The ground breaking exercises last Friday morning drew a large number of members and friends, all of whom were eager to have part in breaking the ground. The Ladies' Aid Society, which has labored so unceasingly to make possible the new church, was represented in full force. The first shovel of earth dug was by four elderly ladies—Mrs. Geo. E. Owens, being the oldest living member of the church, was appointed to steer the shovel, while Mrs. Hannah Gooding, Mrs. W. R. Young and Mrs. Elizabeth Crew, pressed it into the earth and lifted the soil. The corner stone laying will likely take place on Thanksgiving Day.

Hick's Forecast For November

The regular storm period, covering the first days of November bids fair to be a decidedly stormy and inclement period. It is central on the 4th coincident with the center of the Venus equinoctial period. The Mercury period will also add its perturbing power to these disturbances. As these storms travel eastward across the country, from about the 3d to the 7th they will grow in intensity and extent, until most parts of the country will feel their influence and direct forces.

A reactionary storm period will bring a return of storm conditions—falling barometer, change to warmer, southerly winds, with probable thunder and rain—on and touching the 9th, 10 and 11th. The moon being on the celestial equator on the 9th, storms of rain, wind and thunder will be natural consequences on and touching that date.

A regular storm period involves the 14th to 19th, center being on the 19th. The moon is at extreme north declination on the 16th, which fact will tend to suppress the change to colder, which would normally follow the storms of this period. If low barometric areas should cover the southern parts of the country with counter storms moving out of the northwest at this time, cold, frosty weather will spread soutnward after this storm period, giving an early smack of winter to states far toward the gulf, say from about the 17th to the 20th.

A regular storm period covers the last week in November, having its astrological center on the 27th. The moon is also at new, or in conjunction with earth and sun, on the 27th. The barometer will fall, and other indications of brewing storms will appear westward by the 25th and 26th, but decided autumnal storms of rain and wind, turning to snow northward, will traverse the country from west to east on and touching the 27th, 28th and 29th.

SULZER EVIDENCE NOT USED.

Mrs. Dix Shown to Have Spent Much More Than Successor.

Bureau of The Baltimore American,
1005 World Building,
New York, October 25.

Investigators trying to "get something on Sulzer" turned up a lot of interesting things that never were used for impeachment purposes. Investigator Hennessy drew a parallel between the things bought by Mrs. Sulzer and those bought by Mrs. Dix, wife of the previous governor, the Tammany rubber-stamp governor.

Mrs. Dix's list was topped by one silver tea set at $850. There also were three "tea cloths" costing $119; sheets at $40; pillow slips at $14 each. Some of the other purchases follow:

The Dix List—One powder puff, $3; two button hooks, $9; 16 whisky glasses, $16; two dozen trousers hooks, $6; two silver bonbon boxes, $18; toilet set, $9.

The Sulzer List—Twenty-six yards of silk, $13; two bottles of hair tonic $5.50; six cakes of dog soap, $1.25; two dozen bottles of malt extract with iron, $7 60; one box of ointment "for the Governor," 50 cents.
