YES—

we're making quite a good many

OVERCOATS

as well as SUITS—any style, any length, any color you want at any price from **$12.50** up, and they all possess that same individuality that's only obtainable in made-to-measure garments, and what should also be interesting to prospective buyers. We are rendering this superior service at very much less cost than you can NOW buy anything equal it in ready-made clothes. No stock to carry and carry over, no large rents and insurance and general expenses that must enter into the cost of your Suit or Overcoat from the general dealer, is why I can and am convincing by comparison every day.

QUICK service—six days after I take your measurements the garments are delivered to you.

At the earnest request of a number of our fellow ...ftsmen we agreed for reasons which seemed to us good and sufficient to raise the price of plain shoeing on Sept. 1st, 1913, to $1 per set.

Some of our fellows, however, felt that for good reasons they wished to again make the price 75 cents per set, and we hereby notify the public that on and after Nov. 19, 1913, the price of plain shoeing in our shops will be ... cents per set. We solicit a ...tinuance of your patronage ...mising to give the best service we can and not keep you waiting ...ong to get your work.
