NATIONAL & STATE BANKS

ONE of the most vital and important regulations of the National Banking Law is that which controls what is known as the "LEGAL RESERVE." It requires that 15 PER CENT. OF ALL DEPOSITS shall be kept on hand.

The following statement of the deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, January 13th, 1914:

	Deposits.	15 % Reserve.	Reserve Held	Per Cent.
Third National	$635,280.85	$95,292.13	$122,542.84	19.20
Chestertown Bank.	409,231.15	61,384.67	33,683.68	8.23
Kent Savings	349,451.40	52,417.71	34,141.27	9.80

After reading the SWORN STATEMENTS published last week, and the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The THIRD NATIONAL BANK cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large RESERVE, but we KNOW it is better banking. Over $100,000 on hand with which to meet immediate demands. Think of the above while doing your banking. Your business solicited. Interest paid on all Savings Deposits.

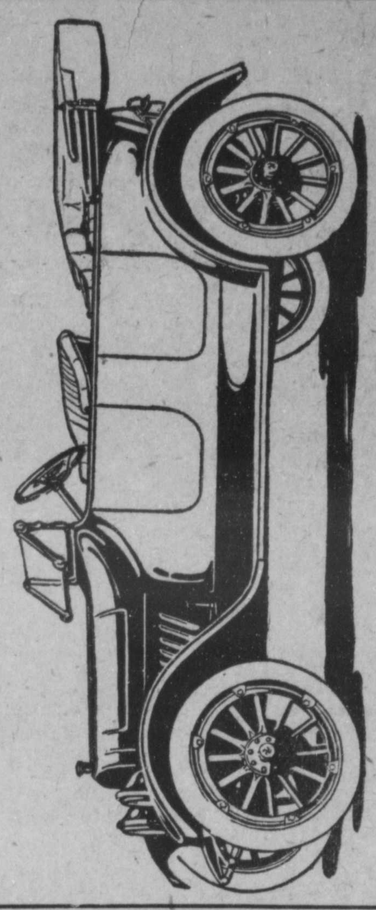

We Have No Borrowed Money, No Bad Debts.

Very respectfully,

THE THIRD NATIONAL BANK

LOCAL TALENT EXCELLS

Suffragette Convention and Minstrel at Lyceum Theatre Tuesday Evening Drew Packed House.

That Chestertown has talent that excells in any line of entertainment was manifested on Tuesday evening when the Suffragette Convention, whose cast consisted of a number of Chestertown young ladies and the minstrels, composed of Chestertown young men, of splendid [illegible] played to an audience where [illegible]ding room was at a premium. The entire affair was under the direction of Miss Mayme Thompson who is to be congratulated upon the success of the affair, which was given for the benefit of the fund being raised by the good people of the town and county for the erection of an Emergency Hospital and Old People's Home. That the people are deeply interested in this movement is manifested by the fine audience present, and we hope that other towns in the county will arrange something for the benefit of the movement. Both the convention and the minstrel show were fine, and whether women want to vote or not they enjoyed the arguments pro and con, and whether you wanted to laugh or not the minstrels made you forget your troubles. The jokes, solos, parodies, quartettes and choruses were good, and believe [illegible] but you will go pretty well into professional ranks to beat Joe Wheatley, Clarence Newcomb, Charles Smith, Lewin Howard and Clif Coleman.
