NOTHING

BUT MADE-TO-MEASURE CLOTHES.

No ready-made, consequently, no stock to carry; no large upkeep, and, consequently, we are making clothes to order. Fit, quality and workmanship fully guaranteed. Same quality for less money than you can buy ready-mades. The large line comprising 500 styles of all wool suitings for Spring and Summer is ready for inspection—$12.60 the suit, gradually leading up to the finest imported fabrics. Ask some of the large number we clothed last year about this service and the price.

Respectfully,

W. E. MOODY, Chestertown, Md.,

Special Representative of the International Tailoring Co., of New York, Chicago and London.

Office under the Voshell House, next to Robert McWhorther's.

Jr. O. U. A. M. Anniversary.

The Junior Order United American Mechanics will observe their 15th anniversary next Thursday evening in the skating rink. There will be addresses by several of the State officers, together with music and refreshments. Every member of the order, as well as the members of every other order in the town, is cordially invited to be present to enjoy the occasion. The Junior Order is one of the strongest fraternal organizations in the town, and is doing a splendid work.

The order has presented to Washington college a handsome American flag, and the flag raising will take place with appropriate exercises day following the anniversary—Friday morning at eleven o'clock.

A Deserved Tribute.

The Redlands, California, Facts, of February 25th, a copy of which is before us, contained a most admirable tribute to the late Charles F. Harper, Son of Mr. George W. Harper, of Still Pond, who for several years, had resided in Redlands. It says in part:

"Charles F. Harper, of Central street, died at an early hour this morning, following an acute heart attack beginning last Saturday. With the passing of this spark of life went out one of the most brilliant minds in the country. That is the undivided opinion of those who had the privilege of knowing Mr. Harper. A career that would have been a national one, a position that would have been near the top of those to which man's ambitions reach, was blighted by disease and ended by death."

Mr. H. Clay Lusby fell from his wagon on Thursday and hurt his foot quite badly.
