A Real Xmas Treat!—The big preparations made by Medders & Co. for Christmas time finds appreciation from all parts of the county. These people have their greatest Xmas display this season, and trade has begun quite early this year to do their shopping. Next Wednesday and Thursday "Old Kris" appears on their roof, and the children all know what this means, as *Old Santa Claus* always brings them a nice treat of candy and nuts and oranges. A trip to Medders & Co.'s big store in Still Pond to see all this Christmas show is much enjoyed and appreciated by the people.

Old Kris and his children will be in Chestertown on Tuesday on the 11 A. M. train and will distribute to the children absolutely free 1,500 packages of candy, nuts, oranges, fruit and toys. Come on, boys and girls, here is your chance.

A Suggestion.—We would respectfully suggest to the merchants of the town who have organized for the purpose of having a Christmas demonstration on the 23rd for the benefit of the children, that it would be a capital idea to decorate the public square and the fountain in an appropriate Christmas scene, have the Electric Light Company to illuminate the fountain and park with different colored electric lights, and have all the stores and business places illuminated the evening following the afternoon when Old Kris comes to town. Some plan for an appropriate short entertainment in the park could be devised, and the occasion might very appropriately assume the roll of a community Christmas tree. Try it.

SHOEING.

At the earnest request of a number of our fellow craftsmen we agreed for reasons which seemed to us good and sufficient to raise the price of plain shoeing on Sept. 1st, 1913, to $1 per set.

Some of our fellows, however, felt that for good reasons they wished to again make the price 75 cents per set, and we hereby notify the public that on and after Nov. 19, 1913, the price of plain shoeing in our shops will be 75 cents per set. We solicit a continuance of your patronage promising to give the best service we can and not keep you waiting long to get your work.

ENGINES

Have you seen our new Kerosene Engines? It is the Fairbanks-Morse make, and is the most satisfactory oil engine on the market. Come and see it.
