The Musical and Literary Club was entertained by Miss Irene Crownhart on Friday evening.

To-morrow (Sunday), Nov. 30, will be red letter day in the religious life of Betterton, it being the day set for the corner stone laying of the new M. E. Church. The Methodist Church having grown up with the town and being the only organized religious society in the community, up until the last few years, naturally has a vital claim upon the people. Therefore it is expected that there will be a large attendance at tomorrow's exercises and a liberal response to the call for financial aid. It will be an all day affair. At 10 A. M. services will be held in the old church. Dr. L. E Barrett will preach the sermon at 2.30 P. M. There will be another meeting at the old church at which time Mr. W. R. Young will read the history of the church and others will make short addresses. Following this the congregation will march in a body to the site of the new edifice and participate in laying the stone. The new church, when completed, will be a handsome and comodious structure. It will have a capacity sufficiently large to meet the requirements of the growing congregation, Sunday school and other societies. It will have a concrete basement equipped with an assembly room, a kitchen and furnace room. The superstructure will be built of frame and include a church auditorium, a Sunday school room, a primary room and pastor's study, all connected by rolling partitions or folding doors and when all are opened into one room there will be a seating capacity of about 500. Much credit is due the Ladies' Aid Society and the Betterton Bayside Land Association who donated the ground for the beginning of the project.
