NATIONAL & STATE BANKS

ONE of the most vital and important regulations of the National Banking Law is that which controls what is known as the "LEGAL RESERVE." It requires that 15 PER CENT. OF ALL DEPOSITS shall be kept on hand.

The following statement of the deposits of three banks of Chestertown shows what reserves these banks held at the time of their last sworn statement, January 13th, 1914:

	Deposits.	15 % Reserve.	Reserve Held	Per Cent.
Third National	$635,280.85	$95,292.13	$122,542.84	19.20
Chestertown Bank.	409,231.15	61,384.67	33,683.68	8.23
Kent Savings	349,451.40	52,417.71	34,141.27	9.80

After reading the SWORN STATEMENTS published last week, and the above exhibit, which do you think is the STRONGEST and SAFEST bank in which to transact your banking business? The THIRD NATIONAL BANK cannot make as much money for its stockholders by adopting the policy of keeping on hand such a large RESERVE, but we KNOW it is better banking. Over $100,000 on hand with which to meet immediate demands. Think of the above while doing your banking. Your business solicited. Interest paid on all Savings Deposits.

We Have No Borrowed Money, No Bad Debts.

Very respectfully,

THE THIRD NATIONAL BANK

of Chestertown, Md.

COME GET 'EM! DON'T

GO GET 'EM. No occasion to go to the city for reductions in

CLOTHING

for the INTERNATIONAL TAILORING CO. has instructed me to cut prices on one hundred and sixty good patterns from their large line of Fall and Winter Stock.

Cuts than are cuts, and to the early Spring purchasers, we say: Come look at the magnificent display of All-Wool Imported and Domestic Fabrics now on display. Twenty-five per cent. less than you can obtain same quality and service for. Compare and see.

The Reason? It's the same, no stock to carry, no large rents and general upkeep.

Respectfully,

W. E. Moody,

Authorized Representative of the International Tailoring Co., New York, Chicago and London.

Office under the Voshell House, next to Robert McWhorther's,

SAL-VET.

The great majority of the sickness and fatalities in stock is due to causes arising from indigestion and worms. These enemies are subtle and insistent and are likely to begin their ravages and eat up your profits before you suspect anything is wrong. Therefore, to get the best results, prevention is the thing to be accomplished.

The one remedy which leading stockmen agree is not only a preventive of worms and indigestion, but also a remedy, is SAL-VET, a worm destroyer and stock conditioner, which costs so little, and is so easy to give, that it is rapidly replacing all other remedies everywhere.

It stimulates the appetite and aids digestion. It is an effective tonic and blood builder. It rids the stomach and intestines of worms, and better still, it prevents infection by these parasites. It is put up in handy size packages, and we have them in stock from 10 lbs. to 100 lbs., all sold with the manufacturer's guarantee.

CLOVER SEED.
